## शुभकामना संदेश

मुझे यह जानकर अत्यंत प्रसन्नता हुई कि गुरु नानक देव विश्वविद्यालय, अमृतसर अपनी 54वीं वार्षिक रिपोर्ट प्रकाशित कर रहा है। इस अवसर पर मैं विश्वविद्यालय के सभी विद्यार्थियों, शिक्षकों, शोधकर्ताओं, प्रशासकों एवं समस्त विश्वविद्यालय परिवार को हार्दिक शुभकामनाएँ प्रेषित करता हूँ।

यह विश्वविद्यालय अपने स्थापना काल से ही अकादमिक उत्कृष्टता, अनुसंधान के प्रति प्रतिबद्धता और समग्र विकास के मूल्यों को केंद्र में रखकर निरंतर प्रगति की ओर अग्रसर है। श्री गुरु नानक देव जी की शिक्षाओं से प्रेरित होकर यह संस्थान न केवल ज्ञान का केन्द्र बना है, बल्कि एक नैतिक समाज निर्माण की दिशा में भी महत्त्वपूर्ण भूमिका निभा रहा है।

बीते वर्षों में विश्वविद्यालय ने शोध, नवाचार, खेलकूद, सांस्कृतिक गतिविधियों, तथा सामाजिक सरोकारों के क्षेत्रों में उल्लेखनीय उपलब्धियाँ हासिल की हैं। राष्ट्रीय और अंतर्राष्ट्रीय मंचों पर विद्यार्थियों एवं संकाय द्वारा प्राप्त सम्मान विश्वविद्यालय की गुणवत्ता और दूरदृष्टि का प्रमाण है।

मैं यह भी देखकर प्रसन्न हूँ कि विश्वविद्यालय नई शिक्षा नीति 2020 के अनुरूप अपनी शैक्षणिक संरचना, पाठ्यक्रमों और अनुसंधान की दिशा को आधुनिक आवश्यकताओं के अनुसार ढालने में सक्रिय है। यह परिवर्तन विश्वविद्यालय को आने वाले समय में और अधिक प्रासंगिक तथा प्रभावशाली बनाएगा।

मैं आशा करता हूँ कि गुरु नानक देव विश्वविद्यालय आने वाले वर्षों में भी ज्ञान, अनुशासन और सेवा की अपनी परंपरा को और अधिक सशक्त बनाते हुए पंजाब, भारत और वैश्विक पटल पर अपनी पहचान को और मजबूत करेगा।

अंत में, मैं इस अवसर पर कुलपति, समस्त संकाय, कर्मचारी एवं विद्यार्थियों को शुभकामनाएँ देता हूँ और उनके उज्ज्वल भविष्य की कामना करता हूँ।

(गुलाब चंद कटारिया)

# MESSAGE

Education plays a powerful role in shaping a better future for individuals and society. At Guru Nanak Dev University (GNDU), we believe that true education is not just about academic success—it is also about building character, promoting values, and preparing students to contribute meaningfully to the world around them. This Annual Report shares the progress, achievements, and initiatives that reflect our commitment to excellence and service in the past year.

Guru Nanak Dev University (GNDU) is proud to play a key role in building the nation by providing excellent higher education. We are a Category-One University with the highest NAAC score of 3.85 out of 4.00 (A++ grade) the top among all public, private, and central universities in India. Our University is amongst "top 10 high performing state Public University" across India by MHRD. Our goal is to create and share knowledge that helps build a strong, inclusive, and progressive society. We believe that education without values is incomplete. At GNDU, we follow a holistic approach which means we focus not just on academics, but also on teaching students' values, ethics and social responsibility. We encourage students to take part in academics, co-curricular, extra-curricular and community outreach (extension) activities, so they grow into responsible and caring individuals.

As we look back on the past year, I am happy and proud to present this Annual Report. It shows the hard work, dedication and achievements of our entire university community. This year, GNDU continued to focus on excellence in teaching, research, and service to society.

Our faculty members have done outstanding work in research and teaching. They have published valuable research papers, used new and effective teaching methods, and received many awards. Our research efforts have helped GNDU gain international recognition and funding. The University has recorded significant academic growth, with a 59% increase in its h-index from 62 in 2017 to 154 in 2024, a 46% rise in research publications from 5,218 in 2017 to 11,331 Scopus-indexed publications to date, and a 57% increase in the highest impact factor per publication, rising from 72 in 2017 to 168.9 in 2024. Through partnerships, outreach programs, and service-learning, we continue to make a positive difference in communities. We are managing our finances responsibly and making sure all resources are used wisely for long-term sustainability. We follow strong principles of transparency, accountability, and good governance, which help build trust with our stakeholders. Even with challenges, GNDU has achieved many firsts. GNDU is the first University to get approval for Integrated Teacher Education Programmes (ITEP). Our Departments of Sports Medicine and Life Sciences have been recognized as Centre of Potential for Excellence in a Particular Area. Over twenty departments have received funding under schemes like CAS, SAP, DST-FIST, and PURSE.

At the heart of everything we do is our commitment to our students' success and well-being. We are proud of our graduates, who are doing well in their careers and making a positive impact in society. We continue to support students through mentorship programs, student services, and practical learning opportunities. Approximately 53% increase in admission during

last seven years from 9661 in (2017-18) to 14784 in (2024-25). We have also built a new Amphi Theatre called Golden Expressions where students can perform and express themselves creatively. More than 80% of our students have been successfully placed in top 92 multinational companies with highest package of 44 lacs per annum. GNDU is also a leader in sports. We have won the MAKA Trophy—India's highest honour for sports excellence in universities—a record 25 times. Athletes from Guru Nanak Dev University delivered stellar performances at the Asian Games in Hangzhou, while our shooters excelled even further at the Tokyo 2021 Olympic Games and the 2022 World Cup in Korea. We take great pride in the fact that, under the Khelo India scheme, the university has been entrusted with the establishment and management of Fencing and Archery Academies, in addition to two dedicated sports centres for Handball and Hockey. Furthermore, the Government of India has designated GNDU as a Centre of Excellence in four sporting disciplines—Athletics, Fencing, Cycling, and Swimming—and has allocated funding exceeding ₹ 15 crore to advance these initiatives. GNDU won runners up position at the 37th Inter University National Youth Festival 2023-24.

This year, Guru Nanak Dev University has received several important national and international recognitions. It was ranked as the 2nd cleanest Government Residential University in India under the Swachh Campus Rankings and secured the 48th position in the NIRF Rankings**.** The university was named "One District One Green Champion" by the Mahatma Gandhi National Council of Rural Education (MGNCRE) under the Ministry of Education. It was also ranked 7th among State-Funded Universities in India by The Week–Hansa Research Survey and 11th by India today ranking. On the global stage, GNDU was placed among the top 10% universities in the world by the Centre for World University Rankings (CWUR), and among the top 101–200 universities worldwide for real-world impact by the WURI rankings. WURI also recognized GNDU as one of the most innovative universities. Additionally, the university was honoured with the Shaheed Bhagat Singh Punjab State Annual Environment Award, 2023 for its contributions to environmental sustainability.

As we celebrate these accomplishments, we know that our journey does not end here. The future will bring both challenges and opportunities, and we must continue working together with dedication, creativity, and teamwork. Together—as students, teachers, researchers, staff, and partners—we will continue to grow, innovate, and contribute to a brighter future. We thank every member of the GNDU family for their dedication and teamwork, and we look forward to building on our success in the years to come.

(Karamjeet Singh)
**Vice Chancellor**

# MESSAGE

Ever since its inception in the year 1969, Guru Nanak Dev University has become synonymous with distinction, innovation and exceptional eminence. It is heartening to note that the synergistic of all the stake holders of the University: academicians, employees, research scholars, students etc. have contributed to the realization of the goals and expectation set forth in the Guru Nanak Dev University Act-1969. As a result of all these efforts, the UGC conferred upon this University the status of "University with potential for excellence" and recognized by NAAC (National Assessment and Accreditation Council) as A++ grade (highest level) and Category-1 University.

The University has ranked among top ten "High Performing State Public Universities" across India by Ministry of Human Resource Development, Government of India. In order to keep pace with the contemporary times and meet the demands of industry and employment generation in the region and nation, the university is continuously upgrading its academic programmes and building a sturdy network of global partnerships with industries, institutions and communities. Our Credit Based Evaluation System and a well-developed Placement Cell assures the continuity of learning process and employment security to our students. The university has also been pioneer in adopting sustainable environmental practices and green initiatives in order to set an example for the students and community at large. It is a matter of pride that this University has been ranked second amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India.

The faculty of Guru Nanak Dev University has achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have received in their respective disciplines. Some of these awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. The most recent being the accreditation of the university by the National Assessment and Accreditation Council (NAAC) with highest A++ Grade at a score of 3.85 on 4.00 scale making it one of the best universities of the country. The "Category One" status in the region of Punjab and Chandigarh, recognition as one of the top ten "High Performing State Public Universities" across India, status of "University with Potential for Excellence" by UGC, the second rank amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India, the increase in the H-index to 157 in 2025 from 64 in 2017, winning the Maulana Abul Kalam Azad Trophy 25 times till 2025, represent that Guru Nanak Dev University has always encouraged its students and faculty towards determination, fortitude, resilience and distinction. To foster the research activities, the University is committed to provide 100 fellowships for Ph.D. Scholars from its own resources. It is noteworthy that recently University student won the Gold Medal in women's 50 metre rifle 3 position event at Shooting World Cup in Buenos Aires, 2025.

I am happy to learn that the Annual Report of the University for 2023-24 is being released by the Internal Quality Assurance Cell (IQAC). I am confident that this Annual Report will be a useful treatise reflecting detailed account of activities of the teaching departments, academic set up of university as well as all institutions associated with Guru Nanak Dev University. I extend my best wishes to all the members of Internal Quality Assurance Cell.

Palwinder Singh

# MESSAGE

Over the past fifty-five years, Guru Nanak Dev University has become synonymous with excellence, innovation, and unwavering reliability. It is an honour and a privilege to serve as the Registrar of this esteemed institution, which is deeply rooted in a humanitarian mission and driven by a philanthropic spirit. Our commitment to inspire and empower youth to excel in their chosen fields continues to guide us towards new heights of achievement. Despite its relatively young age, the University is rapidly progressing on both academic and non-academic fronts, propelled by relentless dedication and a clear vision for the future.

GNDU has cultivated a transparent and inclusive culture that encourages teamwork and a passion for discovery, qualities that have earned it the prestigious status of a *"Category One" University*, recognition as a *"University with Potential for Excellence"* by the UGC, and an *"A++" grade* by NAAC.

Guru Nanak Dev University attracts students from across the globe, drawn by our modern infrastructure, cutting-edge facilities, highly qualified faculty, proactive leadership, and best-in-class teaching and learning practices. The University is committed to creating a vibrant and nurturing environment for disseminating knowledge, informed by innovation, scientific inquiry, and social responsibility.

We have embraced technology and modern academic practices to enhance the student experience. From online admissions and centralized counselling for state-level intakes, to a credit-based evaluation system and contemporary curricula, every aspect of the GNDU academic ecosystem is designed to meet international standards. Our well-equipped laboratories, international collaborations, special academic Chairs, and frequent organization of national and international conferences and workshops reflect our global outlook.

Postgraduate students are actively encouraged to research through short dissertations, term papers, and guided projects, cultivating a strong foundation in advanced academic inquiry. Beyond academics, students can express their talents in sports, theatre, cultural activities, and more. Well-managed hostels for boys and girls, and attentive planning and supervision contribute to a safe and conducive environment for holistic development.

Even during the global disruption caused by the COVID-19 pandemic, Guru Nanak Dev University swiftly transitioned to online learning, transforming adversity into opportunity. With the visionary leadership of our Hon'ble Vice Chancellor and the dedicated efforts of our faculty, researchers, and staff, the University continues to strive for academic excellence and shape a promising future for our nation's youth and beyond.

# PREFACE

Guru Nanak Dev University has achieved remarkable milestones and garnered numerous accolades. The university's commitment to academic excellence, research advancements and overall development has been recognized by various national and international agencies. These achievements reflect the dedication of Guru Nanak Dev University 's faculty, staff and students towards creating a vibrant educational environment. The university is dedicated for upholding the teachings and principles of Sri Guru Nanak Dev Ji, which emphasize on inclusivity, equality and social justice. The University aims to create an environment that fosters intellectual growth, academic excellence and holistic development among its students.

During the current tenure (2023-24), Guru Nanak Dev University has attained many landmark achievements. The University's growth has been astonishing in terms of its research & academics infrastructure, departments, new courses, syllabi and programmes. Under the able guidance of Vice Chancellor, Prof. (Dr.) Jaspal Singh Sandhu the University organized a large number of offline and online international and national conferences, seminars, symposiums and other academic functions successfully to enrich the academic world. The examinations of the students of all the subjects were conducted well in time with timely declaration of the results. The admission process was conducted online as well as offline, with an increased number of student intake for most of the courses as compared to previous year.

During this session 2023-24, in the "NIRF-India Rankings 2023" published by the Ministry of Human Resource Development, Government of India, New Delhi, the University has improved its National Institutional Ranking Framework (NIRF) rating from 55$^{th}$ in 2019 to 48$^{th}$ in 2023 in the "University Category" at the All-India Level. In the 'THE WEEK-HANSA Research Survey 2024', it has been adjudged among the top 15 best universities in the country. It has improved its all India ranking from 23$^{rd}$ in 2017 to 15$^{th}$ in 2024 in the said survey. It is the only state funded multidisciplinary university to have jumped to 7$^{th}$ position in 2024 from 14$^{th}$ position in 2017 in the State of Punjab. Its high quality inclusive and conducive environment for academics, research, professionalism, co-curricular and extra-co-curricular activities has been the hallmark of its success.

In the India Today-MDRA Best University Ranking 2023, Guru Nanak Dev University has secured 14th rank in Top General (Govt.) Universities in India 2023. The University has retained its last year (2022) ranking. The University ranked among the top 23% universities worldwide in the World Rankings for the Best Value Universities for International Students-2024. A survey, conducted by the 'Study Abroad Aide' for 8032 universities, has placed Guru Nanak Dev University at 1782 position globally for providing a great mix of high-quality education and affordability, especially for the international students. The University ranked among the top 17% of the Best Value University Rankings in Asia 2024, in a survey conducted by the 'Study Abroad Aide' after evaluating 3,349 higher educational institutions in 20 Asian countries. It also ranked in the top 9.3 percent (at 1975 out of 20966 universities) worldwide according to 2024 edition of the outcome-based Global 2000 list released by the Centre for World University Ranking (CWUR). Ranking was based on four objective indicators i.e. education, employability, faculty and research. According to the survey, Guru Nanak Dev University ranked at 767th place in Asia. Scholar GPS 2022 Institutional Ranking framework has placed Guru Nanak Dev University at 1119 rank in the previous five-year ranking (2018–2022) and 2836 in the lifetime ranking on a global scale. Agriculture and Natural Resources ranked 191 out of all field specializations, followed by Life Sciences (694), Physical Sciences and Mathematics (819), Engineering and Computer Science (948). In 2022, Guru Nanak Dev University had Institutional Ranking Lifetime of 1772, according to the Scholar GPS database, but over the past five years, it has improved to rank 951.

During this tenure, the University has seen an increase in its h-index 149 (July, 2024) and has a total of 20769 research articles published in high impact factor journals to its credit. The University has achieved an impressive milestone with 40.3% of papers published in the top 25% journals. This showcases the university's commitment to promoting high-quality research and contributing to the advancement of knowledge in various fields. It has also attracted a number of central and state grants for improving its infrastructure and research facilities. The university has been credited for its excellent infrastructure for teaching, learning and research and eco-friendly lush green campus. During the tenure, the University has established a Student Counselling Cell within the university premises. This cell aims to provide assistance and support to candidates seeking admission into various courses being run by the University, ensuring a smooth admission process.

The esteemed Maulana Abul Kalam Azad Trophy (MAKA) for exceptional sporting achievements in the year 2022-23 was awarded to Guru Nanak Dev University by Her Excellency, President of India, Smt. Droupadi Murmu. This marks the University's record 25th win of the coveted trophy for outstanding all-round performance in sports. At the Ashoka Hall of Rashtrapati Bhawan, Vice-Chancellor Prof. (Dr.) Jaspal Singh Sandhu and Dr. Kanwar Mandeep Singh, representing the University's Sports Department, received the trophy and a grant of Rs. 15 lakhs from the President. Aishwarya Pratap Singh Tomar, an outstanding athlete representing Guru Nanak Dev University, was conferred with the prestigious Arjuna Award by Her Excellency, President of India, recognizing his exceptional sports performances throughout 2022-23.

Sixteen exceptional athletes of Guru Nanak Dev University represented India at Asian Games in Chengdu, China, held from September 23 to October 8, 2023. Their outstanding performances have brought great pride to the University and nation. The dedicated and talented university athletes exhibited remarkable skills and sportsmanship, contributing significantly to India's medal tally at the Asian Games. In total, they secured an impressive 13 medals in various sporting events, showcasing their commitment to excellence and their relentless pursuit of success. The university has consistently excelled in various sports competitions, earning accolades and trophies. GNDU's exceptional sporting achievements have not only showcased the talents of its athletes but have also brought pride and recognition to the institution.

In a landmark event strengthening bilateral ties in education and research, Arctic University of Norway inked Memorandums of Understanding (MoUs) with Guru Nanak Dev University along with five other prominent Indian institutions at the Norwegian Embassy in India during this tenure. The University has witnessed good success in placements, with students securing lucrative job offers from prestigious multinational companies. The university takes pride in its students being offered high salary packages, with notable examples including Rs. 19.57 Lakhs per annum by Walmart, Rs. 18.43 Lakhs per annum by Guidewire, Rs. 15.00 LPA by Thapar Institute, Rs. 13.00 Lakhs per annum by Stylumia, and Rs. 12.45 Lakhs per annum by Bharat Electronics Ltd. This reflects the quality of education and training provided at GNDU across various courses. In addition to these impressive full-time employment offers, GNDU students have also been provided with enriching internship opportunities from both national and multinational companies, with the highest stipend reaching up to Rs. 50,000 per month. The average package for Batch 2023-24

stands at an impressive Rs. 6.40 Lakh per annum for various courses at GNDU - a testament to the university's commitment towards providing quality education and professional development opportunities for its students. Top recruiters from diverse industries like TCS, Capgemini, Amdocs, Accenture and KPMG have actively hired graduates and postgraduates from GNDU's main campus and regional campuses. Financial institutions such as Axis Bank and Bandhan Bank have also provided promising opportunities to GNDU students. Other prominent recruiters include Aakash Institute, HDFC Life Insurance Company Limited, ICICI Securities Limited, IOL Chemicals and Pharmaceuticals Limited. GNDU's strong industry connections contribute to the employability of its students across various sectors.

The 49th Annual Convocation of the University was organized in "The Golden Jubilee Convention Centre". Sh. Banwarilal Purohit, Hon'ble Governor of Punjab and Chancellor of the University presided over. On this occasion, esteemed Bollywood personality, Gulzar (Sh. Sampooran Singh Kalra), renowned for his contributions as a lyricist, poet, author, screenwriter, film director, and producer was conferred (online) with an Honoris Causa Doctorate Degree of Doctor of Literature in the faculty of Languages as he was unable to be present due to his health issues. Prof. Yogesh K. Chawla, former Director & Emeritus Professor and former Professor & Head of the Department of Hepatology at PGIMER, Chandigarh was bestowed with an Honoris Causa Doctorate Degree of Science in the faculty of Medical Sciences by the Governor of Punjab. These two personalities were honored in recognition of their contribution in their respective fields. Prof. Rajiv Sood, Vice-Chancellor, Baba Farid University of Health Sciences, Faridkot was the special guest. On this occasion, 370 degrees of Ph.D., Post-Graduate and Under-Graduate degrees and 171 medals were awarded to students from various faculties.

The University celebrated 54th Foundation Day on November 24, 2023 with great enthusiasm at various venues in the University campus. Academicians, scholars, students and eminent personalities participated in these celebrations, Guru-Ka-Langar was also arranged by the University on this occasion. Folklore, Painting and Book exhibitions were organized in front of Bhai Gurdas Library and in the Gallery-History & Dreams at the University campus. Mr. Parneet S. Sachdev, IRS (Retd.) Professor of Eminence, Guru Nanak Dev University (former Principal Chief Commissioner Income Tax, North West) and Prof. Dr. Darshan Singh, Former

Professor, Guru Gobind Singh Department of Religious Studies, Punjabi University, Patiala delivered academic lectures in the Guru Granth Sahib Auditorium of the University.

In this tenure, the Youth Welfare Department organized various youth activities for students studying in different affiliated colleges, constituent colleges and the University Campuses at Amritsar, Jalandhar and Gurdaspur. Guru Nanak Dev University Zonal Youth Festivals were organized for the students of affiliated colleges/campuses of Amritsar, Gurdaspur, Pathankot, Tarn-Taran, Jalandhar, Kapurthala, Nawanshahr districts and the Associate Institutes. Youth Welfare Department organized 06-Zonal Youth Festivals, 01-Inter Zonal Youth Festival and Punjab State Inter University Youth Festival. The University showcased its excellence on the national stage by securing the 2nd runners up position at the 37th Inter University National Youth Festival 2023-24. The University Cultural Team has secured the 2nd runners up position at the 37th North Zone Inter University Youth Festival 2023-24. The festival, organized by Punjabi University Patiala from January 31 to February 04, 2024, under the banner of the Association of Indian Universities (AIU), witnessed a spirited display of talent and creativity from 18 participating universities. In an outstanding display of artistic prowess, GNDU won the 3rd position overall, showcasing the depth of talent within the university. The contingent, comprised of 54 individuals, actively participated in 26 events, leaving an indelible mark on the cultural landscape of the festival.

During this tenure, the university participated in the ongoing Science Summit at 78th United Nations General Assembly (UNGA78) with four online sessions. The University also participated last year with four sessions for UNGA77. Establishment for a 5G use case lab in the University, funded by the Department of Telecommunications (DoT), Government of India is another important achievement of the University. This shift is imperative for applications requiring extremely high data transmission rates, extended coverage, superior throughput, minimal latency, and enhanced reliability. Under this initiative, the university's adept faculty and students will be able to explore a myriad of applications for future needs based on 5G Technology. Virtual Corporate Interaction Lab was also inaugurated at the University School of Financial Studies sponsored by Grasim Industries Ltd, Aditya Birla Group under its Corporate Environment Responsibility (CER) initiative. This virtual set-up is a remarkable example of collaboration between education and industry. In one more pioneering feat, the University was

awarded the certification for Eat Right Campus by Food Safety and Standards Authority of India (FSSAI) for providing safe and nutritious food. The 'Eat Right Campus' is an initiative by Food Safety Standards Authority of India (FSSAI) aims to promote safe, healthy and sustainable food in campuses. Furthermore, the university has organized numerous international and national seminars, symposiums, workshops, conferences, as well as theatre, music, cultural events and other artistic activities. These events have provided students with valuable opportunities for learning and participation in diverse intellectual and creative endeavors.

The success and achievements of Guru Nanak Dev University is a testament to the collective efforts and dedication of its Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu, faculty members, students, researchers and administrative staff. Their innovative guidance and unwavering commitment to excellence have paved the way for Guru Nanak Dev University to continue its journey as one of the top universities in the country. With their continued support and determination, Guru Nanak Dev University will undoubtedly reach new heights of success in the future.

*****

# ABOUT SRI AMRITSAR

*Sri Amritsar* was founded by *Sri Guru Ramdass ji*, the fourth guru of the Sikhs in about 1574 A.D. Before the city was founded, the area was covered with thick forests and had several lakes. To start the city the Guru invited 52 traders from different sectors belongings to nearby places like *Patti* and *Kasur* to settle here. These families started the first 32 shops in the city which still stand in the street called *Batisi Hatta* (32 shops). The Guru himself shifted to live among them in the city which came to be called *Ramdaspur* and has been eulogized in the Guru Granth Sahib.

Sri Amritsar, known for rich cultural heritage of four centuries, is living symbol of historical and religious traditions of Sikhs tangibly expressed through the divinely blessed shrines. Historically speaking, the fourth Guru, Guru Ram Das Ji built the *Sarovar* and laid the foundation of Amritsar, which became a sacred place for the pilgrimage of the community. The fifth Guru, *Guru Arjan Dev Ji* built Sri *Harimandir Sahib* in the centre of the *Sarovar and* the foundation was laid by *Sai Mian Mir.* Maharaja Ranjit Singh captured the city in 1805 and his first important act was to gild the whole structure of *Sri Harimandir Sahib* with gold. The city has been the center of activities for various historical events and freedom struggle in the last four centuries.

This city in north western India is the administrative headquarters of Amritsar district in the state of Punjab. The city lies about 25 km east of the border with Pakistan and is a major commercial, cultural, and transportation centre. It is also the centre of Sikhism and the site of the Sikh's principal place of worship.

The early name of the city was *Chack Ramdaspur*. Before its establishment, the area under the city was a part of the vast area covered under Indus valley Civilization during the early period of history. A city of historic walls and impressive gateways, Amritsar gained importance under the reign of *Maharaja Ranjit Singh*, one of the most resplendent figures in Sikh history. The city lies on the Grand Trunk Road, Asia's one of the oldest and longest major roads connecting Eastern & Western parts of Indian sub-continent, built by *King Sher Shah Suri* in year 1539.

The city of Amritsar is a dazzling showcase of composite culture and secular heritage. It has a proud past, a glorious present and a promising future. This most important city of *Majha* region has rightly been called the *mukut-mani* (Jewel of the crown) of the Punjab. Amritsar is like a diamond with many facets. The essential spirit of the city is found not only in its gurudwaras, temples, mosques, churches, takias, khankahs but also in its theatres, galleries, parks, gardens, archives, libraries, art, architecture, museums, memorials, havelis, forts, fairs, festivals, vibrant folk dances, scintillating taans, narrow lanes, winding alleys, parlours, boutiques, clubs, pubs, traditional bustling markets, lip-smacking cuisine eatable like traditional *Papad -Wadian, Soya-wadian and Aampapar*. In addition, the city is famous for its woolens, carpets and blankets, kites, *juttis,* cut-glass work, traditional jewelry and embroidered stuff.

In Amritsar, *Sri Harimandir Sahib* is not only a central religious place of the Sikhs, but also a symbol of human brotherhood and equality. Everybody, irrespective of cast, creed or race can seek spiritual solace and religious fulfillment without any hindrance. It also represents the distinct identity, glory and heritage of the Sikhs. To pen-down the philosophy, ideology, the inner and outer beauty, as well as the historical legacy of *Sri Harmandir Sahib* is a momentous task. It is a matter of experience rather than a description. In *Sri Harimandir Sahib Parikarma, Akal Takht* literally means Eternal Throne. The Akal Takht sahib is situated on the other end of the causeway connected to *Sri Harmandir Sahib*. Its foundation was laid by *Guru Hargobind Sahib*. The building of the *Akal Takht* opposite the *Sri Harmandir Sahib* has a special meaning. While the *Sri Harmandir* stands for spiritual guidance the Akal Takht symbolizes the dispensing of justice and temporal activity. The *Akal Takht* is the oldest of the Five *Takhts*. Amritsar is a center of the raag-based rendering of *Shabad* (*Bani* of *Sri Guru Granth Sahib*). The shops of musical instruments are available around Town Hall, Jallianwala Bagh and surround Sri Darbar Sahib area. The city boasts of maximum production of Musical instruments.

After partition, Amritsar has become the gateway of India by land route from Central Asia, Afghanistan, Pakistan and other countries on the western side. With its glorious heritage, Amritsar is proudly holding its status of an internationally known city not only historically but also in context of social welfare, philanthropic activity and higher learning. Guru Nanak Dev University located here along with other institutes carries a pleasant mélange of all that is worth.

Amritsar's international airport, *Sri Guru Ramdass Ji* International Airport, has more than 25 domestic and 10-12 international flights in a day with daily connections to Birmingham, London-Gatwick, Dubai, Sharjah, Kuala Lumpur, Bergamo, Milan, Malpensa, Rome-Jiumicino, Verona, Doha, Singapore etc. (International), while Chandigarh, Goa, Delhi, Mumbai, Pune, Bangalore, Hyderabad, Sri Hazoor Sahib, Patna Sahib, Guwahati, Kolkata, Lucknow, Pune, Sharjah, Dehradun, Dharamshala, Kullu, Shimla, Chennai, Srinagar and Jammu etc. (National). Amritsar is connected by rail to almost every major city in India. Amritsar railway station is the main terminus. The Samjhauta Express and Bus runs from Delhi through Amritsar to Lahore in Pakistan (But now terminated due to administrative reasons). Sri Darbar Sahib - *Sri Harmandir Sahib*, Ram Tirath, Jallianwala Bagh, Durgiana Temple, Wagha Border, Partition Museum, War Museum, Gobindgarh Fort, Summer places of Maharaja Ranjit Singh, Pul Mouran, Khalsa College, Heritage Street, *Chaali Khooh*, Heritage Village, Preet Nagar, Mata Mandir-Rani ka Bagh and other religious places and so many traditional and continental eating outlets make Amritsar a popular tourist destination in world.

*****

# ABOUT THE UNIVERSITY

Guru Nanak Dev University was established in 1969 to commemorate the 500th *Prakash Purab* of Sri Guru Nanak Dev Ji. The university aims to impart education, promote research, and preserve the teachings and values of Guru Nanak Dev Ji. With its motto "Guru's wisdom illumines all," the university strives to meet the expectations of the society.

Spread over 500 acres in Amritsar, Guru Nanak Dev University showcases a blend of modern architecture and traditional values. It consists of 45 teaching departments on campus, along with numerous Affiliated and University/Constituent colleges located in rural areas. The university is committed to making higher education accessible to all, including women and economically disadvantaged communities.

The University has consistently demonstrated its commitment to excellence and innovation in various fields. With commendable rankings and ratings from national and international agencies, impressive research output, significant grants from the Government of India, and a wide range of collaborations, Guru Nanak Dev University has emerged as a leading institution in higher education. The achievements and initiatives undertaken by Guru Nanak Dev University have propelled it to great heights.

Around 12,000 students are enrolled at the university campus, with 57 being international students from countries like Bangladesh, Nigeria, Nepal, Afghanistan, South Africa, etc. The university has implemented various online admission and evaluation systems for efficiency and transparency. It is also focused on research in fields such as science, arts, management, information technology, agriculture and mass media.

In line with its commitment to spreading education and preserving Punjabi culture, the tuition fees for departments like Guru Nanak Studies and School of Punjabi Studies have been waived by the university. Through its accomplishments over more than five decades, Guru Nanak Dev University continues to uphold the teachings of Sri Guru Nanak Dev Ji while promoting excellence in education across various disciplines.

The continuous pursuit of excellence is evident in its exceptional rankings of the University. The university has secured a remarkable 3.85 on the NAAC scale, making it the

highest accredited among public, private, and central university in India. Additionally, being recognized as a "Category One" university by UGC and acknowledged as a university with potential for excellence further solidifies Guru Nanak Dev University's reputation.

The University's commitment to academic prowess is reflected in its ranking among the top ten "High Performing State Public Universities" across India by MHRD. The university's dedication to sports is also laudable; Guru Nanak Dev University's global recognition is evident through its inclusion among the top 10% universities worldwide by Centre for World University Ranking (CWUR). Furthermore, being ranked within the top 9.3% out of over 20,000 universities globally according to the Center for World University Rankings' outcome-based Global 2000 list highlights GNDU's position as an esteemed institution.

The university has made significant strides in research output since 2017. With a notable increase in h-Index from 62 to an impressive 149 (June 2024), research publications rising from 5218 to 20769, total number of citations in Scopus are 103174, highest impact factor per publication seeing growth from 72 to 168.9, and patents awarded surging from 2 to 50, Guru Nanak Dev University showcases its commitment towards fostering cutting-edge research.

The Government of India acknowledges Guru Nanak Dev University's contributions through substantial grants amounting to Rs.661.5 crores obtained from various funding agencies like MHRD under multiple schemes such as RUSA-II and *Khelo India* initiatives. The establishment of specialized centers like Centre for Interfaith Studies, and MYAS-GNDU Centre for Sports Sciences are testaments to these grants. Funding under DST PURSE scheme further supports GNDU in its research endeavors.

The collaborations with various universities, organizations, and institutions around the world showcase its commitment to global engagement. The university has established partnerships with renowned institutions like 11 CITIES Forum in London, IC-IMPACTS Centre of Excellence in Canada, Memorial University of Newfoundland in Canada, University of Wolverhampton in the UK, and CTIF Global Capsule in Denmark. These collaborations facilitate knowledge exchange and promote cross-cultural learning.

The University has witnessed a significant increase in admissions over the past five years, reflecting its popularity among students. The university has also actively participated in the

"Study in India" program by welcoming international students from diverse backgrounds. GNDU takes pride as being the first university to receive approval for Integrated Teacher Education Programmes (ITEP), further enhancing its educational offerings.

Guru Nanak Dev University places great importance on providing holistic development opportunities for its students. The establishment of student-run clubs dedicated to various social and cultural activities fosters creativity and nurtures talent. Additionally, initiatives such as an amphitheater named 'Golden Expressions' provide a platform for self-expression among students.

With a strong focus on environmental conservation, the University has undertaken several green initiatives. The university is recognized as the "One District One Green Champion" by Mahatma Gandhi National Council of Rural Education (MGNCRE) for its commitment towards environmental sustainability. These initiatives include massive tree plantation drives resulting in over 40,000 trees being planted, a zero-discharge campus, and installation of a Rooftop Solar Energy Plant that not only saves electricity costs but also reduces carbon footprint substantially.

Embracing digital advancements, the University has taken significant steps towards digitization. Its automated and digitized Bhai Gurdas Library offers e-books/e-journals, digital lounges, and RFID systems for efficient management. Additionally, the installation of HOTSPOTS across campus ensures high-speed internet access. The university has also introduced an e-office system, making file movement paperless. The availability of online lectures through recording studios enhances accessibility to education. Furthermore, Guru Nanak Dev University has taken proactive steps towards engaging with stakeholders through social media platforms while providing IT solutions to both internal users and the general public.

Guru Nanak Dev University's prowess in sports is unparalleled. Its consistent excellence led to winning the prestigious MAKA Trophy 25$^{th}$ times. Athletes from the University have represented India at major sporting events like Asian Games and the Olympics, resulting in multiple medals for the country. The university's dedication to sports development is further evident through its participation in the *"Khelo India"* scheme, establishment of academies and centers of excellence, and continuous support for athletes.

The University has a strong track record when it comes to placements. With over 875 students from Batch 2023 securing internships and job offers from various national and multinational companies, the University has proven its ability to groom students for successful careers. The university's collaborations with industry partners help bridge the gap between academia and industry requirements, ensuring that graduates are well-prepared for their professional lives.

The University stands as a beacon of excellence in higher education in India. Its impressive rankings, research output, grants received, international collaborations and student-centric initiatives showcase its commitment to providing a holistic learning experience. The university's emphasis on innovation, environmental sustainability, digital transformation, sports achievements and career opportunities reflects its dedication towards creating well-rounded individuals ready to contribute positively to society. Guru Nanak Dev University continues to shine as an institution that nurtures talent, fosters research and innovation, and prepares students for success in their chosen fields

The achievements of Guru Nanak Dev University are a testament to the hard work and dedication of its students, faculty members, and administration. Their collective efforts have propelled the university to great heights and reaffirmed its commitment to the vision of Sri Guru Nanak Dev Ji. With a steadfast focus on excellence in education and research, the university will continue to strive for even greater accomplishments in the future.

# 54TH UNIVERSITY'S FOUNDATION DAY

Guru Nanak Dev University celebrated 54th Foundation Day on November 24, 2023 with great enthusiasm at various venues in the University campus. Academicians, scholars, students and eminent personalities participated in these celebrations, *Guru-Ka-Langar* was also arranged by the University on this occasion. Folklore, Painting and Book exhibitions were organized in front of Bhai Gurdas Library and in the Gallery-History & Dreams at the University campus.

Mr. Parneet S. Sachdev, IRS (Retd.) Professor of Eminence, Guru Nanak Dev University (former Principal Chief Commissioner Income Tax, North West) and Prof. Dr. Darshan Singh, Former Professor, Guru Gobind Singh Department of Religious Studies, Punjabi University, Patiala delivered academic lectures in the Guru Granth Sahib auditorium of the University. Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu presented the report of the development of the University. Prof. (Dr.) K.S. Kahlon, Registrar conducted the proceedings. Prof. (Dr.) B.S. Bajwa, Dean Academic Affairs presented vote of thanks. Prof. Sandhu honored guest speakers with mementos on behalf of the University. On this occasion a large number of dignitaries, employees and students were present. Mr. Parneet S. Sachdev also inaugurated newly renovated Reading Hall in the Bhai Gurdas Library. S. Gurmeet Singh Khudian, Minister of Agriculture and S. Satpal Singh Sokhi, Member Senate were also presented in the morning celebrations.

Mr. Parneet S. Sachdev in his academic lecture said that prior to the 19th century, what we know as 'science' today, was actually referred to as "natural philosophy". For centuries theology and science rejected each other completely, each believing that the other had no wisdom or truth in it. Yet, today the interdisciplinary field of "scientific theology" has become mutually investigative and enriching. More than 5000 controlled studies have been published on the subject of Gratitude.

Mr. S. Sachdev said that the nascent, yet profound field of Positive Psychology lays a lot of emphasis on the science of gratitude. So much so that today gratitude finds extensive applications in therapy, including treatments of heart conditions and cancer. From childhood to old age, a wide array of psychological, physical and relational benefits is associated with gratitude. Gratitude has been shown to contribute not only to an increase in happiness, health, and other desirable life outcomes but also to a decrease in negative affect and problematic functioning, including in patients with neuromuscular disease, college students, hypertensive's, patients with cancer, health care providers, and early adolescents. He said that research has more or less established a strong linkage of gratitude to longevity, relationships and health. Yet,

gratitude is far deeper than just saying thanks. There is a science to it and a profound scientific methodology for obtaining benefits.

Professor of Eminence Dr. Parneet S Sachdev explained various dimensions of gratitude to the audience, the path breaking studies and the techniques that can bring this insightful power to generate strong and positive changes in our lives.

While delivering academic lecture on 'Satguru Baba Nanak', Prof. Dr. Darshan Singh said that the discourse (*vikhyan*) presented a very brief description of the period before the arrival of Satguru Nanak Dev ji. The decline and depravity in religious, social, political domains, with reference to the writings from Gurbani and Bhai Gurdas, especially focused on the notion of 'religion' and 'sin'. Prof. Singh said that religion is one of the foundations that allow one to lead a virtuous and harmonious life. Therefore, turning away from religion and looking elsewhere for guidance and support is like falling into an abyss of darkness.

According to traditional belief, Prof. Singh said that the mankind, tormented by the persecutions and injustices, turned and prays to God, the creator and the giver, for a protector and a path of salvation, as described in *Bhagavad Gita* Chapter 4 (*Adhyay*) and Verse 7-8 (*Shlok*) and *Bachitra Natak*. He said that God sends the trusted guardian with his special spiritual powers for the establishment of religion, salvation of the righteous people and the destruction of the wicked. He said that in the writings of *Gurbani* and Bhai Gurdas, the arrival of *Guru Nanak Dev Ji* is explained through these traditional meanings. *Gurbani* and statements of Guru Nanak's contemporaries mention such incarnational duties of Guru Nanak Dev ji. He added that *Naam, Gur Sangat, Bani*, were some of the powers of Guru Nanak Dev Ji through which he lit the lamp of wisdom in the atmosphere of darkness and ignorance.

In his lecture, Prof. Singh attempted to highlight Guru Nanak's holy mission with reference to *Bani* and *Janam-Sakhi*. Dr. Darshan Singh related the *Guru Nanak's Udaasiyan* to practical way of delivering a message to mankind that led the people towards a peaceful way of living, a life of spiritual prosperity.

In the evening, special *Kirtan Darbar* at the University *Gurdwara Sahib* was organized followed by *Guru-ka-Langer*.

********

# 49TH UNIVERSITY'S ANNUAL CONVOCATION

The 49th Annual Convocation of Guru Nanak Dev University was organized in "The Golden Jubilee Convention Centre" on April 6, 2024. Sh. Banwarilal Purohit, Hon'ble Governor of Punjab and Chancellor of the University while addressing the graduates during delivery of Convocation address, said that "Now after completing a certain period of attaining knowledge, you have to give it a practical form. Here, I would like to exhort that whatever you do, wherever you go, always follow the path of truth. As it is also said in *Gurbani* that Truth is supreme, if there is anything higher than that, then it is, the following the path of truthfulness *(सत्य सबसे ऊपर है यदि उससे भी ऊपर कुछ है तो वह है सत्य का आचरण )*. I believe, one of the biggest challenges facing the country and the world today is the "Crisis of character". Crisis of character is at the root of most of the problems. Today, there is a need to return to this basic goal of our education system".

On this occasion, esteemed Bollywood personality, Gulzar (Sh. Sampooran Singh Kalra), renowned for his contributions as a lyricist, poet, author, screenwriter, film director and producer was conferred (online) with an Honoris Causa Doctorate Degree of Doctor of Literature in the faculty of Languages as he was unable to be physically present due to his health issues. Further, Prof. Yogesh K. Chawla, former Director & Emeritus Professor, and former Professor & Head of the Department of Hepatology at PGIMER, Chandigarh was bestowed with an Honoris Causa Doctorate Degree of Science in the faculty of Medical Sciences by the Governor of Punjab. These two personalities were honored in recognition of their contribution in their respective fields. Prof. Rajiv Sood, Vice-Chancellor, Baba Farid University of Health Sciences, Faridkot was the special guest. On this occasion 370 degrees of Ph.D, Post-Graduate and Under-Graduate degrees and 171 medals were awarded to students from various faculties.

Vice-Chancellor, Prof. (Dr.) Jaspal Singh Sandhu welcomed the Chief guest and other dignitaries. Prof. (Dr.) Karanjit Singh Kahlon, Registrar of the University coordinated the convocation. Vice-Chancellor also honored chief guest and other guests with a memento on behalf of the University. Prof. (Dr.) Palwinder Singh, Dean, Academic Affairs presented the vote of thanks. Prof. (Dr.) Preet Mohinder Singh Bedi, Dean Student's Welfare and a large number of eminent personalities, members of Senate and Syndicate of the University, Deans of the Faculties, Faculty Members, graduating students were present to mark this august occasion.

While extending his heartiest congratulations and felicitations to all the graduates, on reaching the cherished milestone of their lives, Sh. Banwarilal Purohit said that fortunate are

you, to have an opportunity, to graduate from an institution which has been spreading the light of knowledge since 1969. It is a university that has earned for itself a place of pride in the higher education landscape of the country. He said that this university is named after the visionary saint Sri Guru Nanak Dev Ji, who preached equality and compassion and stands as a beacon of enlightenment in a world often shrouded in darkness. He said in Hindi that *श्री गुरू नानक देव जी के अवतरण के बारे में कहते हैं कि ''मिटी धुंध जग चानण होया''*. He said that he was happy that the university was standing up to its name and fostering in its students the attributes of tolerance, perseverance, conviction and self-reliance. Guru Nanak Dev University is growing vertically in its rankings and performance.

Citing his own experience with a parent, he emphasized the importance of mature and experienced faculty in imparting quality education to the students and lauded the experienced Faculty of Guru Nanak Dev University. Exploring in his own experience in school, he reiterated the importance of character in life along with good education. He cited Swami Vivekananda speech in *Dharama Sansad* in Chicago in context of *Vasudhaiva Kutumbakam* and giving emphasis to female in our Indian culture. He exhorted the audience and students to lead a simple, truthful life with limited needs, live with self-respect, self-reliance, raise voice against injustice (quoting Martin Luther King), associate with person of good quality and be good citizens of India and the world.

While lauding the achievements of the University, Sh. Purohit said that this University has been conferred with the status of "University with Potential for Excellence" by the UGC, and accredited with "A++" grade by NAAC. It has also attained 48$^{th}$ rank in NIRF Ranking in 2023. The faculty of the university has also carved a niche for itself in their respective research areas and the H-Index has increased to 149 in 2024 from 64 in 2017. Likewise, the achievements of the university in the field of extracurricular activities and sports are noteworthy. He said that this University won the Maulana Abul Kalam Azad Trophy, the highest sports awards for a university in the country, for a record number of 25$^{th}$ times which speaks volumes about the achievements of the university. The Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) established in the university actively fosters entrepreneurship and innovation to drive economic growth locally and regionally. It boasts a cutting-edge infrastructure currently accommodating 19 start-ups and overseeing 7 innovation-driven projects worth approximately 70 lacs. This University has entered into Hon'ble International Collaborations with Netherland, Canada and Japan. Guru Nanak Dev University has established a Centre for Agriculture Research and Innovation (CARI) with an aim to integrate research and education in the field of agriculture and this centre is focusing on cultivating high value non-traditional crops. Through

collaboration with farmers, researchers, entrepreneurs and investors CARI aims to consolidate an eco-system of entrepreneurship and innovation in the agriculture sector and he said that this is the need of the hour, in a primarily Agrarian State like Punjab.

He said that all endings are also beginnings. This phase in your life marks the ending of acquiring formal education as graduates but it also marks the beginning of your life as professionals. In the *Gurukul* tradition in India there were 3 stages in the process of education - *Shravan, Manan* and *Nididhyasan* (श्रवण, मनन, निद्धियासन). *Shravan* means receiving knowledge through all senses. *Manan* means the process of thinking and churning through the mind, what has been heard and *Nididhyasan* means applying the heard knowledge into one's life. So, he said that, now after completing a certain period of attaining knowledge, you have to give it a practical form. He said that here I would like to exhort that whatever you do, wherever you go, always follow the path of truth. He said that as it is also said in *Gurbani* that Truth is supreme, if there is anything higher than that, then it is, the following the path of truthfulness (सत्य सबसे ऊपर है यदि उससे भी ऊपर कुछ है तो वह है सत्य का आचरण ). He said that I believe, one of the biggest challenges facing the country and the world today is the "Crisis of character". Crisis of character is at the root of most of the problems. Today, there is a need to return to this basic goal of our education system.

While giving reference of Gandhi Ji's article in 1925 in his weekly newspaper "Young India" which highlighted Seven Social Sins, he said that Mahatma Gandhi Ji said that Politics without principles, Wealth without work, Pleasure without conscience, Knowledge without character, Commerce without morality, Science without humanity and Worship without sacrifice were Social Sins. He said that to all young men and women gathered here today, I would like to share that when values are not strongly held, people respond weakly to crisis which in turn threatens the social fabric. So, adherence to values should be part and parcel of your lives. He advised the students that let discipline be your watchword; let dedication be your friend and let devotion to the Almighty be your guide.

He said that when values mound your character, the impact of your knowledge is bound to be respected and recognized. He said that I firmly believe the words of Rabindra Nath Tagore who said "Education is not the filling of pail, but the lightening of a fire". So, acquiring specialized knowledge will not complete education, but the development of the ability for independent thinking and judgment is of utmost importance. He said that don't have narrow sectarian thinking but a broad and empathetic understanding of life; become global citizens; let "*Vasudhaiv Kutumbkam"* be your perspective. He said that your aim should extend beyond

money-making; encompass broad considerations of upliftment of communities, protection of environment and promotion of social justice in your vision. Whether you choose to pursue a career in private sector, public sector or the non-profit sector, I urge you to approach your work with a sense of purpose and commitment to making a difference. Remember the success is not just about personal achievements, it is about lifting others up and creating opportunities for those who come after you.

He said that India was the 5th largest economy at present. We are a thriving and well-functioning democracy. We have scaled the moon and now our eyes are set on the sun. We are the growth story that astonishes and inspires the world. But we need to be conscious and not be complacent. The world is changing at an unprecedented pace, and the skills and knowledge that served you well yesterday may not be sufficient for the challenges of tomorrow. So, stay curious, stay hungry for knowledge, and never stop seeking new opportunities to expand your horizons and broaden your perspectives, he added.

He said to all the academicians gathered, that I would like to share the words of American President, Franklin D Roosevelt who once said "We cannot always build the future for youth, but we can build our youth for the future". So, continue performing your duty with dedication and mound your students into productive professionals and good human beings. One of the mantras of Indian education has been "Come for education, go for service" ("शिक्षार्थ आइए सेवार्थ जाइए"). So, you came to the university to get education, that work has been completed. Use the knowledge you have acquired to serve the society and the nation.

Prof. YK Chawla and Prof. Sood both also shared their experiences of life with the students. They inspired the students to respect their parents and teachers and contribute for development of the nation with hard work and great dedication while keeping in mind the teachings of Sri Guru Nanak Dev ji.

Prof. Sandhu apprised chief guest and others about the activities and achievement of the University in the field of academics, research, culture and sports. Prof. Jaspal Singh Sandhu also honored Prof. Yogesh K. Chawlaand and Prof. Sood with the Coffee Table Book and Phulkari on the behalf of the University.

# OFFICE OF CONTROLLER OF EXAMINATIONS

The Examination system operates in seven districts of Punjab state which include Amritsar, TarnTaran, Jalandhar, Kapurthala, Gurdaspur, Pathankot & S.B.S NAGAR. It covers GNDU Campus, 2 Regional Campuses, 15 Constituent/University Colleges, 153 Affiliated Colleges and 49 Associate Colleges under Capacity Enhancement Programme. It is dealing with Choice Based Credit System, Semester System and Annual System of the University. NEP-2020 is adopted from session Dec-2024.

Different wings under the office of the Controller of Examination are actively involved in registration of the students admitted in current academic session, conduct of fair and timely examinations (as per the academic calendar of the University), issue of roll numbers and examination centers (online) for private students, appoint examiners for setting of question papers and evaluation for theory courses, timely declaration of results, issue of marks statements, approval for award of degree to the qualified candidates during convocation every year. In addition, formulation and adherence to guidelines for examination system and amendments from time to time are taken care of.

**Staff employed in various branches: -**

**Various activities undertaken by the Examination wing till June-2024: -**

❖ **Examination Branches**:

| | |
|---|---|
| **Examination-1** | Result declaration for various classes under semester system (Dec-2023 & May 2024) including (B.A./B.Sc. Semester III, V and Undergraduate Professional classes) notifications, Handling student enquiries regarding RL cases & fees, change of subjects, change of examinations centres, DMC & Degree dispatch. |
| **Examination- II** | Result declaration for various classes under semester and annual system (Dec-2023 & May 2024) (B.A./B.Sc. Semester (I), B.Ed, M.Ed, BPED, MPED, Vocational courses, Certificate/Diploma course and all PG Degree Classes). Handling student enquiries regarding RL cases & fees, notifications, change of subjects, change of examinations centres, DMC & Degree dispatch. |
| **Examination-III** | Result declaration for various classes under Credit base system, Number based system, ODL Courses and Online courses (Dec-2023 & May 2024). Handling student enquiries regarding RL cases & fees, notifications, change of subjects, change of examinations centre, DMC & Degree dispatch. File work of various Department. |

❖ **UMC Branch**

| Items | May-2023 | Dec-2023 |
|---|---|---|
| UMC Cases | 26 | 04 |
| UMC Cases processed | 26 | 04 |
| No. of UG UMC Cases | 23 | 04 |
| No. of PG UMC Cases | 03 | 0 |

❖ **Certificate Section**

| | |
|---|---|
| No. of Transcripts/Certificates Verified/ Attested | 10186 |
| No. of Duplicate DMC/Degrees issued | 4245 |

❖ **Conduct Branch**

| **Semester Examination Centers created** | | | | |
|---|---|---|---|---|
| **Session** | **No. of Regular Centers** | **No. of Private Centers** | **No. of Associate Institutes Centers** | **Education Centers** |
| May-2023 | 241 | 44 | 21 | 45 |
| May/June 2024 | 239 | 44 | 20 | 45 |

| Flying Squad teams sent to various centers | |
|---|---|
| **Session** | **No. of Squad teams** |
| May 2023 | 210 |
| Dec 2023 | 104 and Established Online Center for checking examination center. |
| May/June 2024 | 162 * Established Online Flying Center for checking examination center online. |

❖ **Secrecy Branch**

The Evaluation centers established for the evaluation of answer books as per following details:

| Evaluation of Answer Books (May-2023)/ (May-2024) | | | |
|---|---|---|---|
| **Stations** | **Evaluation Centers** | **Staff/man power deployed per Evaluation Center: -** | |
| Amritsar | 3 | Superintendent | 1 |
| Jalandhar | 2 | Assistant/Clerk | 2 |
| Gurdaspur/Dina Nagar | 1 | Daily Wagers | 4 |

❖ **Re-evaluation Branch**

**No. of Candidates Applied for Re-assessment & Re-Evaluation: -**

| Re-Evaluation Data of May-2023 to June-2024 | | | | | | | |
|---|---|---|---|---|---|---|---|
| **Session** | **Colleges Students** | **College Copies** | **Univ. Campus Students** | **Univ. Campus Copies** | **Manual Form** | **Copies** | **Total Copies** |
| May-2023 | 2113 | 2523 | 573 | 1003 | 88 | 104 | 3630 |
| Dec-2023 (till dt. 04-07-2024) | 2542 | 3051 | 732 | 1336 | 19 | 34 | 4421 |
| Total | 4655 | 5574 | 1305 | 2339 | 107 | 138 | 8051 |

❖ **Computer Centre (Examinations)**

The Computer Centre is managing the Online web portal "http://collegeadmissions.gndu.ac.in/loginNew.aspx)**" for regular admissions in colleges and for private students along with other applications for "online Absentee"" and "Online practical award entry"**. The computer centre manages Student database, design and development of programs for exams related activities, return system for colleges, student photo database management, data/result processing and declaration, and uploading of result, D.M.C.

and gazettes on university website, printing of DMC/DEGREES and post result notification declaration & printing of different kinds of examinations i.e., C.B.E.S., Semester & Annual.

**Quality improvement strategies adopted by the institution for Examination system and Evaluation: -**

- Digilocker NAD: University is now live on Digi locker platform. Degree/DMC data along with photographs of students is available on the portal.
- DMC and Credit Points are also available on Digi locker as per NEP-2020, for students studying in CBGS/CBES Mode.
- Online Flying squad centre is established for online surveillance in colleges.
- Online application for Migration Certificate, Duplicate DMC / Degree, Particular Correction Process.
- Online Transcript System (e-Transcript).
- Online application to keep track of evaluation in different centers. Various kind of online reports are generated and payments are also processed through this module.
- Video surveillance across the examination centers in different colleges.
- Synchronization with the OMR system and unique codification of different courses and subject files.
- Fast processing and timely declaration of results has been achieved and number of withheld results has been minimized.
- E-governance in Examination system has been achieved towards communications with various campus departments, RCs, UCs, affiliated colleges & associate institutes.

# DETAILS OF TEACHING DEPARTMENTS OF MAIN CAMPUS

## AGRICULTURE

### About the Department

The Department of Agriculture came into existence in the year **2019** and running **B.Sc. (Hons.) Agriculture** four-year Degree programme. In this programme, students are imparted theoretical and practical training in Crop production and Crop Protection. The students will be additionally trained in skill-based avenues like floriculture, Apiculture and Mushroom production. The research activities of the Department focus on the thrust areas Natural Resources Management, Climate Change, Plant Tissue Culture, Plant Protection measures and Medicinal Crops. Department has ten acres land for research and teaching purposes which includes demonstration plots of various cereals, pulses, oilseed, horticulture and vegetable crop. Construction of protected structures for production and multiplication of exotic plants will soon be completed. In the department Different innovative techniques are being practiced for sustainability in agriculture. Sole motto of department is the betterment of farmer's society and to provide them with better knowledge of latest techniques of farming. Department is setting up plans to provide training to the students and farmers about unconventional agriculture for eco-friendly farming.

### Bachelor of Management Studies in Agri Storage & Supply Chain (Under Logistic Skill Council of India)

The Department of Agriculture started the **Bachelor of Management Studies in Agri Storage & Supply Chain** (Under Logistic Skill Council of India) programme in 2022. The programme is designed to impart knowledge, skill, and attitude development to students in Agri storage and supply chain in logistics. This Apprenticeship-based UG degree program is one of its kind and is running in collaboration with the Logistics Sector Skill Council, established by the Ministry of Skill Development and Entrepreneurship (MSDE) through the National Skill Development Corporation of India (NSDC). The course aims to create an adequate skill for gainful employment in agri logistics sector.

**UG Programme in Dietetics & Nutrition**

The Centre for Agricultural Research & Innovation (CARI) has been established under RUSA 2.0. Under CARI, a division of Dietetics & Nutrition has been set up. The division offers four year undergraduate programme in Dietetics & Nutrition. The basic objective of these courses are to give extensive theoretical and practical knowledge of therapeutic, pediatric, geriatric, enteral, parental, community and sports nutrition. The division encourage the institutional training for better practical knowledge and employability. The division has well equipped nutrition lab, biochemistry lab and diet clinic. The course offered opportunity for students to get absorbed in hospitals, food industries, Govt. institutions, NGOs, diet clinics.

**M.Sc. (Sports Nutrition)**

The programme will also enable students to get right kind of skill set to be absorbed in different organizations and industries. Division of Dietetics & Nutrition has been set up in Centre for Agricultural Research and Innovation (CARI) under Central Government Sponsored Scheme RUSA 2.0. M.Sc Sports Nutrition (2 Year Full Time/4 Semesters Master Degree Programme) has successfully been running since July, 2018 and is also supported by Ministry of Youth Affairs & Sports, Government of India.

Students are being given advanced conceptual knowledge of Basic Nutrition; Sports Nutrition; Therapeutic Nutrition & Dietetics in the Department along with wide practical expertise. During the programme, students are also given In-House trainings (Department; GNDU Health Centre; along with Sports Teams/Players) Internships from National level institutions like Sports Authority of India and other reputed Health Institutes.

Students after successfully completing this Master Degree Programme are getting placements in related leading Nutrition Companies such as Fitelo; Qua Nutrition; HealthifyMe; top Hospitals; Top Nutraceuticals companies; reputed Diet Clinics etc besides going for higher studies and Entrepreneurship opportunities.

**P.G. Diploma Artificial Intelligence in Agriculture**

The Centre for Agricultural Research and Innovation (CARI) has started one year P.G. Diploma Artificial Intelligence in Agriculture in the department of Agriculture, Guru Nanak Dev University, Amritsar from Academic Session 2022-23. This programme aims to develop a skill set among the students to tackle the issues related to food security and sustainable agriculture. Growing population, shrinking cultivable land, biotic and abiotic stress, climate change, excessive use of synthetic fertilizers, pesticides and scarcity of groundwater etc. are creating new challenges for the global agricultural research system. In this fast-changing scenario world over, there is a need for new-age technologies and practices that could increase agricultural

productivity at various levels of the supply chain. In this situation, Artificial Intelligence-driven technologies could be a game-changer.

In the light of above facts, P.G. Diploma Artificial Intelligence in Agriculture will enable the students to exploit the potential of IT and data science in the field of agriculture helping towards the goals of food security using precision agriculture.

**Details of Permanent Faculty**

| S.No | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr.Amarinder Singh Riar | Assistant Professor | Ph.D | Agronomy |
| 2. | Ms. Sunaiana | Assistant Professor | M.Sc. | Horticulture |
| 3. | Dr. Saurabh Pandey | Assistant Professor | Ph.D | Plant Pathology (Plant Virology) |
| 4. | Dr. Satinder Kaur | Assistant Professor | Ph.D | Agrometeorology |
| 5. | Dr. Ravneet Sandhu | Assistant Professor | Ph.D | Sports Nutrition |

## APPAREL AND TEXTILE TECHNOLOGY

### About the Department

Department of Apparel and Textile technology, Guru Nanak Dev University is offering undergraduate as well as post graduate programmes like B.Tech (Textile Processing Technology), M.Sc. Fashion Designing (2 year) and M.Sc. Fashion Designing (FYIP). The programmes running in the department are blend of theory, practical, industrial training and research in various aspects of dye chemistry, dyeing/printing/finishing technology, textile testing, garment manufacturing, colour measurements and analysis and waste management. To make an effort in academic excellence and provide skilled opportunities for aspiring students, the department proudly unveils the outstanding achievements.

**The department has received generous grant of Rs. 7 Crores and 5 lakhs from Ministry of Textiles, Government of India under the scheme of National Technical Textile Mission in the November, 2023.** The grant will be instrumental in advancing the promotion of technical textiles and generation of technically educated and trained engineers, professionals and highly skilled manpower for technical textiles further solidifying the department's commitment to the mission. **The receipt of the grant is a significant milestone for the department**. This grant will enable us to develop the laboratory infrastructure by addition of state of art machines and instruments which will make a lasting impact in the field of technical textiles. Under the vision of NTTM, the department has already upgraded the existing curriculum with the inclusion of new subjects focused on technical textiles. With the focus on technical textiles, the grant will serve as catalyst for generation of highly skilled manpower for technical textiles. This grant will also contribute to long lasting impact on the local textile industry of Amritsar as well as other

cities of Punjab and nearby states of northern region of India who are involved in technical textiles or want to pursue in the field of technical textiles.

The faculty of the department are actively involved in the field of advanced researches viz. development of biodegradable hybrid materials, natural dyes, medical textiles, antimicrobial biodegradable composites materials extracted from bast/plant fibres, green processing of textiles and electromagnetic shielding materials for different applications. The faculty of department is involved in research projects funded by MHRD-Govt. of India under RUSA scheme, Golden Jubilee centre for Entrepreneurship and Innovation- Guru Nanak Dev University, Amritsar (GJCEI) and SERB-DST. The contribution of department has been recognised both nationally as well as internationally and the faculty has been awarded for outstanding contribution in the field of Textile Chemistry and Young Engineering award by Pearl Foundation, Bengaluru.

The department has state of art machineries and instruments. The Department also hosts Textile Industrial Service Centre (TISC) offering commercial testing services to textile and allied industries. Also the department undertakes industrial projects to build industry institution coherence. Our prominent recruiters are Abhishek Group of Industries Ltd (Trident), Vardhman Groups of Companies, Arvind Mills, Alok Industries ltd., Dystar India Ltd., JCT Ltd., Nahar Groups of Inds. Ltd., Welspun Ltd.,Atul Ltd, Jayshree textiles, Orient Craft ltd, Raymonds Ltd., Malwa Industries Ltd., Reliance Industries Ltd.,SPL Industries Ltd.,Sarla Textiles, OCM Textiles Ltd., Saluja group of Industries, Donear.

Distinguished alumni of the department are currently working in reputed textile industries of India, international garment brands, garment processing units, chemical marketing units, merchandising /buying house of international fame, Apparel retail chain supply management having package of more than 30 lacs/annum. In the 2023-24 session, five students of B.Tech (Textile Processing Technology) got selected as Interns under National Technical Textile Mission, Ministry of Textiles, Govt. of India and are offered Rs. 40,000 Internship for two months under GIST 2.0 Scheme.

**a) Details of Permanent Faculty**

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Varinder Kaur | Associate Professor & Head | Ph.D | Textile Wet Processing of Natural as well as Synthetic Fibres /Fabrics, Dyeing and Finishing of textiles using Eco-friendly Materials, Microbe Resistant textiles and Functional Clothing. Interdisciplinary areas of Surface Functionalization, Pretreatment Technology, Textile Dyeing, Textile Printing, Textile Finishing, Garment Processing |
| 2. | Dr. Parambir Singh Malhi | Assistant Professor | Ph.D | Synthesis of Ferrities and its application in textiles as EMI shielding, Gas sensing and photo degradation of dyes. Eco friendly textile processing |
| 3. | Dr. Sachin Kumar | Assistant Professor | Ph.D | Material Synthesis and Characterization, Green Synthesis and Polymer Nanocomposite |

**b) Details of Contractual and Part Time Teacher Academic Year 2023-24.**

| S. No. | Name of Teacher | Date of Birth | Date of Joining | Qualification |
|---|---|---|---|---|
| 1. | Niti Anand | 30.07.1981 | 24.07.23 | M.Sc. Fashion Designing and Merchandising |
| 2. | Himani Bir | 27.02.2000 | 03.08 23 (Part Time) | M.Sc. Garment Manufacturing Technology |

## ARCHITECTURE

### About the Department

The Department of Architecture was established in the year 1986 and was the first institute in Punjab to start the five years integrated Bachelor of Architecture degree course. Over the years, the department has evolved into a leading institution in the region by virtue of having excellent human resources as well as technical infrastructure. With academics as its main intent, the department has also leapfrogged in the areas of research and consultancy in the last few years by securing research projects and providing architectural consultancy to State/Central Government and our own institute for various projects. The broad areas of research include inclusive development, sustainable and best management practices, architectural trends, housing etc.

The mission of the department is to develop a holistic vision of the students towards various issues of physical environment by evolving an integrated design approach incorporating the understanding of different disciplines that come together in conceptualization of creative ideas. From time to time, the syllabi and scheme of courses are exhaustively reviewed and revised in the light of national/international professional needs and trends. The department is also running Ph.D programme in Architecture. The students of the department actively participate and achieve positions in various national level competitions. The Alumni of the department are doing well in Teaching and Architectural field at National and International Level and have brought laurels to the department.

## BIOTECHNOLOGY

### About the Department

The Department of Biotechnology at Guru Nanak Dev University, Amritsar in Punjab (www.biotechgndu.com) has contributed significantly in imparting high-quality teaching and training in the field of Biotechnology since its inception in the year **1991.** Due to substantial support of the University and DBT, GoI, the Department has established independent building with modern labs and has emerged as a reputed national centre of learning and research in Biotechnology. Faculty members of the Department are highly qualified, specialized in

diverse areas and are recognized nationally and internationally. Moreover, faculty members are actively engaged in conducting extramural R&D projects funded by reputed national agencies like DBT, DST-SERB, ICMR, etc. Overall, the Department which is established in a premier University of the Country (Elite Category-I Status by UGC; www.gndu.ac.in) takes the leverage of its highly qualified faculties, advanced teaching and research infrastructure with sound national as well as international collaborations in building technically competent manpower in Biotechnology. The continuous financial support from DBT, GoI for Post Graduate programme (M.Sc. Biotechnology) will enable the department to further capitalize on its strength and generate skilled human resources for catalyzing the bio-economy of the country.

**Details of Permanent Faculty**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. P.K. Pati | Professor | Ph.D. | Plant Tissue Culture & Genetic manipulation |
| 2. | Dr. P.C. Mishra | Assistant Professor | Ph.D. | Bioinformatics & Structural Biology |
| 3. | Dr. Aditya Sunkaria | Assistant Professor | Ph.D. | Molecular and Cognitive Neuroscience |
| 4. | Dr. Meenu Hans | Assistant Professor | Ph.D. | Bioenergy / Biorefinery |

## BOTANICAL AND ENVIRONMENTAL SCIENCES

### About the Department

The Department of Botanical & Environmental Sciences is UGC-DRS and DST-FIST sponsored department. The department offers programs in M.Sc. Botany (Five Year Integrated Programme), M.Sc. Botany (2 year), M.Sc. Environmental Sciences (2 year), and Doctorate in Botany as well as in Environmental Sciences. As per the New Education Policy (NEP), the curricula are carefully designed to incorporate essential core, skill-based, multidisciplinary as well as value-added courses. The major emphasis of the course curricula is on Plant Diversity, Resource Conservation, Fungi and Plant Pathology, Biology of Cryptogams, Stress Physiology, Natural Plant Products, Biostatistics, Ecotoxicology, Environmental Pollution Monitoring and Remediation. The research work is focused on thrust areas including abiotic and biotic stress management in plants, Environmental toxicology, Assessment and bio-prospection of plant resources for cancer chemoprevention, Mitigation of environmental pollution etc. The teaching is strengthened with summer internships,

project reports, seminars, and research techniques that are essential parts of each curriculum. The students are given ample opportunities to use and learn computer software's, sophisticated instruments such as Microwave Plasma Atomic Emission Spectrometer (MP-AES), Atomic Absorption Spectrometer (AAS), Fluorescent Microscope, High-performance Liquid chromatography (HPLC), Fourier Transform Infrared Spectroscopy (FTIR), Antioxidant Analyzer, Amino Acid Analyzer, $PM_{2.5}$ and $PM_{10}$ air samplers etc. for research and teaching. These programs also emphasize on community participation through organizing environmental awareness campaigns, volunteer camps, tree planting events, field trips, and industrial tours on a regular basis.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Satwinderjeet Kaur | Professor | M.Sc., Ph.D. | Plant Sciences, Natural Plant Products, Genetic Toxicology, and Cancer Chemoprevention using Medicinal Plants. |
| 2. | Dr. Adarsh Pal Vig | Professor (On Deputation) | M.Sc., Ph.D. | Vermitechnology, Waste Management and Bioactivities of Glucosinolates |
| 3. | Dr. Manpreet Singh Bhatti | Professor | B.E. (Civil), M.E. (Environ. Engg.), Ph.D. | Environmental Engineering, Ambient Air Quality, Wastewater Treatment |
| 4. | Dr. Jatinder Kaur | Professor | M.Sc., Ph.D. | Environmental Pollution Monitoring and Remediation |
| 5. | Dr. Rajinder Kaur | Professor & Head | M.Sc., Ph.D. | Monitoring and Analysis of Emerging Environmental Pollutants, Pond & Wetland Ecology and Environmental Microbiology |
| 6. | Dr. Astha Bhatia | Assistant Professor | M. Sc., Ph.D. | Phytopharmacology, Phytochemistry, Ethnobotany |
| 7. | Dr. Nitika Kapoor | Assistant Professor | M. Sc., Ph.D. | Plant Stress Physiology and Biochemistry |
| 8. | Dr. Mayank Dhar Dwivedi | Assistant Professor | M. Sc., Ph.D. | Plant Taxonomy, Evolution Biogeography of Angiosperms |

| 3. | Dr. Kritika Pandit | 9-4-1991 | 25-7-2022 | M.Sc., Ph.D. |
| 4. | Dr. Harpreet Kaur | 20-06-1985 | 19-07-2023 | M.Sc., M.Phil, Ph.D. |

# CHEMISTRY

## About the Department

The Department of chemistry came into existence in the year 1971 and over a period of time, it has emerged as one of the premier Departments not only of the university but has also acquired prestigious status even at National level. The Department has opted for New Education Policy (NEP) and offers courses of B.Sc. Chemistry, B.Sc. Chemistry (Honours), B.Sc. Chemistry (Honours with research), M.Sc. Chemistry (FYIC), M.Sc. Chemistry, M.Sc. Applied Chemistry (Pharmaceuticals), PG Diploma in Chemistry, PG Diploma in Applied Chemistry (Pharmaceuticals) and Ph.D. Degree programs.

The department has adopted Credit based Continuous Evaluation Grading system in order to make the examination process transparent and for continuous evaluation of the students. In each master's programme, the pursuing of independent research in final year and submission of dissertation is a distinguished feature. The dissertation is defended by the candidate before a committee of experts. Also each student of master's programme delivers a seminar on contemporary theme under the guidance of a teacher. The research activities of the Department focus on synthetic organic chemistry, supramolecular chemistry, structural inorganic chemistry, drug design, material science, electrochemistry, chemistry of surfactant, chemistry of oils and fats, theoretical chemistry, thermodynamics and analytical chemistry. Every year good number of students qualify UGC-CSIR-NET/GATE test. The faculty of the Department runs several research projects funded by CSIR, UGC, DAE, DST, SERB and DBT etc. The contribution of the Department has been recognized both nationally and internationally and the faculty has been awarded FNASc, BOYSCAST Fellowship, Humboldt fellowship, CRSI gold, silver and bronze medals, Bhagya Tara award, INSA Teachers Award, Shiv Nath Rai Kohli Memorial Mid-Career Best Scientist award, Rajiv Goyal award, Goyal award, Prof. M.S. Wadia award, Brainpool fellow award, Coastal Chemical Society award, Thompson Reuter Research, Excellence India Citation Award and Commonwealth Academic Fellowship award. The Department has been adopted by the UGC under its special assistance programme (SAP) and by DST under its programme for improvement of Science and Technology (FIST). State of the art instruments like NMR, X-ray diffractometer, HRMS, UV, IR with variable temperature facility, Flourescence, AAS, MPAES, ICPMS, HPLC, DLS, SEM, TEM, AFM, DSC, Electrochemical workstation, Molecular modeling software etc. are available for research and teaching. Most of the laboratories have been fitted with modern fume-hoods, RO water purifier systems and Electronic balances. Several faculty members have exposure to foreign research laboratories in the form of

post-doctoral and visiting scientist fellowship and are fellows of academic bodies of national/international repute. The department of chemistry actively participates in national and international conferences and symposia. It also holds refresher courses on regular basis along with national conferences / symposia/ meetings etc.

| 14. | Parampaul Kaur | Honorary Professor | Ph.D | Physical Chemistry |
| 15 | Rakesh Kumar Mahajan | BSR faculty fellows | Ph.D. | Inorganic Chemistry |

## CIVIL ENGINEERING

### About the Department

The Department of Civil Engineering at UIT, GNDU Amritsar offers Bachelor of Technology in Civil Engineering (B. Tech.) program. The mission of this program is to prepare students for professional practice. As professionals, engineers must be able to act responsibly and ethically, communicate effectively, work well in teams amidst the flourishing construction sector in the field of civil engineering. They should possess a thorough understanding of the underlying principles and the intended use of various design aids and software's. Civil Engineers design and supervise large scale public work construction projects, such as roads, buildings, tunnels, dams, and bridges. They are responsible for gathering project requirements, testing and

evaluating building sites and materials, and managing the overall building process from start to finish.

## COMPUTATIONAL STATISTICS & DATA ANALYTICS

### About the Department

The Department came into existence in July, 2020. The Department of Computational Statistics & Data Analytics aims to train students in the rapidly growing field of Data Analytics and Data Science, to be vibrant research hub in this area and interact with other disciplines to evaluate, analyze and utilize the vast amounts of scientific, social and financial data streaming in every second. Department has positioned this degree in business analytics with the intention of producing graduates with the potential to work in more technical careers such as Quantitative Analyst, Data Scientist, Business Analyst, Data Analyst, Operations Analyst, Financial/Securities/Investment Analyst, Pricing Analyst, Market Analyst, Business Forecaster, Data Architect, Intelligence Analyst, Data Mining Engineer, Solutions Architect and Data Manager. Rapid growth in business analytics has created a demand for graduates who can work at the intersection of business and IT to manage, construct and use data and IT systems to support business decision making. Digital business analysts are in short supply and high demand across a wide variety of industries including non-profit, health, finance, mining, energy and entertainment. The expected learning outputs and competencies of current programmes are as follows:

1. To groom young professionals for present information age through sound conceptual knowledge and by fostering inter-disciplinary approach.
2. To enable handling of complex and large databases with computational, statistical and analytical skills and apply them for solutions to real life problems.
3. To inculcate and nurture an aptitude for statistical analyses and strengthening the skill sets of the young learners for effective decision making
4. To provide an enabling environment for hands on experience and practical exposure to seemingly complex computations through rigorous on and off job training programs.
5. To develop competency in students and empower them for placements in conventional and contemporary industries for micro and macro sustenance.

**Details of Permanent Faculty**

| 3. | Jasleen Kaur | 22/02/1993 | 25/07/2023 | M.Tech, MBA |

**Other relevant information**: Department has well equipped lab with latest computers and digital technologies, high end server and high-speed Internet established under RUSA 2.0, UGC 12th Plan and DST Purse. The department has dedicated research-oriented faculty who have excellent publications in SCI indexed, Scopus Indexed as well as other reputed journals. The department has conducted many workshops on latest technologies like AI, ML Data Science. Many National Level Technical events have been organized under student chapter DGSS.

# COMPUTER ENGINEERING AND TECHNOLOGY

## About the Department

The Department of Computer Engineering and Technology was established on April 1, 2015 at Guru Nanak Dev University inside the Maharaja Ranjit Singh Bhawan building. The department is start functioning with a vision to create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in the field of Computer Engineering and to prepare the students for a globalized technological society and orient them towards serving the society. It is engaged in cutting edge research in the areas of IoT, Wireless Sensor Networks, Cloud Computing, Big Data, Data Sciences, Image Processing and Parallel Computing. Its mission is to expose the students to broad research experience and to empower the students with the required skills to solve the complex technological problems of modern society. The department is running B.Tech (CSE), B.Tech (CE), M.Tech (CSE) [FYIP], M.Tech (CSE) [PG] and Ph.D. Programmes. Department has excellent placement records and many students of the department have been placed in the various National and International companies.

The department has well equipped research lab with latest computers and digital technologies, high end server and high speed Internet established under RUSA 2.0, UGC 12th Plan and DST Purse. The department has dedicated research-oriented faculty as well as research scholars who have excellent publications in SCI indexed, Scopus Indexed as well as other reputed journals. The department has more than 590 publications in numerous journals and conferences. The department has conducted workshops on IOT, Cloud Computing, Big Data, Data Science using STATISTICA Tool and Research Application Programming using MATLAB, Computer Networks in collaboration with TCS, University of Jean Spain as well as Grid Analytics India Pvt. Ltd. Apart from this, department has conducted many webinars and workshops to enhance the research. Many National level Hackathon and Technical events have been organized under student chapter CESS.

**Details of Permanent Faculty:**

# COMPUTER SCIENCE

## About the Department

Established in 1988, the Department of Computer Science at Guru Nanak Dev University, Amritsar offers a dynamic and rigorous academic environment for education and research in the field of Computer Science.

The department offers undergraduate and graduate programs that cover the key computing concepts such as Operating Systems, Data Structures, Database Systems, Computer Networks, Mathematics, and Theory of Computation. In addition to the foundational topics, the curriculum integrates emerging technologies such as Open-Source Software, Mobile Computing, Cloud Native Application Development, Machine Learning, Deep Learning, Natural Language Processing, Digital Forensics, Computer Vision, and Cyber Security ensuring that students are well-prepared for the future of computing. The course curriculum is industry-oriented along with massive technical exposure for students. The department also offers a doctoral program with many research scholars funded through JRF/SRF/scholarships. Students from these programs are equipped to excel in diverse roles across academia, industry, and entrepreneurship. The university placement cell provides robust support to students, ensuring they secure positions in leading technology, research, or academic organizations.

The department has a well-qualified and experienced team of faculty members who, besides teaching, are engaged in cutting edge research with publications in SCI, SCIE, ESCI, and Scopus indexed journals and conferences. The research is characterized by a focus on empirical research. Topics of interest include Open-Source Software, CS Education, Cloud Computing, Big Data, Data Science, Image Processing, Software Engineering, and Parallel Computing. The department has a dedicated research lab equipped with high-speed Internet. Besides the prestigious Bhai Gurdas library in the university as the central library, the department also has a well-stocked library for easy and fast access to text and reference books.

The department has a student-run Technical Students Society which organizes various technical, sports, and cultural events year-round. The department's alumni hold prestigious positions in industry and academia, reflecting the comprehensive education and training provided. Several alumni of the department have founded their own entrepreneurship ventures.

## Regular Faculty

| Sr | Name | Designation | Qualification | Area of Interest |
|---|---|---|---|---|
| 1. | Dr K.S. Kahlon | Professor | Ph.D | Computer Networks, Distributed Computing |
| 2. | Dr Gurvinder Singh | Professor | Ph.D | Parallel & Distributed Computing, Data science |
| 3. | Dr Kuljit Kaur Chahal | Professor & Head | Ph.D | Open-Source software, Distributed Systems, CS Education, Intelligent Systems |
| 4. | Dr Parminder Kaur | Professor | Ph.D | Component-Based Software Engineering, Open-Source Software Development |
| 5. | Dr Jaswinder Singh | Assistant Professor | Ph.D | Wireless Sensor Networks, Machine Learning |
| 6. | Sandeep Singh Waraich | Assistant Professor | MCA | Wireless Sensor Networks, Data Science |

## Contractual/Part-Time Faculty for the academic year 2023-24

| Sr | Name | Qualification | Area of Interest |
|---|---|---|---|
| **1.** | Dr Inderdeep Kaur | PhD | Programming in C/C++, Software Engineering, Big Data |
| **2.** | Dr Sarveshwar Bharti | PhD | Software Engineering, Information Systems |
| **3.** | Dr Prithvipal Singh | PhD | Machine Learning, Deep Learning |
| **4.** | Dr Deepali Bassi | PhD | Machine Learning, Digital Forensics |
| **5.** | Madanjit Singh | MCA, UGC-NET pursuing PhD, | Design of Algorithms, Web Technology, Digital Marketing |
| **6.** | Manevpreet Kaur | MCA, UGC-NET | Theory of Computation |
| **7.** | Samriti | MTech, UGC-NET pursuing PhD | Database Systems, Soft Computing |
| **8.** | Rajwinder Kaur | MCA, UGC-NET pursuing PhD | IoT, Wireless Sensor Networks |
| **9.** | Sapandeep Kaur | MCA, UGC-NET | Compiler Design, Data Structures |
| **10.** | Harjit Kaur | MCA, UGC-NET | Data Structures, Graphics Design, Design and Analysis of Algorithms |
| **11.** | Ruby Mahajan | MCA, UGC-NET pursuing PhD | Theory of Computation, Data Structures, Natural Language Processing |
| **12.** | Ravi Patni | MCA, UGC-NET pursuing PhD, | Computer Networks, Computer Architecture |
| **13.** | Rahul Verma | MCA, UGC-NET | Advanced JAVA, Web Technologies, Programming in C/C++ |
| **14.** | Kashish Sharma | MCA, UGC-NET pursuing PhD | Cloud Computing Applications, Operating System |
| **15.** | Gungeet Khurana | MCA, UGC-NET | Python Programming, Web Development |
| **16.** | Arvind Sharma | M Tech, pursuing PhD | Data Structures, Programming in C++, Neural Networks |
| **17.** | Gurupdesh Singh | MTech | Software Engineering, Information Systems Security |
| **18.** | Kiranbir Kaur | MCA, UGC-NET pursuing PhD, | Cyber Security, Software Engineering |
| **19.** | Gauravbir Singh Sandhu | MCA | Machine Learning, Natural Language Processing |
| **20.** | Simranjit Singh | MCA, pursuing PhD | Computer Graphics, Python Programming, Machine Learning |
| **21.** | Money | MCA | Programming in C/C++, Database Systems |
| **22.** | Jasdeep Singh | MCA | Database Systems, Programming in C/C++ /JAVA |

# EDUCATION

## About the Department

The department was established in 2013 with an objective to produce quality teacher educators and researchers in the field of teacher education. The department offers courses leading to the following PG/UG Programmes:

1. M.Ed. (recognized by NCTE);
2. Integrated Teacher's Education Programmes viz. B.A.B.Ed. (ITEP), B.Com.B.Ed (ITEP) and B.Sc.B.Ed (ITEP) with effect from the session 2023-24 (recognized by NCTE);
3. M.A. (Education),
4. Advanced Diploma in Early Childhood Care and Education,
5. B.Ed. Special Education (MD) (recognized by RCI, New Delhi),
6. B.Sc. (Early Childhood Care and Education), and
7. Ph.D. (Education).

The department of education at Guru Nanak Dev University, Amritsar, is dedicated to providing exceptional leadership to 50 prestigious colleges of education. With a wide range of state-of-the-art facilities, including well-equipped laboratories in educational psychology, educational technology, guidance and counselling, and computer labs, the department offers a conducive learning environment. Additionally, it features a Special Education Resource Room, Science Lab, Social Science room, and Pedagogy labs, all supported by a comprehensive learning resource centre with a vast collection of books, e-books, and engaging audio-visual materials.

This dedicated department is deeply involved in crafting innovative curricula for a range of teacher education programs, while simultaneously conducting impactful professional development programs for teacher educators and school teachers. A key focus is on seamlessly integrating Information and Communication Technology (ICT) into the teaching-learning and evaluation processes to enhance educational outcomes.

Furthermore, the department houses the esteemed School of Education (SoE) as part of the PMMMNMTT scheme initiated by the Ministry of Human Resource Development in New Delhi. The primary goal of the School of Education is to organize workshops and seminars, fostering discussions on pertinent educational issues among educators from various disciplines.

The department's academic excellence is further exemplified by the completion of one major project funded by the ICSSR. The department has supervised **two** post-doctoral students sponsored by the same ICSSR. Remarkably, the department has also successfully guided 21 doctoral degrees, and currently supervises 13 regular Research Scholars and 7 part-time scholars.

## Details of Permanent Faculty:

| Sr. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1 | Dr. Amit Kauts | Professor & Head | M.A. (Geog.), M. Ed., NET (Education), Ph. D. | Educational Research, Educational Technology, Social Sciences Education |
| 2 | Dr. Deepa Sikand | Professor & Dean Faculty | M.A. (Eng), M. A. (Psychology), M. Ed., NET (Education), Ph. D., Diploma in Early Childhood Care and Education, Certificate course in NLP | Educational Psychology, Child Education, Language Education |
| 3 | Dr. Franky Rani | Assistant Professor | M.Sc. (Human Biology), M. Ed., NET (Education), Ph.D. | Educational Sociology, Science Education |
| 4 | Dr. Navdeep Kaur | Assistant Professor | M.Sc. (Chemistry), M. Ed., NET (Education), Ph. D. | Educational philosophy, Science Education |
| 5 | Dr. Gagandeep Kaur | Assistant Professor | M.A. (Eng), M. Ed., NET (Education), Ph. D. | Inclusive Education, Language Education |

## ELECTRONICS TECHNOLOGY

### About the Department

The Department of Electronics Technology was started in July 1983 with a vision to impart quality knowledge in the field of core Electronics as well as different facets of communication such as Microwave, Optical, Wireless, Data Communication, Digital Signal Processing and Image Processing so as to nurture the excellence in the students and enhance their capability to meet the ever growing challenges in the field of electronics and communication engineering applications in Electronics, VLSI and Molecular Electronics etc.

The department has established itself as nodal centre for contemporary research in the area of Optical Communication, Microwave Materials, Wireless and Data Communication, Nanomaterial. The department boasts of well-developed research facilities for research in the field of optical communication. The department is contributing towards research in the field of fiber non-linearity control methods, gain flatness of optical fiber amplifiers, development of novel methods for optical switching and optical coupling. The current research is towards implementation of underwater optical communication and in visible light spectrum for applications such as secured military communication and radiation free communication in hospitals. Microwave ferrites and dielectric ceramics find applications in practical systems like radars, microwave absorbers, wireless communication systems, mobile base stations, satellite uplinks & broadcasting systems. Radar absorbing paints made from ferrites can be used to coat military aircraft for stealth operation. The department has state of the art facility to fabricate and characterize these materials especially at microwave frequencies in GHz range for such applications. The Carbon based molecular electronic components are being considered as alternative to conventional Silicon based electronic components. Atomistic modelling has been at the forefront of computational investigation of nanomaterials and has revealed a wealth of information on structure and properties of individual structural elements such as Nanowires, Nano films, Nano ribbons using Graphene, Fullerene, Carbon Nano Tube, Organic and Inorganic molecules as well as the characteristics of the interfacial regions and modification of the material properties at the nanoscale. The department feels proud to possess a dynamic and energetic faculty having a recognized research experience in their niche areas.

**Details of Permanent Faculty:**

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Sukhleen Bindra | Honorary Professor | Ph.D | Microwave Materials, Ferrites and Dielectric Ceramics |
| 2. | Dr. Maninder Lal Singh | Professor | B.Tech. (Electronics Engineering), M.Tech. (Communication Systems), Ph.D | Fiber Optic Communications |
| 3. | Dr. Ravinder Singh Sawhney | Professor | B.Tech. (Electronics Engineering), M.Tech. (Information Technology), MBA (Marketing Management), Ph.D | Molecular Electronics, Data Analytics |
| 4. | Dr. Shalini Bahel | Professor | B.E. (Electronics), M.Tech. (Digital Communication), Ph.D | Microwave Materials, Dielectric Ceramics, Digital and Microwave Communication |
| 5. | Er. Dhanjit Singh | Assistant Professor | B.Tech. (Electronics & Communication) | Electrical and Electronics Communication |
| 6. | Dr. Ravinder Kumar | Associate Professor & Head | B.Tech. (ECE), M.Tech. (ECE), Ph.D | Nano-Scale Electronics Devices |
| 7. | Dr. Hardeep Kaur | Assistant Professor | B.Tech. (ECE), M.Tech. (ECE), Ph.D | Wireless Communications, Machine Learning |

| S. No. | Name | Designation | Qualification | Specialization |

| 16. | Dr. Rajdeep Singh Sohal | Assistant Professor | B.Tech. (ECE), M.Tech. (Communication Systems), Ph.D | Wireless Communication |
| 17. | Dr. Rajandeep Singh | Assistant Professor | B.Tech. (ECE), M.Tech. (Communication Systems), Ph.D | Optical Communication |

## ENGLISH

### About the Department

The Department of English has been offering Postcolonial Literature, Diaspora Literature, Indian Literature in English as well as in translation, British and American Literature, Semiotics, Literary and Cultural Theory, Systemic Functional Linguistics and Comparative Literature as core areas of research. A significant number of books, and research articles in various National and International journals of repute like Ariel, Walt Whitman Review, Mark Twain Journal, Indian Journal of American Studies, have been published by the faculty and research scholars. The Department brings out its own research journal Punjab Journal of English Studies. Besides, two other journals – Subramaniam Bharati Journal of *Comparative Literature* and *Odyssey: International Journal of Literature and Philosophy* – were initiated by the members of the faculty. Eminent writers like Mulk Raj Anand, KekiDaruwalla, Nirmal Verma, Shauna Singh Baldwin, and scholars like Christian Matthiessen, Rupen Desai, Alok Bhalla, Malashri Lal, Urvashi Butalia, and Kamla Bhasin have been among our invited speakers. The Department has also been organizing workshops and conferences in collaboration with institutions like British Council, Katha, Central Institute of Indian Languages etc. International Conferences in 2007 and 2016, and National Conferences in 1988, 1996, 1997, 2005, 2007, 2010 and 2016 have been

organized by the Department for furthering the cause of research in the subject. About 52 students have completed their Ph. D and more than 341 students have obtained their M. Phil Degrees from the Department. The Post Graduate students are prepared for advanced language skills, critical understanding and analytical skills, including comprehension and interpretation of literary and cultural texts. For attaining these ends, the programme includes representative literary works, critical concepts and theories, structure of the English language and General Linguistics. The programme intends to produce free-thinking individuals sensitive to the aesthetic, political and social issues of their times so that they may contribute to their societies in meaningful ways.

# FOOD SCIENCE & TECHNOLOGY

## About the Department

The Department of Food Science and Technology was established in 1994 with the objective of generating highly skilled manpower to meet the requirements of food processing industry. The M.Sc. (Food Technology) program was started in 1993 and after its success was followed by B.Tech. (Food Technology) program in 1995 & M.Sc. (Food Technology) (Five Year Integrated Programme) program in 2023. The curriculum of M.Sc. (Food Technology) (Five Years Integrated Programme) is designed in such a way that the students are trained with fundamentals of different branches of Food Technology during the first three/four years, which serves as a spring board either to complete the five-year integrated programme or even to get admission in other Programmes in India or abroad. The department also offers research guidance leading to Ph.D. degree. The department is well equipped with sophisticated instruments to carry out advance research in Food Science. Faculty members are providing consultancy & analytical services to Food Industry and Government welfare programs. The department has close association with well known MNC's like Nestle India Ltd., Pepsi Foods (P) Ltd., Glaxo Smith kline Beechem Consumer Healthcare Ltd., Cadbury's India Ltd., Joyco, Heinz, etc. Several students after completing degree from the department have got admissions in M.S Degree programs and Fellowships in internationally reputed institutions.

# FOREIGN LANGUAGES

### About the Department

Undoubtedly, the knowledge of foreign languages is becoming more and more important in the global world of ours, when the physical distances are becoming irrelevant and the people belonging to diverse linguistic, socio-cultural, ethnic, religious backgrounds often come in contact with each other owing to a multiplicity of reasons. Subsequently, the department has been playing a leading role in meeting the urgent demands of the society by imparting linguistic skills of Chinese, French, German & Russian ever since its inception nearly four decades ago. The department made a humble beginning with the introduction of then hugely popular Russian. Since then the department has been progressing by leaps and bounds and at present is offering Chinese, French and German besides Russian as Part-Time courses, namely, Certificate, Diploma & Advanced Diploma levels in addition to one year Diploma Course in French (Full-Time).Ever growing number of applicants for its courses in various foreign languages speak volumes about the contribution of the department to the society. Approximately 200 students pertaining to various departments of the university as well people from other walks of life like, professionals, lawyers, doctors, engineers etcenrol themselves every year in our department. Taking into account the requirements of the students, there months Short Term Courses are also

being offered of late. The department also conducts need based capsule courses with the prior approval of the competent authorities. Facilities for research are also available in Russian. Emphasis is on imparting and strengthening the basic communication skills of the students in the chosen foreign language. French & German courses are designed such a way, so that the pass outs can successfully compete for various proficiency levels exam, conducted by Alliance Francaise & Goethe-Insitute.

## GURU RAMDAS SCHOOL OF PLANNING

### About the Department

Guru Ramdas School of Planning was established in 1972 to impart education and training at Post Graduate level in the field of City and Regional Planning. Initially, the School started two years Master's Degree in City and Regional Planning (MCRP) and continued it till 1992. Later, the School started a specialized programme titled Master of Technology (Urban Planning). The school has introduced NEP compliant viz. Five Years Integrated Programme i.e. M. Tech. in which a student can take an exit after 4 years and will be awarded B. Tech. (Urban and Regional Planning) degree. The other Post Graduate levels programmes are M. Tech. (Urban Planning), M. Tech. (Infrastructure Planning) & M. Tech. (Transport Planning), each one being of 2 years (4 semesters) duration. The school has emerged as one of the pioneer professional institutions in the country for education and training in the

field of Urban, Regional and Infrastructure Planning. The school so far has trained more than 1200 town planners at Masters and Bachelor levels. The graduates of the school are serving in different capacities in various government and private town planning and allied organizations at National and State level in India and abroad. The Alumni of the School have served as Chief Town Planners of Jammu & Kashmir, Himachal Pradesh, Haryana, Punjab, Rajasthan, and Arunachal Pradesh. Many graduates are leading other reputed public and private sector institutions throughout the country.

**Infrastructure of the Department**

The school has well equipped labs for undertaking hands on training on different software's such as Auto-CAD and GIS. The Survey Lab is well equipped with all instruments for training purposes.

**Major Equipments in the Department**

Surveying instruments including chains, tapes, compasses, poles, tripods, mounts, dumpy level, Eidograph, Total Station and Global Positioning System (GPS), Sonic Meter, Water Level Sensor, Air Quality Pollution Meter Detector, Arc-GIS, Computers, Printers and LCD Projectors.

# HOTEL MANAGEMENT & TOURISM

**About the Department.**

The Department of Hotel Management and Tourism in the university is an inimitable academic department that emphases on developing of the skills and knowledge of students who are interested in pursuing careers in the hospitality and tourism industry. This field prepares students for a range of professional roles in the hospitality sector, including management, operations, marketing, and customer service. The department typically offers undergraduate, diploma and certificate programs that are designed to offer students with a comprehensive understanding of the hospitality industry, including its history, culture, business practices, and trends.

The curriculum typically includes subjects such as hotel operations, food and beverage management, tourism and travel, entrepreneurship, air travel, foreign language- french, hospitality law, and hospitality marketing.

In addition to classroom instruction, many programs offered by this department deliver students with hands-on learning opportunities through internships, field trips, and other practical activities. This permits students to gain real-world experience and develop the talents and competencies needed to succeed in the industry.

Further, the Department of Hotel Management and Tourism often hosts events and workshops that allow students to network with industry professionals and stay up-to-date with the latest trends and developments in the field. In addition to an excellent academic program, the department plays an imperative part in research and development. Faculty members and students engage in research projects and collaborate with industry professionals to identify new trends and innovations in the hospitality and tourism sectors. This department also conduct research on diverse aspects of the hospitality industry, such as consumer behavior, tourism economics, sustainable tourism practices, slow food, and food anthropology.

Overall, this outstanding department of the university is a significant and valuable section that prepares students for successful careers in this incredible industry. It focuses on both theory and practical experience, as well as its commitment to research and industry partnerships, and ensures that students are well-equipped to meet the challenges and opportunities of this dynamic and captivating field.

## HUMAN GENETICS

### About the Department

The Department of Human Genetics was established in 1990 for dedicated research and education in the field of Human Genetics and to provide genetic services to the society. The department has the biphasic vision to nurture and mentor student-learning outcomes, and to carry out research on genetic diseases and disorders in terms of diagnostics, counselling, management, prognostics and therapeutics. The department has the mission to facilitate, develop and foster excellence in human genetics research and education, as well as promote human genetics and the understanding of human diseases. The department admits students to M.Sc. (FYIP), M.Sc. and Ph.D. programmes.

The research interests are in molecular genetics, cytogenetics, medical genetics, population and quantitative genetics and immunogenetics, related to in depth genetics characterization and delineation of the basic mechanisms of genetic abnormalities that can eventually assist in better disease management. The Department has received grants from various national and

international R&D agencies such as UGC, DST, DBT, CSIR, PSCST, ICMR and is a DST-FIST and UGC-SAP recognized department. The department has published about 650 research papers along with several books/book chapters in international and national journals/books. Moreover, the department has also produced over 64 Ph.Ds. The students of the department have been absorbed in premier research institutes with placement in different diagnostic centers, laboratories, hospitals and in teaching institutions, both in India and abroad.

## MASS COMMUNICATION

### About the Department

The Department of Mass Communication, established in 2019 at the GNDU main campus, is a relatively young department. Since its inception, the department has provided both theoretical and practical knowledge concerning advances in the media field. It has aimed to instill attributes of analytical thinking and community leadership through a curriculum that emphasizes practical knowledge. The department offers a Five-Year Integrated Program comprising undergraduate

and postgraduate courses: B.A. (Hons.) Journalism & Mass Communication and M.A. Journalism & Mass Communication (two-year program).

The Department inaugurated the 2023-2024 session with its event "Shaurya," which featured a Declamation, Singing, and Poster-Making Contest on August 11, 2023, in celebration of Independence Day. Jasmine Kaur from the third year of BAJMC secured the first position in the Declamation Competition, Drishty Sharma took second place, and Sara from the first year of BAJMC secured the third position. In the Singing Competition, Agam from the first year of MAJMC won the top spot, Drishty Sharma from the third year of BAJMC secured the second position, and Sonia Monga from the third year of BAJMC took third place. The Poster-Making Competition, held under the theme 'Freedom,' added a patriotic dimension to the event.

On May 30, 2023, Lovepreet Singh and Rupakshi Sharma from the department were placed as Anchors/Producers at PTC News Chandigarh, a leading regional news channel. This drive included 12 students who were interviewed by the news channel's Editor and HR, resulting in remarkable success for the Mass Communication students, bringing pride to the entire department.

From October 9 to 14, 2023, the department organized a five-day workshop on multi-camera production at the Film and Television Institute of India (FTII) in Pune, with 19 students participating. This trip offered students the opportunity to interact with industry experts, attend workshops, and tour state-of-the-art facilities, providing invaluable insights into filmmaking and television production.

An RJ Hunt was organized on February 9, 2024, within the Department to discover young talent in Radio Jockeying. Dr. Sunaina from the Department of French served as the chief guest and adjudicator. Tanisha from the third semester of the Bachelor's program won first prize, and Pravesh from the first semester of the Master's program was the runner-up.

On February 19, 2024, Amandeep Group of Hospitals conducted a placement drive at the Department, providing aspiring media professionals with opportunities in healthcare communication. In collaboration with the Department of Mass Communication, Dr. Gurbir Singh from Amandeep Hospital organized a 'First Aid Training Camp' to educate students and staff on essential first aid topics such as recovery positions, choking, bleeding, and CPR.

On February 28, 2024, Sunny Rajput and Jasmine Kaur, Bachelor's Degree students, won first prize in a Debate Competition organized at the Apeejay Institute of Management and Engineering Technical Campus in Jalandhar.

On March 7, 2024, 37 students from the department visited the Punjab Vidhan Sabha in Chandigarh, where they attended a legislative session, providing them with insights into the workings of the state assembly and the legislative process. This was followed by a trip to Chandigarh exploration as well.

A Debate Competition, in partnership with the media organization "Truescoop," was organized on April 15, 2024, in the department's foyer. Chief guests included Ms. Khyati Kohli, Managing Director of Truescoop, and Dr. Ujjaljeet, Assistant Professor in the Department of English, who also adjudicated the competition. Winners included Pravesh Kumar (MAJMC 1st year) and Sunny Rajput (BAJMC 2nd year) securing first place, Jasmine Kaur and Drishty Sharma (both BAJMC 3rd year) taking second place, and Tanisha Kohli and Danish Gupta (both BAJMC 2nd year) winning third place.

Jasmine Kaur, a third-year BAJMC student, brought laurels to the department by being selected as the Ambassador from Guru Nanak Dev University for a three-month "Youth Ambassador Program" initiated by Truescoop in collaboration with Google, running from March 1 to May 31, 2024. She also represented Punjab at the National Environment Youth Parliament held in Nagpur on February 10-11, 2024, and Guru Nanak Dev University at the National Environment Youth Conclave at the Indian Institute of Forest Management in Bhopal on June 1-2, 2023.

The department won first prize in the "Short Film Making Competition" at the University's in-house Inter-Department Youth Festival "Jashan 2024." Sunny Rajput, a second-year BAJMC student, secured third prize in the Poetical Symposium competition. Additionally, students from the department participated in 'Amiphoria 2024,' a fest organized by Amity University Chandigarh on March 21, 2024, highlighting their active involvement in various inter-collegiate events and competitions.

**Details of Permanent Faculty**

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Deepika Saraf | Assistant Professor | Ph.D. | Communication Studies |
| 2. | Dr. Palwinder Singh | Assistant Professor | Ph.D. | Audio and Video Production, Health Communication |
| 3. | Dr. Sana Absar | Assistant Professor | Ph.D | Political Communication, Journalism, Communication Research |

**Details of Contractual Teachers for academic year 2023-24 (Till May2024)**

| S. No. | Name of Teacher | Date of Birth | Date of Joining | Qualification |
|---|---|---|---|---|
| 1. | Ms. Amanjyoti Kaur | 18-12-1989 | July, 2023 | MJMC |
| 2. | Ms. Gurinder Kaur | 26-10-1989 | July, 2023 | MA in Media Studies |
| 3. | Ms. Nirva Safria | 17-01-1996 | July, 2023 | MJMC |
| 4. | Ms. Dheerika Sharma | 26-07-1994 | July, 2023 | MJMC |

# MATHEMATICS

## About the Department

The Department of Mathematics, established in 1969, has a team of seven faculty members with expertise in diverse areas of Mathematics/ Statistics. The department is running two courses namely, M.Sc. (FYIP) (under NEP 2020) with multiple exits & M.Sc. Mathematics (Two year Program). It also offers Ph.D. Program in Mathematics in the different areas, namely, Multiple Comparisons, procedures, Survey Sampling Theory, Wavelet Analysis and Applications to Industry and Finance, Hydrodynamics, Analysis, Topology, Algebraic Number Theory, Analytic Number Theory, Non-Commutative Ring Theory, Cryptography, Numerical Analysis, Number Theory.

Besides this, the department is also looking after the Mathematics/ Statistics components of course curriculum in the other departments of University. The department has been regularly organizing National and International Conferences, refresher courses in Mathematical Sciences and lectures by eminent researchers from different parts of the globe. The faculty members have visited various countries such as USA, Germany, Switzerland, Hungry, China, United Kingdom, South Korea etc. for academic exposure.

## Details of Permanent Faculty

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| **1.** | Parminder Singh | Professor | Ph.D. | Multiple Comparison |
| **2.** | Lovleen Kumar Grover | Associate Professor | Ph.D. | Sampling Theory |
| **3.** | Jitender Singh | Associate Professor | Ph.D. | Hydrodynamics/Topology |
| **4.** | Jatinder Kumar | Assistant Professor | Ph.D. | Wavelets & its Applications |
| **5.** | Harpreet Kaur | Assistant Professor | Ph.D. | Algebra |
| **6.** | Amit Paul | Assistant Professor | Ph.D. | Cryptography (Cryptographic Boolean functions and their generalizations), Abstract Algebra |
| **7.** | Himani Arora | Assistant Professor | Ph.D. | Numerical Analysis |
| **8.** | Rachna | Assistant Professor | Ph.D. | Number Theory |

## Details of Contractual and Part Time Teacher academic session 2023-24.

| S. No. | Name of Teacher | Date of Birth | Date of Joining | Qualification |
|---|---|---|---|---|
| 1. | Ramandeep Kaur | 09-03-1982 | 21-07-2015 | Ph.D. |
| 2. | Ajay Kumar | 01-12-1985 | 30-09-2020 | Ph.D. |
| 3. | Amanpreet Kaur | 25-07-1981 | 28-09-2021 | Ph.D. |
| 4. | Pooja | 22-03-1989 | 26-07-2023 | Ph.D. |
| 5. | Pallavi Bedi | 20-02-1993 | 27-07-2023 | Ph.D. |
| 6. | Anchal | 08-06-1992 | 26-07-2023 | Ph.D. |
| 7. | Arshdeep Singh | 16-08-1994 | 01-08-2022 | M.Sc. Mathematics |

# MECHANICAL ENGINEERING

## About the Department

Department of Mechanical Engineering is presently offering two courses: B. Tech. Mechanical Engineering- 4year Duration and M.Tech. Dual Degree Programme (Mechatronics Engineering) – 5 year Duration. The Department is working actively in the research area related to Electricity generation from waste biomaterials (Egg, Garlic, Onion, Almonds), Robotics, Machine Learning Techniques, Nano coatings, Nano rods and Nanowires, Piezoelectric Materials, Electrical Discharge Machining, Thermal Spray Coatings, Techniques of life enhancement of boiler tubes of Thermal Power Plants, Waste-to-Energy Plants, Waste Incinerators. Research projects have been completed by the faculty of the Department, sponsored by UGC and Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Govt. of India.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Harminder Singh | Associate Professor | Ph.D. | Mechanical Engineering |

|---|---|---|---|
| 1. | Dr.Harjit Singh | 23.03.1979 | 17.07.2023 |
| 2. | Dr. Surendra Singh Yadav | 18.08.1992 | 17.07.2023 |
| 3. | Er. Himanshu Khanna | 22.01.1989 | 17.07.2023 |
| 4. | Er. Pahulpreet Singh | 30.05.1993 | 21.09.2023 |
| 5. | Er. Gurvishal Singh | 04.12.1986 | 18.04.2023 |
| 6. | Er. Satnam Singh | 03.07.1987 | 18.04.2023 |
| 7. | Dr. Manmeet Singh | 04.09.1989 | 18.04.2023 |

# MICROBIOLOGY

## About the Department

The department of Microbiology was established in 1990, after School of Life Science reorganized into different departments. The department is offering M.Sc. Microbiology FYIP (5 years), M.Sc Microbiology (2 years) and Ph.D. programs. The teaching programs of the department lay stress on both the basic and applied aspects of Microbiology. The curriculum of the courses includes extensive practical work, project work/ industrial training/visits to related industries/ premier research institutes of the country. The faculty members of the department are actively engaged in the research work related to their respective core areas and have fetched independent grants from DBT, CSIR UGC, NAIP (World Bank) and other funding agencies. The department is DST-FIST and UGC-DRS recognized department. The students from the department have been finding employment in the industry, teaching and research institutes. The PhD students are occupying good positions in teaching and research in India and abroad including, USA, Europe and Australia.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Bhupinder Singh Chadha (Extension) | Professor | Ph.D. | Industrial Microbiology |
| 2. | Dr. Harvinder Singh Saini | Professor | Ph.D. | Environmental Microbiology |
| 3. | Dr. Rajesh Kumari | Associate Professor | Ph.D. | Actinobacterial Biotechnology |
| 4. | Dr. Amarjeet Kaur | Associate Professor | Ph.D. | Applied Microbiology |
| 5. | Dr. Sukhraj Kaur | Associate Professor | Ph.D. | Medical Microbiology |

## Details of Contractual and Part Time Teacher academic year 2023-24.

| 1. | Dr.Jyoti Bhagat | 05/02/1983 | 18/07/2023 | Ph.D. |
| 2. | Ms. Henna Sood | 12/01/1990 | 18/07/2023 | Ph.D. |
| 3. | Dr. Talwinder Kaur | 07/12/1983 | 18/07/2023 | Ph.D. |

# MOLECULAR BIOLOGY & BIOCHEMISTRY

## About the Department

The School of Life Sciences was carved out of the Department of Biology in 1988 with five major disciplines: Botanical Sciences, Human Biology and Human Genetics, Microbiology, Molecular Biology and Biochemistry, and Zoological Sciences. Subsequently, in 1990, these five major disciplines were separated as independent Departments. This Department takes up fundamental and applied aspects of Molecular Biology and Biochemistry in its teaching and research programs. It admits students to the various programs leading to the awards of B.Sc., M.Sc. and Ph.D. degrees. The current number of seats is 40 in B.Sc. Medical Lab Technology, 54 in M.Sc. Molecular Biology and Biochemistry, 12 in M.Sc. Biochemistry (Specialization in Sports Biochemistry) and the number of students admitted in Ph.D. varies from year to year. Admissions are made on the basis of the entrance test. The students are continuously evaluated based on their performances under a credit-based evaluation and grading system.

The thrust areas of the Department are Protein Biochemistry, Structural Biology, Malarial Research, Reproductive Biology, Cancer Biology and Molecular Biology of infectious diseases. The faculty in the department is well trained with experience in foreign laboratories and the department has a good infrastructure.

## Details of Permanent Faculty

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Harish Changotra | Associate Professor | Ph.D. | Molecular Biology |
| 2. | Dr. Gagandeep Kaur Gahlay | Associate Professor | Ph.D. | Molecular Biology |
| 3. | Dr. Rachna Hora | Assistant Professor | Ph.D. | Protein Biochemistry and Malaria Biology |
| 4. | Dr. Suresh Singh Yadav | Assistant Professor | Ph.D. | Biotechnology |

# MUSIC

## About the Department

The department was established in the year 1992.The department is offering Master Level as well as Ph.D. Level courses. Currently the department is running M.P.A. Music (Vocal), M.P.A. Music (Instrumental) and Ph.D. Programmes. The Department of Music is working with the aim and objective to train the students in different fields of Music: Hindustani Classical Music, Light Music, Folk Music, and Devotional Music for direction, composition, performance, teaching other allied fields of modern period which is the basic need of today for job-oriented opportunities. The department has produced many National and International Level artists.

## Learning Outputs/Career Scope/Opportunities:

- Interdisciplinary Research towards Music
- Teaching
- Academic Research
- Accompaniment
- Authorship
- Music Direction
- Music Arrangement
- Music Composer

Performance in different fields as Classical Music, Devotional Music, Sufi Music and Folk Music Participation in different competitive reality shows on different T.V. channels like Saregama Pa on Zee, Indian Idol on Sony, *Gaavoh-Sachi-Bani* on PTC, Awaaz Punjab Di on MG1, Sur-Sartaaj and Sur-Samrat on DD Punjabi, Suran De Waris on Z-ETC Punjabi and Rising Star on Colours Music Therapist.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Prof. Gurpreet Kaur | Professor | Ph.D | Music (Instrumental) |
| 2. | Dr. Tejinder Gulati | Asst. Professor | Ph.D | Music (Vocal) |
| 3. | Dr. Rajesh Sharma | Asst. Professor | Ph.D | Music (Vocal) |

## Details of Contractual and Part Time Teacher Academic Year 2023-24.

| S.No | Name of Teacher | Date of Birth | Date of Joining | Qualification |
|---|---|---|---|---|
| 1 | Dr. Gaveesh (Contract basis) | 12.10.1982 | 03.8.2023 | Ph.D. |
| 2 | Dr. Prianka Arora (Lecture basis) | 07.10.1986 | 23.8.2023 | Ph.D |
| 3 | Sh. Siddhartha Chatterjee (Lecture basis) | 16.4.1981 | 31.8.2023 | M.A |
| 4 | Dr. Ramandeep Kaur (Lecture basis) | 02.11.1990 | 24.8.2023 | Ph.D |
| 5 | Dr. Harmeet Singh (Lecture basis) | 28.02.1990 | 23.8.2023 | Ph.D |

## MYAS-GNDU Department of Sports Sciences & Medicine

### About the Department

MYAS-GNDU Department of Sports Sciences & Medicine has been established in December 2017 and is the only department of sports sciences & medicine in any state university in India. This is the only department in India, which offers Ph.D. program in sports medicine and sports physiotherapy. It has one of the most comprehensive research laboratories in the fields of neurophysiology, motion analysis, human performance, sports psychology, exercise physiotherapy, kinanthropometry, exercise physiology, isotonic and VO2 calculation. On the teaching aspect, this department was the first to introduce Masters in Sports Physiotherapy [newly changed course name as Masters' in Physiotherapy (Sports Physiotherapy)] in South-Central Asia. This department has been established in collaboration with MYAS in order to generate human resource specialized in the field of sports sciences. The department is successfully running professional master's degree programme in health care administration. The department is also running dedicated programmes in sports sciences including sports psychology, sports physiology, sports biomechanics and sports physiotherapy. The students will receive on field training and attachments to teams. The department is successfully running clinics for each field for counselling and treatment.

### Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Prof. Shweta Shenoy | Professor | Ph.D. | Neurocognition, Application of physical activity in life style disorders, electromyography |
| 2. | Dr. Amrinder Singh | Associate Professor | Ph.D. | Sports Rehabilitation & Sports Biomechanics |
| 3. | Dr. Sarika | Assistant Professor | Ph.D. | Sports Physiotherapy & Exercise Physiology |
| 4. | Dr. Sonia Kapur | Assistant Professor | Ph.D. | Clinical & Sports Psychology |
| 5. | Dr. Anilendu Pramanik | Assistant Professor | Ph.D. | Exercise Physiology, biomechanics and ergonomics |
| 6. | Dr. Seep Sonali | Assistant Professor | B.D.S., MHA | Hospital Administration, Hospital Management, Six sigma, Lean Healthcare, Quality Management |
| 7. | Mr. Srinivasa Rao Pachava | Assistant Professor | M.S.P.T. | Sports Physiotherapy |

**Details of Contractual and Part Time Teacher Academic Year 2023-24.**

| 1 | Dr. Shelly Kapoor | 05-08-1979 | 03-08-2023 | Ph.D |
| 2 | Dr. Namrata Sharma | 02-01-1994 | 28-09-2023 | Ph.D |

## PHARMACEUTICAL SCIENCE

### About the Department

The Department of Pharmaceutical Sciences was established in 1995 at Guru Nanak Dev University, Amritsar with a clear vision to produce trained professionals to meet the ever-growing demand in the Pharmaceutical Industry and Academia. The Department is recognized by Pharmacy Council of India (PCI), New Delhi. The department is has qualified faculty and is presently offering Bachelor of Pharmacy and Masters of Pharmacy courses in Pharmaceutics, Pharmaceutical chemistry, Pharmacology, Pharmacognosy and Ph.D. in Pharmaceutical Sciences. The department is well equipped with state of the art laboratories in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology and Pharmacognosy sections. The infrastructure available makes the department conducive for students with quality education in a clean and comfortable environment. In last few years, more than 450 research papers have been published and presented at various national and international conference chairs. The Department is striving towards becoming a center of excellence in Pharmaceutical education and research. The department has research collaborations with the various national and international institutes. Department has received research funding from various scientific agencies including CSIR, DST, UGC and AICTE. The department has excellent placement record with students holding jobs in government sector, academics as well as in industry.

### Details of Permanent Faculty

## PHYSICAL EDUCATION

### About the Department

The Department of Physical Education (Teaching) was established in 1980 with the sole aim to provide excellent opportunities and capabilities to the sports persons having outstanding carrier and to produce good Physical Education Teachers. The department is running four courses i.e. B.P.E.S.-3 Yr. (UG), B.P.Ed.-2 Yr. (UG), M.P.Ed.-2 Yr. (PG) & PG Diploma in Yoga. The admission to the courses is based on Physical Fitness Test (Qualifying), merit of entrance test (written) & sports achievements. The students of the department participate in various Inter-University, National and International Sports Competitions. Our students contribute significantly to the sports performance of the Guru Nanak Dev University.

### Details of Permanent Faculty

## PHYSICS

### About The Department

The Department of Physics was established in 1972. The teaching programme of the department started at the level of B.Sc. (Honors School) in 1979 and M.Sc. (Honors School), M.Sc. (Physics), M.Phil and Ph.D. programs. New equipment are being continuously added in the laboratories, and sustained efforts are being made by the faculty members to improve the infrastructure by generating more funds for research through various national and international organizations. The department has its own library with a good collection of books with multiple copies of text books, reference books etc. A large collection of physics books is also available in the central library of the university. The department has its own computer laboratory for students/research students in addition to the cluster computer laboratory. Experimental and theoretical physics research facilities leading to Ph.D. degree have

been established in the thrust areas of Radiation Physics, Environmental Radioactivity, Glass Science, Materials Physics & Nanotechnology, Plasma Physics, Theoretical Nuclear Physics, Quantum Optics, Atomic Physics and Quantum Computation. The faculty members are having research collaborations with national and international institutes. The scientists of international repute are invited to deliver special lectures in diverse fields to students and faculty members. The faculty of the department have been sanctioned several research projects by various national and international funding agencies such as BRNS, IUAC, DST, CSIR, UGC and UGC-DAE-CSR. The department has received grants under Special Assistance (SAP) program of UGC and support from DST under the FIST program.

### Faculty Profile

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Atul Khanna | Professor & Head | Ph.D. | *Materials Physics: Oxide Glasses, Thin Films & Superionic Materials* |
| 2. | Kanwarjit Singh | Professor | Ph.D. | *Materials Science* |
| 3. | Aman Mahajan | Professor | Ph.D. | *Condensed Matter Physics* |
| 4. | Anupinder Singh | Associate Professor | Ph.D. | *Synthesis and Characterization of Ceramics Oxides* |
| 5. | Bindiya Arora | Assistant Professor | Ph.D. | *Atomic Physics* |
| 6. | Sukhdeep Kaur | Assistant Professor | Ph.D. | *Laser Plasma Interaction, Nonlinear Optics & Surface Plasmons* |
| 7. | Harjeet Kaur | Assistant Professor | Ph.D. | *Theoretical Nuclear Physics* |
| 8. | Paramjit Kaur | Assistant Professor | Ph.D. | *Theoretical Quantum Optics* |
| 9. | Mandeep Singh | Assistant Professor | Ph.D. | *Experimental Condensed Matter Physics* |
| 10. | Neeraj Bansal | Assistant Professor | Ph.D. | *Experimental Nuclear Physics* |
| 11. | Harpreet Singh | Assistant Professor | Ph.D. | *Quantum Sensing* |
| 12. | Ravi Chand Singh | Honorary Professor | Ph.D. | *Materials Science* |

## PHYSIOTHERAPY

### About the Department

The Department of Physiotherapy is renamed from its earlier name “Sports Medicine & Physiotherapy” which was established in 1995. Being a student of Bachelor of Physiotherapy one can assess, evaluate and diagnose various Physiotherapy related conditions. After completion of BPT, the students can practice independently or opt higher education in India and abroad. MPT (Ortho) specialization deals with the physiotherapy services in various orthopaedic conditions which is in great service for the people of all strata of the society.

### Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Satwinderjeet Kaur | Professor & Head | Ph.D. | Plant Science, Cancer, Chemoprevention |
| 2. | Dr. Maman Paul | Assistant Professor | Ph.D. | Sports Physiotherapy, Rehabilitation, Sports Psychology |
| 3. | Ms. Manpreet Bir Kaur | Assistant Professor | M.P.T (Sports) | Sports Physiotherapy |
| 4. | Ms. Sharnpreet Kaur | Assistant Professor | M.P.T (Sports) | Exercise Physiology, Rehabilitation |

### Details of Contractual and Part Time Teacher Academic Year 2023-24.

| S.No | Name of Teacher | Qualification |
|---|---|---|
| 1. | Dr. Poonam Chaturwadi | Ph. D |
| 2. | Mrs. Vanya Seth | Masters in Physiotherapy (Orthopedics) |
| 3. | Ms. Gurleen Kaur | Masters in Physiotherapy (Orthopedics) |
| 4. | Dr. Ramandeep Kaur | Masters in Physiotherapy (Sports) |
| 5. | Dr. Ramneek Kaur | Bachelor of Dental Surgery (BDS) |
| 6. | Dr. Gursimranjit Singh | MBBS |
| 7. | Dr. Shagun Chopra | MBBS |
| 8. | Dr. Supriya Bhardwaj | M.Sc. Molecular Biology & Biochemistry |
| 9. | Ms. Mandeep Kaur | Masters in Psychology |
| 10. | Ms. Kuljit Kaur | M. Sc Botany |
| 11. | Mrs. Simran Kaur | Masters in Sports Psychology |

## POLITICAL SCIENCE

### About the Department

The Department of Political Science was established in 1972 for dedicated research in (a) Indian Political System (b) State Politics with special reference to Punjab (c) International Politics with special emphasis upon South Asia, South West Asia and the problems of the Third World. The Department has a programme of teaching and research guidance, leading to the award of M.A. (Political Science) M.A. (Public Policy and Governance) and Ph.D. degrees and students preparing for UGC and Civil services. There are fifteen (15) researchers, working under the supervision of different faculty members, for their Ph.D. theses. The Department has received grants from various national agencies such as UGC, ICSSR, and Election Commission of India. The department has published research papers along with several books/book Chapters in international and national journals/books. Moreover, the department has

also produced about 54 Ph.Ds. The students of the department have been absorbed in teaching institutions, civil services and public as well as private sector both in India and abroad.

**Details of Permanent Faculty**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Satnam Singh Deol | Associate Professor | Ph.D | Punjab Politics, Human Rights |

## PSYCHOLOGY

**About the Department**

The teaching program of the department lays emphasis on fundamental and applied aspects of Psychology such as Experimental, Cognition, Motivation, Developmental Psychology, Industrial/ Organizational Psychology, Counselling & Clinical Psychology, Statistics and Research Methods in Psychology, Physiology of Behaviour, Psychometrics, Health Psychology, Social Psychology and Positive Psychology. The department has well equipped laboratories for Experiments in Psychology. The Lab has been enriched with *Biofeedback*, *CogLab*, *Psychological Tools* and *Projective tests* as well. The department runs one diploma course Advanced Diploma in Guidance and Counselling in addition to Master of Arts in Psychology course. The department organizes many activities such as workshops on Mental Health, Research Methodology, Awareness Camps related to importance of psychology day to day life, Drug Abuse etc.

**Details of Permanent Faculty**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr.Rupan Dhillon | Associate Professor | Ph.D. | Counselling Psychology, Research Methodology, Adolescent Psychology, Psychometrics |
| 2. | Dr.Balbinder Singh | Assistant Professor | Ph.D. | Statistics in Psychology, Disaster Management, Climate change and Psychology, Life Skill Education, Organizational Psychology |

**Details of Contractual and Part Time Teachers Academic Year 2023-24.**

| Name of Teacher | Date of Joining | Qualification |
|---|---|---|
| Dr. Deepti Randhawa | 07-08-23 | Ph.D. |
| Dr. Mehak Arora | 27-10-23 | Ph.D. |

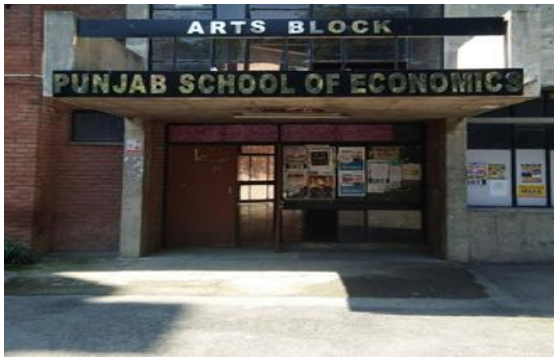

**Ph. D. Degrees Awarded**

**Name of the Candidate, Faculty Name, Title of the Ph D Thesis**

| Name of the Candidate | Faculty Name | Title of the Ph. D. Thesis |
|---|---|---|
| Pratibha Khutan | Dr. Suninder Tung Professor (Retd.) | *Role of Personality, Attachment to Parents and Peers, Body Acceptance by Others and Emotional Regulation in explainin Body Image Attitudes among Adolescents* |
| Meenakshi Sharma | Dr. Davinder Singh Associate Professor (Retd.) | *Suicide Ideation in Relation to Depression, Hopelessness, Life Satisfaction and Reasons for Living among Adolescents* |
| Ritu Mehta | Dr. Davinder Singh, Associate Professor (Retd.) | *Behavioral Problems in Relation to Family, School, Classroom Environment and Peer Pressure among Adolescents* |
| Deepti Jain | Dr. Davinder Singh, Associate Professor (Retd.) | *Creativity in Relation to Learning, Thinking and Parenting Styles among Undergraduate Students* |
| Yashpal Singh | Dr. Davinder Singh, Associate Professor (Retd.) | *Cognitive Abilities and Scholastic Achievement of Adolescents in Relation to Nutrition, Physical Activity, Home and School Environment* |
| Akansha Sharma | Dr. Davinder Singh, Associate Professor (Retd.) | *Relationship between Personality Traits and Mental Health Variables among Social Media Users* |

## PUNJAB SCHOOL OF ECONOMICS

### About the Department

Punjab School of Economics was established in 1974 with the objective to impart value oriented education under the stewardship of Prof. K.S. Gill, a great visionary of National and International repute. The School's achievements were recognized by the UGC and SAP was granted to the School in 2004. First stage of SAP was completed successfully and after a thorough evaluation by the UGC Review Committee, the grant was extended for a second stage for the period 2009-2014 and for the third stage (DRS-III) also for the period (2015-20).

### Details of Permanent Faculty:

| Sr.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Baljit Kaur | Assistant Professor | Ph.D. | Public Finance, Indian Economy, Statistical Techniques |

| | | | | |
|---|---|---|---|---|
| 2. | Dr. Swati Mehta | Assistant Professor | Ph.D. | Macro Economics, Industrial Economics, Economics of Innovation & Technical Change |
| 3. | Dr. Amanpreet Kaur | Assistant Professor | Ph.D. | Micro Economics, Theory of Statistics, Econometrics |

| 2. | Mr. Vikas Joshi | 06.5.1983 | 03-08-2023 | M.A. |

# SCHOOL OF PUNJABI STUDIES

## About the Department

School of Punjabi Studies was established to achieve one of the basic objectives of the foundation of this university. The University act states: To Promote Punjabi Studies, to provide for research in Punjabi Language and Literature and Culture. (University Calendar) Department Came into existence in 1979 with the merger of already established department of Punjabi (Teaching 1971) and department of Punjabi language, literature and culture (Research 1972). The Department was the first one in India to introduce new academic programmers in the field of Language, Culture, Folklore, Pakistani Punjabi Literature, Parvasi Punjabi Literature, Meta Study, Teaching of Urdu, Persian and Sanskrit Languages and computer applications etc in Punjabi. The department has provided academic leadership by introducing a number of new courses, which were later, adopted by the sister universities for their respective syllabuses. These Courses are: Punjabi Language (Statistical and data-based study), Pakistani Punjabi Literature (Translations & Evaluation), Folklore and Culture (collection of material and study), Parvasi Punjabi Literature (Introducing the new global trends and new authors), Meta-criticism (Theoretical and Practical study of Punjabi Literacy scholarship), Urdu, Persian, Sanskrit (Introductory studies), Computer Application (introductory studies).

# SCHOOL OF SOCIAL SCIECNES

## About the Department

The Department of School of Social Sciences was established in 2003 to cater to the needs of outstanding students who after 10+2 plan to excel in Social Sciences, so as to prepare their for competitive examinations, corporate sector and higher teaching and research. This is an integrated and interdisciplinary course which focuses on holistic development of the students so as to prepare them for their role as leaders in the society. In 2019, keeping in mind India's strategic position in new World order a course in MA (International Relations) was introduced with- in take capacity of 30 students. The Department is offering Ph. D under the faculty of Social Sciences in three specializations namely Economics, International Relations/ Political Science and Sociology for undertaking research. The School not only concentrates on class room teaching but also exposes the students to reality of the society through academic oriented surveys, field visit and guest lecturers etc.

Since its inception the School has grown tremendously in terms of learning and teaching. In terms of student's strength which has reached up to 650 from only initial 14 only in 2003. The School has been successful in achieving the mission for which it was setup as large number of alumni are working as officers s in various capacities serving the nation such as IAS, IRS, PCS, Defense and Judicial officials. The students also have made them mark as Young India Fellows, Teach for India Fellow, Punjab Youth Leadership Fellow, Vedica Fellow. The School is collaborating and partnering with Pratham India and Indian Council for World Affairs, New Delhi for conduct of surveys, seminars etc.

## Details of Permanent Faculty

# SOCIOLOGY

## About the Department

The Department of Sociology was established in 1976 with a small faculty of one Reader and a Lecturer. The shortage of faculty was compensated by the visits of the well-known and senior faculty members from other universities. This helped the Department to grow on a solid footing. The Department tried to conserve its research and intellectual base and published its own journal, namely *Guru Nanak Journal of Sociology* till 2018. The Department has the distinction of organizing 5th and 15th Conferences of the North West Indian Sociological Association, 27th Conference of the Indian Sociological Association, Shastri Indo Canadian Institute Lecture Series and National Conference funded by the National Commission for Women, New Delhi. Faculty members of the department till date have published 52 Edited/Self-authored Books / book chapters and 390 research papers in Journals of National and International repute. In 2006, the Department achieved distinction by getting the autonomous Centre for the Study of Social Exclusion and Inclusive policy. The department was recognized under Special Assistance Programme (SAP) from 2014-19. The thrust area of department are gender and weaker sections, crime, entrepreneurship, health, international policy, community development. The current faculty is also engaged as subject experts for MOOC (Sociology of Gender) under SWAYAM Programme of Govt. of India and has received major research grants from various funding agencies like Punjab Government and National Commission for Women, New Delhi. The department is also offering internships and project engagement for the skill development of Master's students.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |

## UNIVERSITY BUSINESS SCHOOL

### About the Department

Department has been established to provide quality management education to young enterprising Graduates who are looking for a career in the field of business administration. The University Business School prides itself in state of art infrastructure and highly qualified and experienced faculty. The placement cell of the University actively collaborates with reputed National and Multi-National Companies which regularly visit the Campus and recruit our students. University Business School is carrying out Research in the area of Marketing. Finance, Human Resource Management and International Business. The School has also focused research in the area of Ethics and Social Responsibility of Business, Health Sector in India.

**FACULTY PROFILE**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Gurpreet Randhawa | Associate Professor & Head | Ph.D. | Human Resource Management |
| 2. | Dr. Pavleen Soni | Associate Professor | Ph.D. | Marketing Management |
| 3. | Dr. Vikram | Associate Professor | Ph.D. | Marketing Management, International Business |
| 4. | Dr. Jasveen Kaur | Associate Professor | Ph.D. | Marketing Management & Services Marketing Strategy |
| 5. | Dr. Rekha Handa | Assistant Professor | Ph.D. | Finance |
| 6. | Dr. Supreet Sandhu | Assistant Professor | Ph.D. | Finance |
| 7. | Dr.Hansdeep Kaur | Assistant Professor | Ph.D. | Finance |
| 8. | Dr. Divya Mahajan | Assistant Professor | Ph.D. | Finance, Entrepreneurship and MSME's |
| 9. | Dr. Dilpreet Kaur | Assistant Professor | Ph.D. | Finance |
| 10. | Dr. Alisha Chauhan | Assistant Professor | Ph.D. | Marketing Management |

# UNIVERSITY SCHOOL OF FINANCIAL STUDIES

## About the Department

The Department of Commerce was a constituent unit of Commerce and Business Management Department since the year 1984. But in 2014, it started working as an independent department which later got renamed as University School of Financial Studies. The school is committed for providing value-based education. The School offers M.Com., M.Com. (FYIC), B.Com. Hons. (USHS), MBA Finance and Pre-Ph.D. Courses. To meet the requirements (both research and practice) of Industry and commerce in the effervescent business environment, the faculty is committed to provide highly skilled, motivated and employable professional to the market. The mission of the school is to equip young professionals with updated knowledge and skills required to establish them as success seekers in all walks of life. The strength of the school lies in a fine blend of experienced and motivated faculty having well-built research base, excellent infrastructure coupled with latest teaching tools and regular interaction with the industry which creates awareness among the students regarding current business trends and future market potential.

## Details of Permanent Faculty

| S.No. | Name | Designation | Qualification | Specialization |

| 24. | Dr. Jagdish Kaur | Ph.D. |
| 25. | Mr. Sajan | M.Com. |
| 26. | Ms. Diksha Saini | M.Com. |

## URDU & PERSIAN

### About the Department

Department of Urdu and Persian were established in 1974 and have been working as a full- fledged Department since 2002. The Department is running Certificate Course in Urdu, Persian and Arabic, Diploma course in Urdu and Persian and Advance Diploma Course in Urdu. All these Courses are part time evening courses and the system of examination is semester. The Department also provides research facilities in Urdu and Persian both for research scholars and students especially in the field of classical, medieval and modern Language and literature. Since its establishment, Department has produced twenty eight Ph.Ds - Twenty two in Urdu and six in Persian. The Department also offers Courses such as Inter Disciplinary Integrated Courses in Urdu and Persian under Credit Based Evaluation & Grading System for the Under Graduate and the Post Graduate Students of other Departments.

**Details of Permanent Faculty**

| S.No. | Name | Designation | Qualification |
|---|---|---|---|
| 1. | Prof.(Dr.) Sunil | Head | Ph.D |
| 2. | Dr.Syed Raihan Hasan Rizvi | Assistant Professor | Ph.D |

# ZOOLOGY

## About the Department

The Department of Zoology was established in 1990. The Department has four regular faculty members who are currently pursuing research in the thrust area of Environmental monitoring and best ecological practices. Research is being carried out in the fields of Aquatic Ecology, Aquatic Toxicology, and Insect pest control, Nematology, Vermi-composting and Cytogenetics. The Department is recognized under the DST-FIST and PURSE and UGC SAP Program. Besides, the Department has received grants from UGC, MOF, DBT, CSIR and DST. The Department has active collaboration with international and national research institutes. The Department has published more than 500 research papers and book chapters in international and national journals/ books**.** Moreover, the department has also produced 67 PhDs. The Department offers study programmes leading to the awards of degrees in M.Sc. (FYIP) Zoology (5 years duration), B.Sc. Zoology (3 years duration), B.Sc. (Honours) Zoology (4 years duration), B.Sc. (Honours with Research) Zoology (4 years duration) and MSc Zoology of 2 years duration and Ph.D. Students achieve competence in theory and practicals related to Applied Zoology, Structure and Function of Animals, Molecular Cell Biology, Immunology, Developmental Biology, Ecology and Wild life, Biosystematics, Evolution, Animal Behaviour and Metabolic Regulation of Cell along with knowledge of Computer Application and Biostatistics. Students are also trained for presentations on topics of their interest and handling sophisticated instruments through interactive learning tools such as seminars, workshops, field trips and group discussions. Students get opportunities to pursue higher education and research in reputed institutes of India and Abroad. Every year around 10-15% students clear different national level tests. After completing their degree the students are absorbed in universities, colleges, research institutes and administrative jobs.

## Details of Permanent Faculty

| S.No | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr Arvinder Kaur | Professor | Ph.D | Aquatic Toxicology and Vermitechnology |
| 2. | Dr. Sanehdeep Kaur | Professor | Ph.D | Entomology |
| 3. | Dr Puja Ohri | Professor | Ph.D | Nematology |
| 4. | Dr Pooja Chadha | Professor | Ph.D | Cytogenetics/Toxicology |

# DETAILS OF TEACHING DEPARTMENTS IN REGIONAL CAMPUSES

## REGIONAL CAMPUS JALANDHAR

### DEPARTMENT OF ENGINEERING AND TECHNOLOGY

The Department was established in 2002, and since its inception, it has been actively engaged in promoting technical education in the fast growing fields of Information and Communication Technology. The Department provides a well-designed course curriculum that facilitates a unique blend of theory and practical to help students assimilate the subject thoroughly. The curriculum stresses on developing analytical skills, communication, problem-solving and team work abilities. The Department is facilitated with state-of-the-art labotraries with high end tools and instruments for hands-on experience to support theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with internet connectivity through leased line. The department has distinguished and highly qualified faculty. The department also facilitates Research and Development activities in the following spheres:

- Artificial Intelligence, Internet of Things (IoT) &Machine Learning.
- Wireless/Optical Communication and Networks.
- Nano-Electronics & Electronic Devices.
- Biomedical Signal Processing, Biomedical Instrumentation.
- Programming/Network Security; Cryptography.
- Cloud Computing, Big Data.

Research softwares including Octave, NetSim, Optisystem, serve as innovative ground to add another dimension of skill in the students. For the practical understanding and exposure of the technology, students are encouraged to take up projects in diverse areas related to Engineering and Technology. The departmental library has multi-storied space with over 30,000 books journals etc. Students have free online access to a vast pool of e-journals/e-books related to engineering & science. The students are also motivated to participate in various co-scholastic activities like mock campus interviews, Group discussions, and seminars to hone Soft-Skills and enrich their personalities. The N.S.S. unit actively organizes camps of Blood Donation, Tree Plantation and Aids Awareness etc. Career Guidance, Personality Development Seminars, Mock Tests, Group Discussions, Workshops and Guest Lectures are also conducted for the students. Excellent campus placements have been achieved by the collaborative efforts of centralized Placement Cell, faculty and students in the prestigious multinational companies.

#### Infrastructure

The Department is facilitated with state-of-the-art facilities for Devices and Circuits Lab. Digital Electronics Lab, Communication Systems Lab, Microprocessor Lab, Measurement Lab,

Instrumentation Lab, Printed Circuits Board Lab and Electronic Design Automation lab. Labs are equipped with high end tools and instruments, for hands-on experience to assimilate theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with secured internet connectivity through leased line supported with firewall (Sophos).

## Faculty Profile

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Jyoteesh Malhotra (on EOL) | Professor | Ph.D. | Pervasive Communication and Networks, IoT |
| 2. | Dr. Butta Singh | Professor | Ph.D. | Biomedical Signal Processing Biomedical Instrumentation |
| 3. | Dr. Deep Kamal Kaur Randhawa | Associate Professor & Head | Ph.D. | Nano Bio Electronics & Electronic Devices |
| 4. | Dr. Sheetal Kalra | Associate Professor | Ph.D. | Network Security & Cryptography |
| 5. | Dr. Pankaj Deep Kaur | Associate Professor | Ph.D. | Cloud Computing, Big Data, IoT |
| 6. | Dr. Manjit Singh | Assistant Professor | Ph.D. | Optical Communication |
| 7 | Er. Neena Madan | Assistant Professor | M.Tech. | Computer Graphics and Data Mining |
| 8. | Dr. Neetika Soni | Assistant Professor | Ph.D.. | Microprocessors and Embedded System Design, Biomedical Signal Processing |
| 9. | Dr. Himali Sarangal | Assistant Professor | Ph.D. | Optical Communication, Wireless Communication |
| 10. | Dr. Varinder Kaur Attri | Assistant Professor | Ph.D. | Software Engineering |
| 11 | Dr. Vinit Grewal | Assistant Professor | Ph.D. | Wireless communication and Networking, Artificial Intelligence |
| 12. | Dr. Harmandar Kaur | Assistant Professor | Ph.D. | Optical Fiber communication, Wireless Communication |

## DEPARTMENT OF LAWS

The Department of Laws was started in 1979 on the persistent demand of the area to meet the demand of lacking facilities for legal studies at Jalandhar in the Doaba Region. The Department is presently functioning in the Guru Nanak Dev University Regional Campus, Ladhewali, Jalandhar. The Department has a well-equipped library with over 13,500 books and all reputed law reporters, journals, and recent periodicals. The Department is running the LL. B (TYC), B.A.LLB. (FYC) and LL.M (One Year Course) regular course. The Department has also Ph.D. regular/ Part-Time Ph.D. programme.

**Faculty Profile**

| S. No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Rupam Jagota | Professor | Ph.D. | Jurisprudence and Criminal Law |
| 2. | Dr. Varinder Singh | Head and Associate Professor | Ph.D. | Constitutional Law |
| 3. | Dr. Nirmala Devi | Assistant Professor | Ph.D. | Family Law |
| 4. | Dr. Inderpreet Kaur Narang | Assistant Professor | Ph.D. | Criminal Law |
| 5. | Dr. Mona Goel | Assistant Professor | Ph.D. | Law of Property |
| 6. | Dr. Komal Krishan | Assistant Professor | Ph.D. | Taxation Law |

| | | | | |
|---|---|---|---|---|
| | Mehta | | | |
| 7. | Dr. Vanita Khanna | Assistant Professor | Ph.D. | Intellectual Property Rights |
| 8. | Dr. Suruchi Kohli | Assistant Professor | Ph.D. | Criminal Law |
| 9. | Dr. Poonamdeep Kaur | Assistant Professor | Ph.D. | Law of Contract |

**Publications:**

**Dr. Rupam Jagota**
**Papers presented in conferences**

1. Presented at a National Seminar on Socio-Legal Impact of Drug Abuse: Addiction & Awareness a paper titled Pharmacological Dimensions of Drug Abuse: A Story of Legal Medication to Drug Abuse organised by Department of Laws GNDU Amritsar on 31st Oct, 2023
2. Presented as a guest Speaker at a National Webinar on We the People: With the Right to Vote a discourse titled Voice of People: Upholds the spirit of Democracy organised by Amity University U.P. on 28th August ,2023
3. Presented at a 2nd National Conference on Emerging Trends in Law & Technology (ETLT -2023) A Paper Titled Law, Justice & Moralism: A Judicial Introspection organised by Department of Engineering &Technology & Department of Laws on 13th October, 2023.
4. Presented at a National Seminar on Say No to Corruption; Commit to Nation as a resource person paper titled Corruption – A Threat to the Democratic structure of the Nation organised by MGN College of Education. Jalandhar on 2 November, 2023
5. Presented at a National Seminar on Marginalization in India: Socio -Economic Aspects &Constitutional Perspective a paper titled Constitutional Protection of Marginalized Indigenous in India with special Reference to UNDRIP on 17th November,2023
6. Presented at 2-day International Hybrid Workshop on Climate Change Consciousness in Law paper titled Environmental Degradation: Issues & Enforcement Challenges for Attainment of Sustainable Development organised by School of Legal Studies, Cochin University of Science & Technology, Kerala, India on 21-22nd December,2023
7. Presented at Two-day International Seminar on Disability Rights & Law & Law Relating to Women& Children a paper titled Women Empowerment Vis-a -Vis the Travesty of Domestic Violence: The Socio-Legal Challenges organised by HP National Law University, Shimla on 19-29th January, 2024
8. Presented at One day Interdisciplinary National Seminar on Empowering the Women vis-à-vis Feministic Jurisprudence: Socio-Legal & Linguistic Approaches a paper titled Domestic Violence: Blame Game and Misuse on 13th Feburary,2024

9. Presented at a One-day National Seminar on One Nation One Election as a resource person paper titled One Nation One Election: Issues, Challenges and Opportunities organised by Apeejay College of Fine Arts, Jalandhar on 17th February,2024
10. Invited as a resource person to celebrate International Women's Day on the topic POSH Act, 2013 organised by DAV College Jalandhar on 27th February,2024
11. Presented at a One-day National Seminar on Harmonizing Nature with Justice: Environmental Justice and Law a paper titled Judicial Introspection on Environmental Threats: An Analysis organized by Faculty of Law, Himachal Pradesh University, Shimla -5, H.P. on 28th March,2024
12. Chaired the Session at the 5th International Conference on Comparative Law and Presented the paper titled The Protection of Children from Sexual Offences: A Socio Legal Comparative Analysis with UK organised by Amity Law School, Noida, Amity University and School of Business & Law, Edith Cowan University, Western Australia on 9-10th February 1,2024
13. Presented a paper at a National Seminar on International Law Navigating the Complexities of War a paper titled Challenges to the Accountability and Prosecution of War Crimes: A Study on the Ukraine -Russia War organised by Amity Law School, Amity University, Chhattisgarh on 4-5th April, 2024.
14. Presented at a National Seminar on Administrative Law: Concepts & Challenges a paper titled Judicial Review: Guardian of the Grandmom organised by St Soldier Law College on 20th April, 2024.
15. Presented at a National Seminar on Legacy of Dr Baba sahib Ambedkar: Analysis & Appraisal paper titled Empowering the Unempowered: A Vision with a Mission organised by Dr B.R, Ambedkar Chair, Department of Laws GNDU, Amritsar on 24th April,2024

## Papers published in peer reviewed/UGC listed journals

| Title of Paper | Name of Journal | ISSN | Detail of Publication |
|---|---|---|---|
| Reservation Policy: A Conflict Between Legislature and Judiciary ,129-137 | The Journal of Oriental Research Madras, Kuppuswami Sastri Research Institute, July 2023 | ISSN: 0022-3301 | UGC Care Listed, GROUP I journal, June 2019 up to Present |
| Terrorism &States Role Under Threat: An Analysis | The Journal of Oriental Research Madras, Kuppuswami Sastri Research Institute, October 2023 | ISSN: 0022-3301 | UGC Care Listed, GROUP I journal, June 2019 up to Present |
| International Humanitarian Law & International Human Rights Law -A Conflicting Zone | CPJ Law Journal, Vol. XV, Jan 2024 CPJ Law Journal CJC Of Higher Studies & School of Law, New Delhi, | ISSN 0976-3562 | Peer Reviewed, Refereed Journal |
| A Critical Analysis of Jasvir Singh v. State of Punjab, A Judgment which Paved Way for Conjugal Rights of Prisoners | CPJ Law Journal CJC Of Higher Studies & School of Law, New Delhi, , VOL.XIV, No.1, July 2023 | ISSN0976-3562 | Peer Reviewed, Refereed Journal UGC Care List |
| Introspection on the Dimensions of Cyber Crimes with Respect to the Rights of Children | Cyber Laws in India (Emerging Trends), by Dr Pawan Kumar & Dr Manjit Singh, Universal Book House Pvt Ltd, Jaipur 2023 | ISBN:978-9395215 An -71-8 | Peer Reviewed Book Chapter |
| Changing Dimensions of cyber–Crime Jurisprudence: An Analysis with special Reference to Information Technology Laws in India. | Law &Technology, New Perils in Justice &Accountability, Dr Kanchal Gupta, Rupinder Singh, Red Shine Publication London, UK.2023 | ISBN:978-1-312-74322-9 | Peer Reviewed, Book Chapter |
| Environmental Hazards: Issues and Enforcement Challenges for a Sustainable Balance | Climate Change Laws: Issues & Perspectives Directorate of public Relations &Publications, School of Legal Studies, Cochin University, Kochi ,2024 | ISBN: 978-81-966-337-1-4 | Peer Reviewed, Refereed, Book Chapter |
| Live-in-Relationship viz-a-viz Marriage: A congruence among Indian and Australian Law | Comparative Approaches in Law & Policy | ISBN 978-981-99-4459-6 | Peer Reviewed, Refereed, Book Chapter, Springer Nature Singapore Pvt Ltd, 2023 |

## Dr. Varinder Singh

## Papers presented in conferences

| Sr. No. | Title of Paper | Conference Detail |
|---|---|---|
| 1 | Abortion in the Realm of Reproductive Autonomy: An Enigma for Judiciary | National Seminar on Women's Rights in India: A Human Rights Perspective, organized by Human Rights Chair, Government Law College, Kozhikode on 11-12 March, 2024 |

| | | |
|---|---|---|
| 2 | Frauds Relating to Online Payments: An Analysis | Two Day National Seminar on E-Commerce and Legal Literacy organized by Amritsar Law College, Amritsar on March 15-16, 2024 |
| 3 | Future of Human Rights: Re-Thinking Human Rights in the Age of Robotics | International Zeugma Conference on Scientific Research, held on March 18-12, 2024, Turkey |
| 4 | Regulation of Artificial Intelligence: European Union v. India | International Seminar on Impact of Artificial Intelligence on Constitutionalism and Rule of Law Organized by University Institute of Legal Studies, Panjab University, Chandigarh, March 29-30, 2024 |
| 5 | An Analysis of the Grounds of Judicial Review on Administrative Actions | National Seminar on Administrative Law: Concepts and Challenges organized by St. Soldier Law College, Jalandhar on April 20, 2024 |

**Chapter in Book**

1. Intricacies of Cyber Crimes in India: A Rising Peril in book titled Cyber Laws in India Edited by Dr Pawan Kumar and Dr Manjit Singh, University Book House Pvt Ltd, Jaipur, 2023, ISBN: 978-93-95215-71-8
2. Working of Tribunals in India: A Critical Study in book titled Principles of Administrative Law, Edited by Dr Vanita Khanna and Dr Komal Krishan Mehta, University Book House Pvt Ltd, Jaipur, 2024, ISBN: 978-81-19793-37-2

**Dr. Inderpreet Kaur**

**Papers presented in conferences**

| Sr. No. | Title of Paper | Conference Detail |
|---|---|---|
| 1 | India's Push to Drug Abuse: A Legal and Social Perspective | National Seminar on socio-legal impact Of Drug Abuse: Addiction and Awareness organised by Department of Laws GNDU, Amritsar on 31st Oct, 2023 |
| 2. | Marital Rape: A Challenge to Legal System and Society | National Conference on Emerging Trends in Law and Technology organised by Department of Engineering and Technology and Department of Laws GNDU, RC, Jalandhar on October 13, 2023. |
| 3. | Unveiling The Spectrum of Racism-A Historical and Contemporary Analysi | National Seminar on Marginalization in India: Socio Economic Aspects and Constitutional Perspective organized by University Institute of Legal Studies UILS, PU, Chandigarh on November 17,2023. |
| 4 | Women in Forensics-An International Overview | National Seminar organized by University Institute of Legal Studies UILS, PU, RC, Hoshiarpur, on February 13,2024 |
| 5. | Critical Appraisal of Maintenance and Welfare of Parents and Senior Citizens Act,2007 | National seminar on Senior citizens and Elderly People: Legal, Social and Ethical Perspectives organized by Rajiv Gandhi National University of Law, Punjab, on March 18,2024 |
| 6. | Judicial activism vis-à-vis Rule of Law: Exploring an Insight of The Administration of Justice for Children in | National seminar on Administrative Law: Concept and Challenges Organized by St. Soldier Law College, Jalandhar on April 20,2024 |

| | | |
|---|---|---|
| | Conflict with Law in Relation to The Rule of Law | |

## Papers published in Journal:

| Title of Paper | Name of Journal | ISSN | Detail of Publication |
|---|---|---|---|
| The Rescue of Child Labor Workers Between Age Of 14-18 years: Analyzing the Decision in Court on Its Own Motion Vs. NCT of Delhi. | BHAIRAVI | 0975-5217 | Volume-25, Issue-1, January- June 2023. |

## Dr. Mona Goel

## Chapters in Books

| | | | |
|---|---|---|---|
| 1. | Law & Technology: New Perils in Justice and Accountability, Kanchal Gupta and Rupendra Singh (ed), pp. 43-62 | "Role of Judiciary in Combating Cyber Crimes: A Critical Analysis" | Red' Shine Publications London, UK, ISBN No:978-1-312-94837-2. 2023 |
| 2. | Interface of Science, Technology and Human Rights: A Futuristic Approach, Balwinder Singh and Bindu Sangra (ed) pp.79-94 | Right To Physical Integrity of Women in India: An Appraisal | University Book House Pvt. Ltd., Jaipur, ISBN No: 978-81-19793-67-9. 2023 |
| 3. | Principles of Administrative Law Vanita Khanna and Komal Krishan Mehta (ed), pp.43-57 | Droit Administrative: A System of Administrative Adjudication in Relation to Statutory Public Corporations of India | University Book House Pvt. Ltd., Jaipur, ISBN No: 978-81-19793-67-9. 2023 |
| 4. | Status of Women in India: Contribution of Dr. B. R. Ambedkar, Kuldip Kaur Pg no. 144-157 | Dr. Ambedkar on Social Justice: An Analytical View | Pearls Books, Ghaziabad, First Edition, 2023, ISBN 978-81-89979-90-4. 2024 |

## Papers Presented in Conferences

1. Paper "Shielding Humanity: Safeguarding in the Crucible of Armed Conflicts" presented in One Day National Seminar on "New Dimensions and Challenges for Human Rights" organized by Centre for Advanced Studies in Human Rights (CASIHR), Rajiv Gandhi National University of Law (RGNUL), Patiala, Punjab on 11 August, 2023.
2. Paper "Role of Technology in Criminal Justice System: A Critique" presented in 2nd One Day National Conference on "Emerging Trends in Law and Technology" organized by

Department of Engineering & Technology and Department of Laws, Guru Nanak Dev University, Regional Campus, Jalandhar (Punjab) on 13 October, 2023.

3. Paper "Trajectory of Narcotic Drug and Psychotrophic Substance Act, 1985: A Study" presented in National Seminar on "Socio-Legal Impact of Drug Abuse: Addiction and Awareness" organized by Department of Laws, Guru Nanak Dev University, Amritsar on 31 October, 2023.
4. Paper "One Nation One Election: A Solution or Chaos" presented in National Seminar on "One Nation One Election: Contextualizing India's Electoral System and Reforms: Importance and Practicality, Changes and Continuity, Major Issues and Challenges" organized by School of Social Sciences, Apeejay College of Fine Arts, Jalandhar on 17 February, 2024.
5. Paper "Fake Reviews and Ratings in E-Commerce: A Threat to Trust and Transparancy" presented in Two Days National Seminar on "E-commerce and Legal Literacy: Bridging the Gap for Indian Consumers" sponsored by ICSSR, NWRC, Chandigarh organized by Amritsar Law College, Amritsar on 15-16 March, 2024.
6. Paper "Unraveling the Complexities of Copyright in AI-Driven Creativity" presented in Two Days International Seminar on "Impact of Artificial Intelligence on Constitutionalism and Rule of Law" organized by University Institute of Legal Studies (UILS), Panjab University, Chandigarh in collaboration with Mississippi College School of Law, USA on 29 & 30 March, 2024.

| 1 | The Chief Election Commissioner and other Commissioners (Appointment, Conditions of service and terms of Office) Act, 2023: Politicisation of an Administrative Body. | National Seminar organised by Saint Soldier College of Law, Jalandhar on 20 April,2024. |

## DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

### Infrastructure

The Department of Journalism and Mass Communication has a well-equipped audio video studio for conducting practical's and other projects for electronic media. Beside the department also comes out with its newsletter at regular intervals for which purpose there is computer lab. Since the course involves practical training, the Department has developed some infrastructure, which includes equipment like still cameras, video cameras, color TV, VCD, DVD, OHP, Slide Projector, LCD Multimedia projector, Music system, Xerox machine, computers etc. The department its own state of the art audio-visual and still photography studios.

**Faculty Profile**

| Name | Designation | Qualification | Specialization |
|---|---|---|---|
| Dr. Namrata Joshi | Associate Professor& Head | Ph.D. | Film Studies |
| Archaean Kamal Walia | Assistant Professor | Ph.D. | Mass Communication Research |

# REGIONAL CAMPUS GURDASPUR

**About the Campus**

Guru Nanak Dev University Regional Campus, Gurdaspur spread over an area of 28 acres, is located on Hardochanni Road in the lap of pristine nature which adds to the beauty and glory of the Institution. The campus was set up in the year 1999, to cater to the educational needs of the students of Punjab and neighboring states such as Himachal Pradesh, Haryana, Rajasthan and Jammu & Kashmir. Apart from the basic amenities, the Regional Campus, Gurdaspur has a separate hostel facility for boys and girls with the capacity of 200 and 300 students respectively. The Hostels are well furnished and have facility for indoor games, Wi-Fi-Internet, common room and canteen etc. The regular placements of students from Regional Campus, Gurdaspur have been a distinguished achievement of the Campus. Further keeping pace with evolving cyber age, the University envisaged dedicated internet connectivity (20 Mbps) and four high end programming cum computing labs. There being a revolution in the telecommunication world, different advanced Computer and Electronics labs have been setup. Wi-Fi Internet connectivity is provided in the boys' and girls' hostels. All departments in the campus have been provided the internet connectivity. One Internet Lab is provided in the girls' hostel for working in evening hours. The campus also has 250 KVA generator to provide 24hrs electricity in the departments and hostels. The Campus is having well stocked library with a collection of more than 19000 books and a subscription of various national and international e-journals. Special book bank has been set up for students belonging to SC students. The campus also has an active Technical Student Society (TSS#) that organizes various technical and cultural events and workshops/ seminars/ conferences to enhance the technical and personality development skills of the students. It organizes an annual Tech Fest LAKSHYA 2K (Technical events) and URJA 2K (Sports activities) every year. The campus organized two UGC-sponsored National seminars in 2012, 2014 and a UGC-sponsored National Conference in 2017. The NSS unit of campus is also active in organizing various social activities like tree plantation, blood donation and awareness programs on gender sensitization, drug abuse problem, traffic rules & road safety, etc.

## DEPARTMENT OF ENGINEERING AND TECHNOLOGY

The Department of Engineering and Technology was established in year 2002 with full-time 4-year B.Tech. (Electronics and Communication Engineering), B.Tech.(Computer Science and Engineering) and MCA (FYIC) degree programmes. In 2013, M. Tech. (Computer Science and Engineering) and M.Tech.(Electronics and Communication Engineering) courses were also started in the department. Further in 2021, two new programmes i.e. 3-year BCA and 4-year B.Tech. (Electronics and Computer Engineering) have been introduced. As per implementation of the NEP 2020 at GNDU from year 2023, instead of B.C.A (3 years); M.C.A. (FYIP) programme has been introduced. The department is catering to the needs of the students hailing from various parts of the country especially the backward and border areas of Punjab. The department imparts high quality education in Engineering and Technology to produce competent technical manpower to meet the ever-growing demand of the global industrial sector and nurtures young minds to grow and excel in the technical world. Students are motivated to participate in the various activities like mock tests, group discussions, and seminars, workshops to improve their soft skills and enrich their personality. The syllabi of the various courses are regularly updated to keep pace with the latest development in the industry. The performance of the students is continuously evaluated according to Credit-Based Evaluation and Grading System.

It has highly qualified faculty members to educate the students theoretically and practically as per the industrial requirement. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated with the emerging technological trends. The faculty of the Department undertakes an active interest in various research areas like Software Engineering, Computer Networks, Optimization Methods and Parallel Computing, Image Processing, Nano-Technology, Optical Communication and Networks etc. Each member of the department bears a continuous responsibility to articulate, reinforce and reflect those values that support our highest aspiration.

### Infrastructure

The department has well stocked air-conditioned library having around 9,000 books, various Newspapers, Magazines and many other e- Journals for ready reference to the students. Also, the department is well-equipped with the advanced laboratories and research softwares such as NetLogo, MATLAB, OptiSystem, LabVIEW and CST-Studio. The department provides state-of-the-art computing facilities and has about 150 Intel 5th Generation computers having i5 processor, with latest software platforms like Windows 7/10, LINUX, UNIX etc. All the computers in the various labs /offices in the Department are connected via campus wide Local Area Network and WiFi facility is also available. The department provides Internet connectivity through 20Mbps leased line catering to the need of entire Campus. The department has 8 ICT enabled classrooms and 2 Seminar halls for lectures and other co-curricular activities. During the course, the students are given theoretical and hands-on training in Programming Techniques,

Database Management System, Operating Systems and other Application Software. Database Lab with latest SQL Server and supporting application software like MS Access, SQL Server, Oracle 10g & 11g are used for software development. Programming Lab is used for programming with latest IDE installed in it front-end tools like C/C++, Java, VB.Net Developer 2015. Also, the department has well-furnished laboratories of Electronic Devices and Circuits, Communication Systems, Digital Electronics, Microcontroller, Microprocessors Microwave Engineering, Industrial Electronics etc.

**The various laboratories of the department are as follows:**

**Programming Lab I: The** Programming Lab-I is exclusively dedicated for teaching the basic programming techniques and its implementation to the students of B. Tech first year (CSE). The lab has 40 terminals with tool like C, C++, and Microsoft Office etc.

**Programming Lab II:** The Programming Lab II is dedicated for teaching advanced programming techniques and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Microsoft Visual Studio, Net Beans and other web development tools.

**Database Lab:** The Database lab is dedicated for teaching various database management systems and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Oracle, MySQL and other front end development tools like PHP and Microsoft Visual Studio.

**Internet Lab:** The Internet lab is common for all the students of the campus. It has 25 latest Computers with high speed leased line internet connectivity. All the students are free to use the facility for academic and research purposes.

**Electronic Devices and Circuits Lab:** This lab emphasis on practical aspect of basic electronics and its applications like various rectifier circuits, amplifiers circuits for e.g. Class A, Class B, Class C, Class AB, Push Pull, and transistor configuration such as common base, common emitter and also FET based circuits.

**Communication System Lab:** It imparts knowledge to the students on the concept of Analog and Digital communications through trainer Kit like AM, FM, PM pulse, ASK, FSK, PSK Modulator and Demodulator.

**Digital Electronic Lab:** This lab equips students with basic knowledge of digital electronics circuit such as various Digital Gates, Flip Flops, Registers, Counters, Multiplexers and De-Multiplexers, Timers, Encoder and Decode.

**Analog Integrated Circuits Lab:** In this lab students design the operational amplifiers and IC 555, 565, 566 based circuit for analyzing theirs the characteristics like gain, input impedance, output impudence, frequency, locking range, capture range measurements etc.

**Microprocessor, Micro controller & Digital Signal Processing Lab:** In this lab students learn about the programming concept of 8085, 8086 &Microcontroller from basic to various

interfacing cards because these systems are building blocks for all the intelligent systems. Digital Signal processing lab helps the students to understand the concepts of various operations on different types of data, voice and video signals i.e., manipulation, processing and visualization.

**Microwave Lab:** This lab encourages the students to work towards the design and analysis of microwave circuits, and components such as antennas, phase shifters, attenuators, VSWR meter, directional coupler, klystron tube, filters etc. for RF, microwave, millimeter wave applications.

**Electronic Measuring Instrument Lab:** This Lab helps students to study various instruments like Shearing Bridge, Wheat-Stone Bridge, Anderson Bridge, Wein Bridge, Kelvin Double Bridge, CRO, Function Generator, L.V Power Supply for Kelvin Bridge etc.

**Faculty Profile (CSE and ECE)**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Anu Sheetal | Professor and Head | Ph.D. | Optical Communication Systems, & Networks, Passive Optical Networks, Radio over Fiber Communication |
| 2. | Dr. Shashi Bhushan Rana | Associate Professor | Ph.D. | Semiconductor Nanomaterials, Antenna |
| 3. | Dr. Harjot Kaur | Assistant Professor | Ph.D. | Distributed Artificial Intelligence & Machine Learning |
| 4. | Dr. Amitpal Singh | Assistant Professor | Ph.D. | Open-Source Software |
| 5. | Dr. Mini Singh Ahuja | Assistant Professor | Ph.D. | Complex Networks & Machine Learning |
| 6. | Dr. Taqdir | Assistant Professor | Ph.D. | Digital Image Processing & Machine Learning |
| 7. | Dr. Satbir Singh | Assistant Professor | Ph.D. | Advanced Nanomaterials, Optical Fiber |
| 8. | Er. Harjit Singh | Assistant Professor | M.Tech. | Optical &Wireless Communication |
| 9. | Er. Sharanjit Singh | Assistant Professor | M.Tech. | Python, Cyber Security & Data Structures |
| 10. | Ms. Shobna | Assistant Professor (Part-Time) | M.A Punjabi, M. Phil. UGC-NET | Punjabi |

## DEPARTMENT OF BUSINESS MANAGEMENT AND COMMERCE

Department of Business Management was established in year 1999. The department was first in the region to offer MBA, a professional course and it has been successfully catering the needs of the students hailing from various parts of the country and from Punjab itself. The department is offering MBA in Human Resource Management, Marketing Management, and Financial Management. In 2012, two additional professional courses i.e., M.Com. and B.Com. were also started by the department. As per implementation of the NEP 2020 at GNDU from year 2023, instead of B. Com (3 years); M. Com (FYIP) programme has been introduced. The Department provides excellent environment which is best suited for academic growth. The department comprises of experienced, highly qualified and hardworking faculty. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated. Other than this, the department has well-equipped and maintained Library and Computer Lab hence providing good exposure to the students. The teaching pedagogy includes

integrated learning process with emphasis on Presentations, Seminars, Case Study Approach, and Industrial Training. Students are imparted with counseling from time to time for their personality development and preparing them to face interviews. The syllabi of offered courses are regularly updated to keep pace with the latest developments.

**Faculty Profile**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Amardeep Kaur Saini | Head & Professor | Ph.D. | Marketing & Human Resource Management |
| 2. | Dr. Rishi Raj Sharma | Professor | Ph.D. | Marketing & Strategic Management |
| 3. | Dr. H.S. Chahal | Associate Professor | Ph.D. | Marketing Management and HR |
| 4. | Dr. Arwinder Singh | Assistant Professor | Ph.D. | Accounting and Finance |
| 5. | Dr. Sapna | Assistant Professor | Ph.D. | Finance/FIIs |
| 6. | Ms. Surbhi Bahl | Assistant Professor (On Contractual Basis) | M.Com, UGC-NET (Qualified) | Marketing and Management |
| 7. | Ms. Ankita Sethi | Assistant Professor (Part-Time) | MBA, UGC-NET (Qualified) | Finance and Marketing |
| 8. | Dr. Jaiman Preet Kaur | Assistant Professor (On Contractual Basis) | MBA, M.Phil. (Management), Ph.D. | Marketing and Human Resource |
| 9. | Ms. Pradeep Kaur | Assistant Professor (On Contractual Basis) | M.Com, UGC- NET JRF Qualified | Finance and Human Resource Management |
| 10. | Ms. Rakshanda | Assistant Professor (On Contractual Basis) | M.Com | Banking and Insurance Services |
| 11. | Dr. Kandy Bhardwaj | Assistant Professor (on Part-Time Basis) | Ph.D. | English |

**DEPARTMENT OF LAWS**

Department of Laws was the very first department established at Guru Nanak Dev University Regional Campus Gurdaspur since its inception in the Year 1999. As the main aim of establishing this campus is to cater the needs of the students of Backward Area, Law Department also serves this cause. At Present the Department offers B.A.LL.B. (FYIC) Course. The Admission Process is based on Punjab State Level Counselling on Merit Basis. The students from nearby areas of Gurdaspur e.g., Batala, Dhariwal, Dinanagar, Pathankot, Mukerian, along with all over Punjab and other adjoining states like Jammu and Kashmir, Himachal Pradesh has taken admission here. The Pass Out students of this department are doing very well in their life. Approximately every year 2-3 students' clear PCS Judicial Exams and working as Judges, other settled as lawyers, ADA's Legal Officers, good number of Student opt for Master Degrees and choose their carrier as Law teachers. Currently, 20 Students who had done their B.A.LL.B. (FYIC) from this department are serving as Judicial Officers. The Department possess competent, hardworking and dedicated faculty who are always ready to help the students in

achieving their esteemed goals. The faculty members regularly attend various National and international Conferences, Seminars, Refresher Courses to sharpen their skills.

**INFRASTRUCTURE**

**Moot Court Hall**

The Department has well-furnished Moot Court Hall for imparting practical training to the students. As per the curriculum of Law the final year students have to be practically trained for the profession.

**Legal Aid Clinic**

The Department offers free legal aid to the indigent people of the adjoining area and organized various legal aid camps to sanities the general masses regarding their rights. The students of the Department along with the para legal volunteers actively participated in these camps.

**Library**

The Department and the Library has internet facility. The library equipped with online legal search engines to find out the latest case laws and other relevant material as per the curriculum apart from online facility of Journals. Library has rich collection of books, legal journal and other legal material classified with classification scheme. The library provides the open access of books to readers.

**Faculty Profile**

| S.No. | Name | Designation | Qualification | Specialization |
|---|---|---|---|---|
| 1. | Dr. Rishi Raj Sharma | Professor & Head | Ph.D. | Marketing & Human Resource Management |
| 2. | Dr. Amandeep Kaur | Assistant Professor | Ph.D. | International Law and Criminal Law |
| 3. | Dr. Shamsher Singh | Assistant Professor | Ph.D. | Constitutional Law and Environmental Law |
| 4. | Dr. Ranjit Singh | Assistant Professor (on Contract Basis) (Contract) | Ph.D. | Taxation and Property Law |
| 5. | Dr. Arshipal Kaur | Assistant Professor (on Contract Basis) (Contract) | Ph.D. | Labour Law and Criminal Law |
| 6. | Ms Prabhjot Kumari | Assistant Professor (on Contract Basis) (Contract) | LLM., NET Qualified | Criminal Law, IT Laws |
| 7. | Reenu Chauhan | Assistant Professor (on Contract Basis) (Contract) | LLM., NET/JRF Qualified | Business & Corporate Law |
| 8. | Dipika Badhan | Assistant Professor (on Contract Basis) (Contract) | LLM., NET/JRF Qualified | International Law |
| 9. | Ms. Minni Kahlon | Assistant Professor (on Part-time Basis) (Part-Time) | B.A. LLB. M.A. Eco. | Economics |
| 10. | Ms. Amandip Kaur | Assistant Professor (on Part-time Basis) (Part-Time) | M.Phil. (Pol. Sc.) | Political Science |

| | | | | |
|---|---|---|---|---|
| 11. | Ms. Mamta | Assistant Professor (on Part-time Basis) (Part-Time) | M.A (Punjabi) | Punjabi |
| 12. | Ms. Sandip Kaur | Assistant Professor (Part-Time) (on Part-Time Basis) | M.A.(English) | English |
| 13. | Ms. Shobhna | Assistant Professor (on Part-Time Basis) (Part-Time) | M.A {Punjabi) | Basic Punjabi |

**Papers presented in Conferences, Seminars, Workshops, Symposia**

1. Anu Sheetal presented a paper entitled 'Analyzing the performance of the OCDMA-FSO system using EDW code at various environmental conditions' in 3rdInternational Can kaya Scientific Studies Congress at Ankara, Turkey, 28-29th February, 2024.
2. Anu Sheetal and Harjit Singh presented a paper entitled 'Comparison of Conversion Efficiency of MPM as a Down-Convertor Using Various Optical Amplifiers' in 9th International Conference on Contemporary Scientific Studies at Islamic University of Lebanon and IKSAD Institute, 13-15th March, 2024.
3. Diksha Saini, Satbir Singh and Gurpreet Singh presented a paper entitled 'Advanced Dye Sensitized Solar Cells based upon Semiconductor ZnO Materials' in the International Conference on Fundamental and Industrial Research (iConFIRM 2023), at Indian Institute of Technology, Ropar on 12- 14th December 2023.
4. Mini Singh Ahuja presented a paper entitled 'An Experimental Study of an Intelligent and Dynamic Network Anomaly Detection System' in the 2ndIEEE International Conference on Device Intelligence, Computing and Communication Technologies (DICCT-2024) at Graphic Era (Deemed to be University), Dehradun, Uttarakhand, 15-16 March, 2024.

**Invited Talks in STCs/ FDPs/ Conferences:**

# DETAILS OF UNIVERSITY & CONSTITUENT COLLEGES

## GURU NANAK DEV UNIVERSITY COLLEGE, JALANDHAR

### Introduction of the College

Guru Nanak Dev University College, Jalandhar which was established as Panjab University College in 1962, came under the prerogative of Guru Nanak Dev University, Amritsar in 1973. It is in the center of the city, situated at just 1 km from the railway station and 2 kms from the bus stand. With conventional and novel educational programs, and requisite infrastructure, the college is housed in a majestic building and has a peaceful, natural, and conducive environment for studies. Its seeds were sown as an Arts College but gradually shifted its focus from traditional to professional courses. With the paramount objective to provide quality education and career opportunities to the students of the region and to make them market ready, keeping in view the shifting dynamics of market, MBA(FYIC) was introduced in 2004, MBA (Two years) in 2010, and MCA (Three years) in 2011, M.A (PUNJABI) in 2021. In continuation with these endeavors, in the commencement of academic year 2013-14, B.COM, B.COM (Honours) and M.COM courses were also started. Additionally, BCA was also started from academic year 2014-15. Thereafter, B. Com (Financial Services) which is a professional course for students aspiring to study finance as a specialization was also started in 2019-20. Subsequently, vocational courses based on skill development, B.VOC (E-Commerce and Digital Marketing), and B.VOC (Photography and Journalism) were introduced in academic session 2020-2021. These professional courses and skill-based courses are expected to create young leaders, winners, and achievers in a global corporate world.

### Infrastructure of the College:

The college claims excellent infrastructure in terms of airy and spacious Class Rooms, modern Computer Labs, and well-equipped Seminar Halls which are aesthetically designed to ensure high degree efficiency in the teaching learning process. Wi-Fi facility, 2 Mbps leased line; modern teaching aids like multi-media projectors are available to complement the teaching-learning process. Several support systems for overall development are bestowed to the young minds. College Sports services encourage the students to give importance to their physical well-being along with studies. It is the best way to channelize the energy of the present-day youth. An Entrepreneurship Development Centre has also been established for the welfare of entrepreneurs and giving new shapes to the business ideas of each individual. Management and IT experts are regularly invited to interact with the students. The college also has an Institution’s Innovation Council established by Ministry of Human Resource Development, Govt. of India to promote innovation in the institution. An NSS unit has also been established in the college to promote the motto of NSS which is "*Not Me, but You*". Moreover, NSS helps the students to develop a sense of selfless service and appreciation of the other person's point of view and to show consideration for fellow human beings. The College library has a valuable

collection of text books, reference books, variety of newspapers, national and international magazines, and professional journals.

24. 9th April, 2024: Workshop was organised on Income Tax and E-filing.

## SHAHEED RAM SINGH PATHANIA MEMORIAL GURU NANAK DEV UNIVERSITY COLLEGE, NIARI

Way back in the early nineties, the awakened citizens of Dhar Block, under the patronage of Rajput Sabha joined their heads, hearts and hands together. The noble aim was to provide higher education to the daughters/ sons of the soil i.e., the remote and backward areas of Dhar subdivision. It was an uphill task but worth the cause. Drawing inspiration from the great legendary hero of the ilaqa, Shaheed Ram Singh Pathania, they started this educational Institute in the scenic lap of nature at village Niari. Initial hiccups inspired them to hand-over the college to Guru Nanak Dev University Amritsar, courtesy care and concern of the then education minister Master Mohan Lal ji. The Gram Panchyat of the Naloh/Niari was very kind to offer 27 acres of land for this purpose. Under the stewardship of the worthy Vice-chancellor Dr. H.S Sooch, the Guru Nanak Dev University Amritsar took reins of this College on June 10, 2001. Vide Syndicate decision dated 29-12-2000, the college was taken over by Guru Nanak Dev University, Amritsar, from a private trust and University started imparting instructions in Bachelor of Arts classes. The said decision of the Syndicate was duly approved by the senate of the University vide decision/ resolution dated 25-01-2003. Since then, the College is a University College standing as a light house for the Dhar subdivision. Honourable Vice-chancellor Dr. Jaspal Singh Sandhu is very keen to develop this institution as one of the best educational Colleges. He has been very kind to get the construction of four new classrooms completed and furnished them with sleek furniture. Located in the lush green edenic surroundings, our college is about 35 kilometers from District Head Quarters on Pathankot-Dalhousie Road. The college imparts instructions the following Courses/ Degrees:

1. B.A. with effect from 2000-2001 & with Comp Sci. Subject w.e.f. 2007
2. PGDCAwith effect from 2008-2009
3. BCAwith effect from 2010-2011
4. B. Com with effect from 2015-16
5. B.Sc. Economics with effect from 2012-13
6. Diploma in Computer Application with effect from 2012-13
7. New subjects: Economics, Mathematics, Sociology w.e.f 2012-13.
8. Besides this, we have introduced Semester system from 2012-13 in respect of all First year Courses /degrees.
9. From 2017-2018, the college introduced foundation and short-term certificate course in Human Rights Education under the aegis of University Grants Commission, New Delhi.

10. From 2018-2019 the college started 1 year Diploma Course in Refrigeration and Air Conditioning in Automobiles to promote vocational education.
11. From 2018-2019, the University has established a learning support center in respect of various post graduate degree courses like MA in English, Hindi, Punjabi, History, Political Science, M. Sc in Computer Science, M. Com and professional degrees like MBA, and MCA. In addition, the learning center will also support students of PG diploma in Computer Application, Diploma in Computer Application, Diploma in Communication Skills and Certificate course in Human Rights and Duties Education.
12. From 2019-20 B.Sc. I(Non-Med.), B.Sc. I (Comp. Sc.) and Physical Education in BA.
13. Though much has been achieved but greater inputs are required for providing basic infrastructure like Transport, Sports, Technical and Science education.
14. From the session 2020-21 subjects Fine Arts and Defence & Strategic Studies in BA-I

14. Ms Promila Saini, Sociology
15. Mr Robin Singh, Phyical Education
16. Mr Sanjeev Singh, Chemistry

## AMARDEEP SINGH SHERGILL MEMORIAL COLLEGE MUKANDPUR

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a University College with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice - Chancellor, Prof. (Dr.) Jaspal Singh Sandhu, our college is progressing by leaps and bounds. The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in the prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve a noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates.

The college is situated at Mukandpur, a small town in district S.B.S. Nagar. It is about 8 Kms from Banga, 20Kms from Phagwara, 20 Kms from Phillaur and 20Kms from SBS Nagar. The campus sprawls in an area of over 20 acres with an architecture that merges with the landscape. It has a splendid triple-storied building with an open shelf library, having more than 33,500 books, number of journals/magazines and leading newspapers. The college library is also providing e-journals and e-books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e-book section also. Students can also access educational C.D's in the library. The college library provides facility of internet and photocopy to students and faculty members. The college has Physics, Chemistry, Botany, Zoology, Home Science, Nanny Care, Music (V), Medical Technology laboratories and smart class rooms. In addition to this, there is a separate Computer Science and I.T. Block, which has six state-of-the-art Computer Labs equipped with 150 computers and internet connectivity of 20mbps (1:1) through radio link. Equipped with modern teaching aids, the Department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate Seminar Hall with a seating capacity of 170 persons. A hostel for 80 girls is available with extended internet facility in it. The Gymnasium with its latest imported machines is a cynosure of all eyes. Sports facilities include a track of four hundred meters and playfields for football, hockey, volleyball and handball. A fleet of buses carries the girl students to college and back to their homes. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities.

The college has highly qualified, hardworking and dedicated faculty. Presently, the college is running professional courses like MCA(TYP), MBA, MBA(FYIP), CCMLT, Diploma in Nanny Care & Nutrition, Diploma in Food & Beverage and P.G. Certificate Course in TDS

Management & Return Filing along with other traditional courses like M. Com, MA Punjabi, M. Sc.IT, BA, B.Sc. (Medical/Non-Medical/Computer Sci./Economics), B. Com, BBA, BCA, PGDCA, DCA and DCM.

To widen the horizons of the learning, seminars and extension lectures by eminent speakers are arranged in the college from time to time. Separate units of N.S.S., Youth Club and faculty/subject wise societies have been working to make our students disciplined and service-oriented citizens. Under the buddy programme for drug awareness being run by the Punjab Government, we are working towards educating our students about the ill effects of drug abuse and generate positive peer influence. Our college is leading in academics in the area and also has achieved name and fame in cultural activities. Educational trips are also organised during the session. Apart from being a medium for entertainment, these educational trips cultivate team spirit, mutual adjustment and tolerance amongst the youth. Various cultural programmes including talent hunt, inter-college competitions and Amardeep Mela are organized annually. Athletic meet is also our annual feature.

As an innovative practice the institution has established various committees like student facilitation committee, prevention of caste-based discrimination committee, students' grievances cell, anti-ragging committee, anti-sexual harassment committee, SC scholarship facilitation committee etc., with the objective of providing information regarding counseling and support services on the campus along with promoting awareness on different issue and redressing the grievances of the students. These committees and cells not only facilitate the students but also provide congenial atmosphere for the overall development of students. Quick and suitable action is taken against any complaints from a student thus ensuring a congenial environment in the college without any fear of harassment.

Our college has put forth an exemplary tradition of imparting blended education where students are given top priorities and teaching learning process was carried according to the need and pace of our dear students. The college is committed to provide quality education through towering standards of teaching and is hopeful to touch new vistas in the time to come.

**BEBE NANAKI UNIVERSITY COLLEGE, MITHRA, KAPURTHALA**

Established in the year 2011, Bebe Nanaki University College, Mithra, Kapurthala is one of the constituent colleges established by Guru Nanak Dev University in the collaboration of UGC, New Delhi and Punjab government. Spread in the huge and splendid campus of 17 acres the college has the required infrastructure for the physical and mental growth of the students. It has been embellished with the lush green lawns. A dedicated team of highly qualified faculty appointed by Guru Nanak Dev University Amritsar and efficient administration imbued with wonderful deal and progressive vision is working hard day and night to attain the goal of all round drawing out the best in student's body mind and spirit. Keeping this aspect in mind NCC and NSS units have been contributing efficiently. Various seminars, conferences, workshops and group discussions are conducted at regular intervals to promote the academic growth and development of literary tastes of the students.

Under the superlative command of honourable vice chancellor Prof. (Dr.) Jaspal Singh Sandhu, this college has achieved remarkable success in university examinations in the previous session 2022-231. Our students are setting new milestones every day. This college has been considered as the best academic institution for the students of the district specially the backward students belonging to the rural belt of Kapurthala.

In this highly advanced scenario, we can't limit ourselves to the academic field only. So far as the all-round development of the students is concerned, our students participate in various cultural and extra -curricular activities. Our students excel not just in their academic endeavour but also in sports and other extra -curricular activities.

Refined computer science laboratories and fashion designing laboratories and a Hi-Tech English language lab has also been installed to promote the proficiency of the students in all the skills of English language. A big and modish library has been provided to sustain the literary and academic growth of the students. Double stills, Spectrometer, GM Counter, Poisson Ratio for rubber, Sextant, Fume Hood, Cathode ray oscilloscope, Ph meter, LCR Resonance, Conductometer, Refractometer etc.

## GURU NANAK DEV UNIVERSITY COLLEGE VERKA, AMRITSAR

GNDU College Verka was established in the year 2011. Almost all profitable courses are a part of the college curriculum. This includes BA, B.Sc., B. com, BCA, B.Sc. (IT), B. Voc, M. Com, BBA, B.Sc. (FD), M.Sc. Math's, B. Com (Financial Services), DCA, CMLT, PGDCA, PGDFS, and M.A. Pol. Sci.

The college has excelled in academic, co-curricular and extracurricular activities in the past years. The college has a well –stocked library and well-equipped labs. There are 45 well-lit spacious classrooms. The college faculty comprises of highly educated, competent and efficient staff members appointed by GNDU. The College has witnessed remarkable achievements in all the spheres of student development. The college is treading the path of success under the able

guidance of the worthy Principal and persistent efforts of the staff. In the current session as well, the college has achieved numerous milestones. Six extension lectures were conducted by various departments. They were highly beneficial for the students and teachers. The Sixth Annual Convocation of the college was an applauding and prestigious occasion attended by renowned academic faculty from Guru Nanak Dev University. The other Annual events included the Ardaas Diwas, Blood Donation Camp, Sports Meet, Jashan-e Commerce and the NSS Camp. The other special events which were celebrated were: The World Mental Health Day, Science Day, and Voters Day. A Poster Gallery was also exhibited by the Dastak Manch, a famous theatre club. Students also participated in various Inter College Competitions. They went to a State Level Camp in Manali, an education Program at HMV, Jalandhar, for an NCC Drill at Khalsa Engineering College, Ranjit Avenue, Lit Fiesta at Khalsa College, Amritsar, a Youth Training Workshop at Chandigarh and a slogan competition at DAV College of Education. The college also bagged several positions in the Youth Festival. A Skill Development Workshop was conducted by F.D department and another workshop was organized by the Glam Aura Nail Art Academy. A farewell Party was organized with meticulous precision towards the end of the final semester. Trips and excursions to Fun city, Jalandhar and Mukteshwar Dham Near Mini Goa, were well organized by the Science, Arts and Commerce Departments. Besides this, the students have also excelled in academics by securing positions in university merit list. The teachers remain actively engaged in their research pursuits while performing other duties.

## GURU NANAK DEV UNIVERSITY COLLEGE, CHUNGH.

**Introduction:**

Keeping in view the academic needs of the residents of rural, semi urban and border areas of Tarn Taran district, to impact affordable quality education and to spread knowledge, the Higher Education Department of the Government of Punjab established this College as Government College, Chungh (Tarn Taran). The foundation stone of the College was laid on 18th February, 2010 by the Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal in the presence of the Education, Civil Aviation, Vigilance and Law Minister Dr. Upinderjit Kaur; Member of Parliament, S. Rattan Singh Ajnala; M.L.A. Valtoha constituency, S. Virsa Singh Valtoha; Principal Secretary, Higher Education, S. K.B.S. Sidhu, IAS and Deputy Commissioner Tarn Taran, Shri Khushi Ram.

Later on, Punjab Government handed over the College to the administration of the University as a Constituent College and the College was renamed as Guru Nanak Dev University College, Chungh (Tarn Taran). Subsequently, the formal inauguration of the College was held on October 21,2011 by Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal. From its beginning academic session 2011-12, under the visionary guidance of Worthy Vice-Chancellor, Guru Nanak Dev University, Dean Academic Affairs, Dean College Development Council, and under the dynamic leadership of current OSD Mrs. Kinderjit Kaur, the College is consistently endeavoring to achieve the set goals.

Deserted and terrified owing to repeated Indo-pak wars, devoid of basic infrastructure of education, even after decades of independence, this area was waiting for such a milestone to happen. Dream of development of the people was realized by the Government of Punjab in the form of this very College. In the natural and beautiful setting, the college is spread over a vast campus measuring 12 acres on the Bhikhiwind-Khemkaran main road. With spacious, magnificent, sunlit and airy rooms of the four blocks- Administrative Block, Science Block, ICT Block and Arts Block- the college represents a unique model of modern architecture in its own. The College housed with state-of –the-art computer, science and other laboratories; a fully computerized library stacked with large number of quality volumes; highly qualified faculty appointed by the University, is currently imparting education in as many as 10 academic courses. The College is indeed a boon for the people of this area, especially for poor section of the society.

**Infrastructure Facilities**

The Guru Nanak Dev University College, Chungh has well equipped Chemistry, Physics, Geography, Computer Science, Psychology laboratories.

## GURU NANAK DEV UNIVERSITY COLLEGE NAROT JAIMAL SINGH

### Introduction:

Guru Nanak Dev University College Narot Jaimal Singh multi faculty co-educational, post graduate, constituent college is a center of learning that promote academic excellence was established in 2011 with collective efforts of UGC, Punjab government and Guru Nanak Dev University Amritsar. It is situated just 12 km away from Indo Pak border and 4 km away from J&K border having sprawling campus covering 12.5 acres of land. The college building is beautifully designed and is Ultra-modern and has conductive environment for academic pursuits. It is surrounded by snow covered beautiful Dhauladar peaks and in the foot hills of J&K. It is far from maddening crowd and polluted environment of cities. College is recognized by UGC under section 2(f) and 12(b) of the UGC Act 1956 F. No. 8407/2012(CPP-1/C) dated July 2012. Patronized by Prof (Dr.) Jaspal Singh Sandhu, Vice Chancellor Guru Nanak Dev University, Prof. Palwinder Singh (Dean, Academic Affairs), Prof. (Dr.) Saroj Arora (Dean, CDC) and Prof. (Dr.) K.S. Kahlon (Registrar), The whole region owes to these great personalities for their efforts. It is a matter of immense pride that the college has completed 13 years of its inception and has imparted outstanding service to humanity during this time period. The college has rendered exemplary work in the fields of education, sports, culture and social services and has risen to emerge as one of the leading colleges of the area. the college has taken big leads in Academics, cultural activities and social commitments. The student strength in year of its inception was 650 in number and in the current session has swelled up to 1028. The college campus has four blocks IT, Arts, Science and Commerce block. Our college is providing best education to students at a very nominal fee. College is having highly qualified and experienced staff appointed by Guru Nanak Dev University Amritsar. College performs assigned tasks and responsibility through number of bodies like admission committee, discipline committee, sports committee etc. The college periodically conducts Workshops, Regional and National Seminars, Student Departmental Activities, Guest Lectures and Industrial visits for its students. The Unique pedagogical practices of college are largely responsible for its overall growth.

**Vision and Mission:**

- To keep pace with changing trends in the field of education.
- To follow a system with the blend of sports, cultural, academic extracurricular and community development activities.
- To promote and propagate Punjabi, Heritage, language and literature.
- To lay stress on ethical values.
- To impart such knowledge as may be necessary for all round development of character of students
- To channelize energy of students towards nation building activities.
- To spread and encourage women education.

**College Infrastructure**

College has physics, chemistry, fashion designing, geography labs which are fully equipped. In our library there are more than 2500 books and its full fill needs of every student who want to appear in competitive exams. Wi-Fi campus, safe secure environment with CCTV cameras installed, hygienic open canteen are the other main features of college.

As we reflect on the past year our college excelled not only academically but also in fostering holistic environment where student continued to thrive in various spheres of life.

**Activities & Achievements:**

Our students have shown excellence at district and university level by securing merit positions. College periodically conducts workshops, regional & national seminar, guest lectures and industrial visits for students. GNDU has approved 3 units of NSS in this college which participate in various social welfare programs. The 7th Punjab Battalion national cadet Corps (NCC) in Gurdaspur has granted NCC affiliation to our college starting from the academic session of 2024-25. The college provides an effective platform to the students in different cultural activities like music, drama and theater dance in the youth festival & in other college activities.

## GURU NANAK DEV UNIVERSITY COLLEGE, PATTI (TARN TARAN)

### Introduction

Guru Nanak Dev University College, Patti was initially established as Government College in 1969. Government College Patti benefited the Patti belt tremendously in terms of education but it failed to fulfil the needs of changing scenario due to lack of new professional and vocational courses and deficiency of staff. Later on, college came under the management of university from the session 2012-13 and renamed as Guru Nanak Dev University College, Patti.

### Salient Features of the College

- Constituent College of Guru Nanak Dev University.
- College recognized under 2(f) and 12 (B) of UGC act 1956.
- Affordable quality education: Very less fee in comparison to private colleges.
- Centre of Co-education.
- Highly qualified and experienced faculty appointed by Guru Nanak Dev University.
- Excellent Academic result and healthy academic environment.
- Magnificent, airy and spacious building.
- Well-equipped Chemistry, Physics, Computer, Geography and Vocational laboratories with ICT facilities.
- Skill development courses for employability enhancements.
- Library stacked with large number of books and journals.
- Vast campus spread over 12.5 acres situated on the main road.

- Excellent playground, badminton and volleyball courts.
- Emphasis on Cultural, social and sports activities.
- Organization of workshops, seminars, extension lectures for the overall development of the students.
- Campus with aqua guards, water coolers and internet facilities.
- Efficient NSS wing to inculcate social values among the students.
- Efficient NCC wing to provide military training as well to inculcate values like discipline, selflessness, honesty, hard work, confidence and leadership qualities in the students.

**Achievements and Activities**

- After the downfall as Govt. College, Guru Nanak Dev University College, Patti achieved the strength of 1124 with 559 girls and 565 boys in year 2023.
- College students performed well in university exams.
- College students bagged various positions at university level in extracurricular activities.
- College students won various position in Zonal Youth Festival held at GNDU, Amritsar.
- Students actively participated in various sports, NSS and NCC activities.

1. Dr. Jaspreet Kaur presented paper in ICSSR Sponsored National Seminar "Green Energy: An Eco-Friendly Future"

**Details of Invited Lectures/ Extension Lectures/Talks/ Chairing a Session/ Discussant/ Panelist etc.**

1. Dr. Jaspreet Kaur, invited for extension lecture at KNCW College, Phagwara.
2. Dr. Jaspreet Kaur, invited in PU Patiala for panel discussion on Kathakari nu Samajdeya.

**Seminar/ Conference/ Workshops/ Invited Lectures/ Courses/ Symposia organised by the College**

1. 3rd August 2023: A Havan was organized to seek divine blessings of the Almighty on the first day of the session 2023-24 in the college.
2. 9-15 August 2023: During this seven-day camp (from the 9th to the 15th August), a plethora of events unfolded to raise awareness among the masses on diverse topics. A campaign for "Meri Mitti Mera Desh" was conducted by NSS. This initiative aimed to commemorate the 76th Amrit Mahotsav of Independence by engaging the community in

meaningful endeavors. NSS volunteers diligently planted medicinal plants in the adopted village Siyonti, fostering environmental consciousness and sustainable practices.

3. 23 August 2023: A 3-day picture exhibition was organized on "Seva, Sushasan Aur Garib Kalyan" by Ministry of information and broadcasting. In this occasion, D.C. Mr. Harbir Singh and BSF commando Sunil Mishra were invited as chief guests.
4. 16 September 2023: The NSS unit of Guru Nanak Dev University College, Pathankot collaboratively with Hindi Department celebrated Hindi Diwas. It involved insightful talks and panel discussions on topics related to Hindi language, history, literature, and heritage. The renowned writers Dr. Lekhraj and Mr. Shaili Baljeet were invited as Chief Guests.
5. 3 October 2023: The college was honored with a state award in recognition of its exemplary efforts towards promoting blood donation and saving lives. This prestigious recognition was received from Punjab State Blood transfusion council, Department of Health & Family Welfare, Govt. of Punjab.
6. 5 October 2023: An AIDS Awareness camp was organized by District level Network AIDS control Society. The main objective of this camp was to educate students about the transmission, prevention, and treatment of HIV/AIDS.
7. 17 October 2023: One day Blood donation Camp was organized under the aegis of the NSS department, in collaboration with the Rotary Club, to promote the noble cause of blood donation. The blood collection was efficiently managed by a team of doctors from Civil Hospital Pathankot, led by Dr. Tanya Garg, the Blood Transfusion Officer.
8. 9 November 2023: Punjabi Diwas Celebration. It involved insightful talks and panel discussions on topics related to Punjabi language, history, literature, and heritage. District Language officer, Dr. Suresh Mehta was invited as Chief Guest.
9. 12-16th January 2024: Two of our college students, Mr. Manav (pursuing B. Com), and Ms. Shrutika (pursuing MA in English) participated in National youth festival held from January 12th to January 16th, 2024, in Nasik district, Maharashtra.
10. 28 January 2024: NSS unit of our college organized a special event commemorating 14th National Voters' Day. This event emphasized the importance of active participation in the democratic process and the significance of exercising one's right to vote.
11. 30 January 2024: The students of GNDU college Pathankot brought laurels in the district level youth festival organized by R.R.M.K Arya Mahavidyalaya. Bhangra team and Luddi Lok Nach won the first and second positions, respectively. Rangoli team secured the third position in the youth festival.
12. 6 February 2024: District language office Pathankot organized "Language Kavi Darbar". In this occasion, Ajaib Singh Chadha (chairman, Jagat Punjabi Sabha, Canada) was invited as Chief Guest.
13. 13 February 2024: The commerce department conducted an e-filing workshop in which 200-250 students participated. This workshop was invaluable in empowering students to

navigate the complexities of e-filing systems and ensuring their readiness for success in both academic and professional endeavors.

14. 21 February 2024: Entrepreneurship development Program was organized by commerce department. In this program, several activities such as making of commerce-related models, poster making competition, rangoli, various indoor games and food stalls were prepared.
15. 27 February 2024: A quiz competition was organized on the occasion of the birth anniversary of Swami Vivekananda. The event was jointly organized by the Hindi Department in collaboration with the Bharatiya Shikshan Mandal and the NSS Department of Guru Nanak Dev University College, Pathankot. Shri OP Aggarwal ji, Chief Coordinator of AAP was the chief -guest.
16. 28 February 2024: A one-day camp for environment protection was organized by the NSS unit of our college. Over 150 NSS volunteers actively participated in the camp, engaging in cleaning activities both within the college premises and in the surrounding areas.
17. 29 February 2024: A cleanliness drive in college campus was organized by NSS. In this drive nearly 60 students participated.
18. 2 March 2024: ICSSR-Sponsored One day National Seminar was organized on the broad theme of “Green Energy: An Eco-Friendly Future”. In this event, Assistant professors and research scholars from various colleges and Universities presented their paper. Prof. (Dr.) Saroj Arora was the inaugural chief guest. Prof. (Dr.) Renu Bhardwaj was the valedictory chief guest. Prof. (Dr.) Geetika Sirhindi (Punjabi University, Patiala) was invited as Guest of Honour. Furthermore, Prof. (Dr.) Deepak Pathania (Central University of Jammu) was key note addresses. Prof. (Dr.) Prof. Veenu Kaul (University of Jammu) and Prof. (Dr.) Deepak Pant (Central University of Himachal Pradesh) served as resource persons for the seminar.
19. March 2024: Hindi Department organized an Educational Tour to DoorDarshan Jalandhar for M.A. Hindi students.
20. 27 March 2024: To mark “Shaheed Bhagat Singh Shaheed Diwas”, a writing Competition was held in college by the joint collaboration of NSS and Political Science department.
21. 5 April 2024: “My First Vote" event was organized by NSS department. It served as a beacon of empowerment for first-time voters, equipping them with the tools and inspiration to become active participants in the democratic process.
22. 13 April 2024: The Fashion Designing Department hosted an exhilarating Competition and Exhibition centred around the theme "Biox Art." The event invited aspiring fashion designers (students of fashion designing department) to showcase their talent by creating original garments and accessories. President of Inner Wheel Club, Ms. Payal Aggarwal and members of Inner Wheel Club Ms. Kavita Honda and Ms. Nisha Singal were invited in this event.

23. 16 April 2024: A Power-point presentation competition was organized on the latest technologies by students of Computer Science department. Students showcased the newest technologies in a vibrant presentation hosted by the Computer Science Department. The purpose of this event was to provide students a chance to showcase their expertise and originality in the quickly developing field of technology.
24. April 2024: The department of "Fine Art" organized its Third Annual Exhibition. In this event, the founder of Third Eye Cultural School, Sh. Anand Sharma and Dr. Neeta Kabotra (R.R.M.K Arya Mahavidyalaya) were invited as Chief Guest.

## BABA NAMDEV UNIVERSITY COLLEGE, KISHANKOT

**Introduction :**

Baba Namdev University College, Kishankot was established as a constituent college of GNDU, Amritsar in 2016. It is a post-graduate, multi- faculty, co-educational college recognized under 2F & 12B of UGC Act. This establishment is a result of united efforts of MHRD, Govt. of Punjab and GNDU, Amritsar. This college is under the new scheme with special purpose to raise the standard of higher education especially for the population of remote, rural and backward area. It is historic step taken by Punjab Government which will always be remembered by people of this area.

In this college all those courses which have some special relevance in present times and are in demand are being offered. At present, courses being run in the college are: - B.A., B.Sc. (Medical, Non-Medical, Computer Science, Fashion Designing), BCA, B. Com, MA (Punjabi), DCA, Diploma in Cosmetology. The new courses: - MA in History, M.Sc. computer Science, PGDCA, Diploma in web Designing, Diploma in stitching & Tailoring, Diploma in Library Science) sanctioned by GNDU Amritsar are starting from the next session. The aim of these courses is to prepare the students for the challenges in modern times. The fee structure of this constituent college is less than other private colleges. Students enrolled in the session 2023-24 were more than 587. The college has well equipped labs of Science, Computer, Fashion Designing and Cosmetology Departments. The college has facility of Library and playground for the students. The college is also under the surveillance of CCTV cameras. Since constituent colleges are under the management of Guru Nanak Dev University, Amritsar. Therefore, University appoints or recruits the staff of the college. The competence and efficiency of teaching as well as non-teaching faculty of college has been well exhibited in the performance of students in all the spheres of student's development. It takes pride in inculcating the spirit of self-confidence, perseverance and analytical thinking in the students besides fulfilling the aim of providing excellent facilities for learning and achieving scholastic heights.

**ACTIVITIES (2023-24)**

**Religious Activities:**

1. Path of Shri Sukhmani Sahib: - In the beginning of new session (2023-24), path of Shri Sukhmani Sahib was organized to seek the blessings of God on 15.09.2023, under the guidance of Principal Prof. (Dr.) V.K. Singh and with the support of faculty members and students. After the recitation of holy path, an ardass was made for the progress and prosperity of the college followed by the distribution of 'karah parasad'. Langar was also served at the culmination of path.

# GURU NANAK DEV UNIVERSITY COLLEGE PHILLAUR

## Introduction:

This college has been established in 2016 under the Guru Nanak Dev University, Amritsar. It is an institution with a sprawling campus. This college is situated in the green surroundings of the countryside far from madding crowd and pollution of the city. Wings of this College have Arts and Commerce faculties. This establishment is a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar. This college is under the new scheme with special purposes of raising the standard of higher education specially in rural area.

This constituent college is under GNDU Management. It is the responsibility of the University to appoint or recruit the staff of the college. But it will get financial support from Punjab Government and UGC. For that reason, the fee structure has been according to the government colleges. Private college are out of the reach of the needy students. This constituent college has been established to provide qualitative and affordable education. The credit also goes to Vice-Chancellor of University, who has put in great efforts to establish this college.

## GURU NANAK DEV UNIVERSITY COLLEGE, NAKODAR

Guru Nanak Dev University College, Nakodar was established in 2016 under the aegis of Guru Nanak Dev University, Amritsar. It is an institution with a sprawling campus. This college is situated in the green surroundings of the countryside far from madding crowd and pollution of the city. This establishment is a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar. This college is under the new scheme with special purpose of raising the standard of higher education especially in rural areas. It is located on Nakodar-Mehatpur road at the distance of just few hundred meters from railway station and two kilometres from the bus stand. The college offers various Undergraduate and Postgraduate courses in Arts, Commerce & Science stream. Keeping in view the demands of the students new courses are being added year by year. The college is offering Post graduate programmes namely M.A (Punjabi), M.A.(English), M.A.(Political Science), M.Com., & PGDCA. At Undergraduate level various programmes that are being offered are BCA, B.Sc.(Economics), B.Sc.(Non-Medical), B.Sc.(Computer Science), B.Com. & B.A. The students are also deriving the benefits of one year diploma programmes being offered by the college. These are Diploma in Computer application, Diploma in Professional Accountancy and Diploma in Cosmetology. These courses aim at providing employment opportunities to the youth of the region.

The infrastructural facilities of the college are par excellence. The class rooms, Science labs, Computer Labs, Seminar halls are designed in such a manner so that teaching learning process can be efficiently carried on. To facilitate the teaching process Wi-Fi facility and multimedia projectors are made available to the students. There is Verka Milk Booth that provides healthy eatables to the students during their stay in the campus.

Apart from academic inputs the college lays emphasis on all- round development of the students. During the academic year 2023-24, various departments of the College conducted activities for inculcating academic and general skills in the students.

The college continuously makes whole-hearted efforts to ensure the overall personality development of the students. Besides ensuring academic growth of the students, the activities conducted by various departments aim at inculcating several other skills.

To commemorate the birth anniversary of Shaheed Bhagat Singh, The Department of Punjabi of the college presented a ‘Nukkad Natak; titled ‘ Akhir Kado Tak’ this was presented by the team of Red Arts Punjab. The Natak aimed at creating awareness among the students on the burning topic of drugs. The college organized a ‘Kavi Darbar’ in which various poets from India and abroad participated with great enthusiasm. The college celebrated the inauguration ceremony of the construction of the third floor of college building.MLA Inderjit Kaur Mann graced the occasion with her precious presence. She applauded the efforts of the state administration in sanctioning the much needed grant of 2 crore 1 Lakh for the completion of the construction work of the third floor of the college. This will facilitate the construction of a multipurpose hall, library, classrooms, computer labs and grounds of Basketball and Volleyball. An educational tour programme was organized to Mata Chintpurni & Bombay picnic spot by the NSS Unit of

the college. Another educational tour was organized to Shri Anandpur Sahib, Mata Naina Devi & Virasat-e-Khalsa. These tour Programmes were aimed to acquaint the students with our rich cultural heritage. The Department of Physical Education of the college organized Annual Sport Meet. During this event students participated in various games such as Volleyball, Table Tennis, Badminton, and Chess & Athletics. The efforts of the college in the field of sports are commendable as sports contribute significantly in the physical & mental well-being of the students. The Department of Cosmetology of the College celebrated the festival of Karwachauth. To mark the celebration the competition of Mehndi & Bangle Making were organized. These competitions are aimed to bring the students close to rich Indian culture. In the district level games 'Khedan Watan Punjab Diyan' held at village Jalhan students of the college showed their remarkable performance in weight lifting competitions. In the senior category Kuljeet Singh lifted weight of 370 kilograms and bagged gold medal. In the under-19 category Vineet Suman lifted 475 kilograms and bagged silver medal. NSS unit of the college celebrated NSS Foundation Day. Under Swach Bharat Abhiyan, a procession was conducted to create awareness about cleanliness. NSS program officer Ms. Pardeep Kaur , Assistant professor in Physical Education organized this program and procession.

The college continuously makes whole-hearted efforts to ensure the overall personality development of the students. Besides ensuring academic growth of the students, the activities conducted by various departments aim at inculcating several other skills.

## BEBE NANAKI UNIVERSITY COLLEGE (GIRLS), FATTU DHINGA

### Introduction:

Bebe Nanaki University College (Girls), Fattu dhinga, is a constituent college of Guru Nanak Dev University, Amritsar established in the year 2019 with the collective efforts of the Punjab Government and Guru Nanak Dev University, Amritsar. The vision of the college is to aggrandize nation-building in the emerging global scenario by their holistic development. The College is committed to clinch the twin objectives of imparting quality education and inculcating moral values amongst girls' students belonging to the rural and educationally backward belt of Kapurthala district. This college has a sprawling area of 25 acres of land. The college is equipped with modern classrooms and Hi-Tech Computer labs. A big and modish library has been provided to sustain the literary and academic growth of the students. A dedicated team of highly qualified faculty appointed by Guru Nanak Dev University Amritsar is working day and night to attain the goal of the college. We are focused on preparing our students for the challenges and opportunities of a rapidly changing world.

### Activities in 2023-24

1. The first camp of the NCC of the year was conducted from 10th July to 19th July under the auspices of the 21 Punjab Battalion at IKG PTU in Kapurthala. This camp aimed to provide cadets with practical training in various aspects of military and leadership skills.
2. On 15th August 2023, the 77th Independence Day was joyously celebrated at our college under the theme 'Meri Mati Mera Desh.' Dr. Daljit Singh (OSD) hoisted the national flag and planted a sapling alongside the entire staff, marking the occasion with patriotic fervour and a commitment to environmental sustainability.
3. On 18$^{th}$August, 2023Teej festival is celebrated in the college premises, where students participated in the Mehandi and dance activities.
4. 27th August 2023, a Talent Hunt Program was conducted in the college, where students showcased their hidden talents by performing different activities.
5. On 5th September 2023, Teacher's Day was celebrated at our college in honour of Dr. Radha Krishnan's Birth anniversary. The occasion was marked with gratitude and respect towards our teachers, who play a pivotal role in shaping our future generations.
6. On September 12th, 2023 a seminar was conducted in the college according to the guidelines of UGC. During this seminar, Ms. Kuldeep Kaur raised awareness among students about the natural and cultural heritage of the country, and provided information about historically significant places.
7. On September 18th, 2023 a Quiz Competition was held on the occasion of the Guru Granth Sahib Ji's Parkash Purab.
8. On September 28th, 2023 Ms. Manpreet Kaur acquainted the students with the life of Shaheed Bhagat Singh on his birth anniversary.

9. On 1st October, 2023 a seminar was delivered by Ms. Manpreet Kaur on Gandhi Jayanti. In this seminar Ms. Manpreet Kaur discussed the life and teachings of Mahatma Gandhi.
10. On October 13th, 2023 cleanliness drives under the Swachh Bharat Mission were initiated in the college by the Youth Tourism Club.
11. The second camp of NCC, an Army Attachment Camp, took place from 9th October to 21st October in Jalandhar. This camp provided cadets with hands-on experience and insights into the functioning of the Indian Army. Activities included exposure to military equipment, tactical exercises, and interactions with army personnel.
12. The college students participated in the GNDU University Youth Festival, where they secured 3rd place in the Mehandi competition and achieved 3rdplace in the mime competition.
13. On October 26th, a logo design competition under the Youth Tourism Club was organized. The theme of this competition was to create a logo design related to tourism.
14. On 9th November, 2023 foundation day of the college was celebrated. On this occasion, with the collective efforts of students and teachers, the recitation of Path Shri Sukhmani Sahib was organized in the college.
15. As per the directives of the Indian government, Ms. Prabhjot Kaur organized a program titled 'Quality India - Developed India' on 24th January. During this program, the National Anthem was sung and students took a pledge." The aim of this is to make students aware of bringing quality into every aspect of life.
16. On 25th January, 2024: Sahaj Path Sewa Society conducted a seminar in college to enhance students' moral education." Mr. Manjit Singh inspired the students to connect with the understanding of the importance of Gurbani.
17. In the college, International Mother Language Day was celebrated on 21th February, 2024 by organizing a program that included competitions in creative writing, poetry recitation and beautiful compositions.
18. As per the directives of the Indian government, the 'My First Vote for the Nation' campaign was initiated in the college on 4th March, 2024. During this, Ms. Kuldeep Kaur and Ms. Manpreet Kaur motivated the students to enthusiastically participate in voting.
19. The college organized a visit for students to Bhagat Puran Singh Pingalwara, Manawala. During the visit, students interacted with children and elderly at Pingalwara.
20. On 29th February, 2024 Annual Sports Meet was organised in which students participated in different sports activities like Race 100 Mt., Race 200 Mt., Shot put, Tug of war etc.
21. On 8th March, 2024 College celebrated International Women's Day where students performed different activities such as poem recitation, speech on women empowerment. Ms. Promila Arora shared her thoughts with students on Women's Day.
22. On 15th March, 2024 the college organized a visit for students to SadaPind, Amritsar, to acquaint them with local culture and customs.
23. On 23rd March 2024, a seminar was conducted at the college to commemorate the martyrdom of Shaheed Bhagat Singh, Rajguru, and Sukhdev. Ms. Manpreet Kaur eloquently

highlighted the struggles and achievements of these revolutionary leaders, emphasizing their enduring impact on India's freedom struggle. The seminar provided an insightful reflection on their sacrifices and ideals.

24. On 24th April, 2024 a seminar on "Ek Bharat Shreshth Bharat" was conducted in the college, inspiring unity and harmony among different castes, sections, and religions for progressive advancement.
25. On 6th April, 2024 a cultural program was organized in the college, in which students enthusiastically participated.
26. On 5th June, 2024 World Environment Day was celebrated to create awareness among the students. The students enthusiastically participated in the painting competition on this occasion.
27. On 21st June, 2024 International Yoga Day, was celebrated at the college with a yoga session led by students and teachers. The event focused on imparting the significance of yoga in daily life, emphasizing its benefits for physical and mental well-being.

# GNDU REGIONAL CAMPUSES: PROGRAMMES OFFERED & ITS SEATS AVAILABLE 2023-24

## A. Regional Campus Jalandhar

| Department | Programme | Seats available |
|---|---|---|
| Engineering & Technology | B.Tech (Computer Science & Engineering) | 80 |
| | M.Tech (Computer Science & Engineering) | 18 |
| | B.Tech (Electronics & Communication Engineering) | 30 |
| | B.Tech (Electronics & Computer Engineering) | 30 |
| | M.Tech. (Electronics & Communication Engineering) (Specialization Comm. Systems) | 18 |
| Journalism and Mass Comm | M.A. (Journalism & Mass Communication) | 20 |
| Laws | B.A. L.L.B. (FYIP) | 60 |
| | L.L.B. (Three Year) | 60 |
| | L.L.M. | 40 |

## B. Regional Campus Gurdaspur

| Department | Programme | Seats available |
|---|---|---|
| Engineering & Technology | B.Tech. (Computer Science & Engineering) | 30 |
| | M.Tech. (Computer Science & Engineering) | 18 |
| | B.Tech (Electronics & Computer Engineering) | 30 |
| | B.Tech (Electronics & Communication Engineering) | 30 |
| | M.Tech. (Electronics & Communication Engineering) (Specialization Comm. Systems) | 18 |
| | MCA (FYIP) | 30 |
| | MCA (Two Years) | 20 |
| Laws | B.A. L.L.B. (FYIP) | 80 |
| Business Management & Commerce | M.B.A (Two Years)) | 30 |
| | M.Com (FYIP) | 100 |
| | M.Com (Two Years) | 30 |

# AWARDS RECEIVED BY FACULTY IN MAIN CAMPUS 2023-24

1. Dr. Tejwant Singh, Associate Professor in Chemistry Department, Guru Nanak Dev University is awarded by JSPS (Japan Society for Promotion of Science) for JSPS Invitation Fellowship.
2. Dr. Deepa Sikand Kauts, Professor in Education Department, Guru Nanak Dev University is awarded by Shinawatra University with Certificate of Research Fellowship
3. Dr. Jitender Singh, Associate Professor in Mathematics Department, Guru Nanak Dev University is awarded by European Union + University of Miskolc, Hungary for ERASMUS Fellowship.
4. Dr. Gagandeep Kaur Gahlay, Associate Professor in Molecular Biology & Biochemistry Department, Guru Nanak Dev University is awarded by INSA for INSA visiting Fellowship.
5. Dr. Suresh Singh Yadav, Assistant Professor in Molecular Biology & Biochemistry Department, Guru Nanak Dev University is awarded by National Environmental Science Academy, New Delhi India for 1st Prize for Oral presentation in faculty group.
6. Dr. Baljit Kaur, Assistant Professor in Punjab School of Economics Department, Guru Nanak Dev University is awarded by ICSSR for Short Term Research Project (worth Rs. 4,50,000).
7. Dr. Pavleen Soni, Professor in University Business School, Guru Nanak Dev University is awarded by Punjab University, Chandigarh for Shiv Nath Rai Kohli Award

# RESEARCH PROJECTS OF THE FACULTY

**F.Y. 2023-24**

| Sr.No. | Name of the Faculty | Department | Funding Agency | Amount Received |
|---|---|---|---|---|
| 1. | Dr. Nirmal Singh | Political Science | Election Commission | 12,73,973 |
| 2. | Dr. Aman Mahajan | Physics | IUAC, New Delhi | 3,46,467 |
| 3. | Dr.P.M.S.Bedi | Pharmaceutical Science | DBT, New Delhi | 8,53,000 |
| 4. | Amrinder Singh | MYAS-GNDU Deptt. of Sports Science & Medicine | ICMR, New Delhi | 34,46,623 |
| 5. | Dr. Vandana Bhalla | Chemistry | SERB, New Delhi | 3653000 |
| 6. | Dr. Amritpal Kaur | FST | SERB, New Delhi | 600000 |
| 7. | Dr. Amritpal Kaur | FST | SERB, New Delhi | 1280000 |
| 8. | Dr. Sudesh Rani | Chemistry | SERB, New Delhi | 1000000 |
| 9. | Dr. N.P.S. Saini | Physics | SERB, New Delhi | 150000 |
| 10. | Dr. Sanyog Sharma | Chemistry | DST, New Delhi | 9,73,800 |
| 11. | Dr. Nisha Sharma | Physics | DST, New Delhi | 1143504 |
| 12. | Dr. Manoj Kumar | Chemistry | SERB, New Delhi | 600000 |
| 13. | Dr. Vandana Bhalla | Chemistry | SERB, New Delhi | 1100000 |
| 14. | Dr. Gurcharan Kaur | Biotechnology | DST, New Delhi | 1500000 |
| 15. | Dr. Aman Mahajan | Physics | SERB, New Delhi | 500000 |
| 16. | Dr. Aditya Sunkariya | Biotechnology | SERB, New Delhi | 850000 |
| 17. | Dr. Suresh Singh Yadav | Molecular Bio & Biochemistry | SERB, New Delhi | 1078000 |
| 18. | Dr. B.S. Bjawa | Physics | SERB, New Delhi | 1134000 |
| 19. | Dr. Aman Mahajan | Physics | SERB, New Delhi | 152987 |
| 20. | Dr. Saurabh Pandey | Agriculture | SERB, New Delhi | 2140172 |
| 21. | Dr. Prabhpreet Singh | Chemistry | SERB, New Delhi | 2294800 |
| 22. | Dr. Meenu Hans | Biotechnology | SERB, New Delhi | 2828000 |
| 23. | Dr. Amanpreet Kaur | Chemistry | SERB, New Delhi | 1686000 |
| 24. | Dr. Tejwant Singh | Chemistry | SERB, New Delhi | 400000 |
| 25. | Dr. Gagandeep Kaur | Molecular Bio & Biochemistry | SERB, New Delhi | 455000 |
| 26. | Dr. Swati Mehta | Punjab School of Economics | ICSSR, New Delhi | 1,60,000 |

| Sr.No. | Name of the Faculty | Department | Funding Agency | Amount Received |
|---|---|---|---|---|
| 27. | Dr. Pavleen Kaur | University School of Business | ICSSR, New Delhi | 1,20,000 |
| 28. | Dr. Baljit Kaur | Punjab School of Economics | ICSSR, New Delhi | 3,37,500 |
| 29. | Dr. Harkirandeep Kaur | Deptt. of Law | ICSSR, New Delhi | 3,75,000 |
| 30. | Dr. Deepa Sikand Kauts | Dett. Of Education | SCERT, Mohali | 3,10,320 |
| 31. | Dr. Kamaljit Singh | Deptt. of Chemistry | IMM, Portugal | 8,75,530 |
| 32. | Dr. Swapandeep Singh | Chemistry | CSIR New Delhi | 142,640 |
| 33. | Dr. Prabhpreet Singh | Chemistry | CSIR New Delhi | 188,500 |
| 34. | Dr. Vandana Bhalla | Chemistry | CSIR New Delhi | 153,559 |
| 35. | Dr. Rakesh Kumar Mahajan | Chemistry | CSIR New Delhi | 215,000 |
| 36. | Dr. Rakesh Kumar Mahajan | Chemistry | CSIR New Delhi | 843,973 |
| 37. | Dr. Prabhjeet Singh | Biotechnology | CSIR New Delhi | 66,577 |
| 38. | Dr. Parampual Kaur Banipal | Chemistry | CSIR New Delhi | 766,200 |
| 39. | Dr. Preet Mohinder Singh Bedi | Pharmaceutical Sciences | CSIR New Delhi | 114,029 |
| 40. | Dr. Prabhpreet Singh | Chemistry | CSIR New Delhi | 187,500 |
| 41. | Dr. Gurcharan Kaur | Biotechnology | CSIR New Delhi | 265,000 |
| 42. | Dr. Kuldip Kaur | Dr. B.R. Ambedkar Chair | SCERT, Mohali Punjab | 3,13,329 |
| 43. | Dr. Kuldip Kaur | Dr. B.R. Ambedkar Chair | GVK Thermal Plant Goindwal Sahib | 95,040 |
| 44. | Dr. Rajinder Kaur | Bot. & Env. Sciences | Punjab Pollution Control Board | 12,60,000 |
| 45. | Dr. Varinder Kaur | Apparel & Textile | Ministry of Textile New Delhi | 3,42,50,000 |
| 46. | Dr. P.K. Pati | Biotechnology | Punjab Biodiversity Board | 2,00,000 |
| | | Total | | 7,26,79,023 |

# CHAPTERS PUBLISHED IN BOOKS
## (2023-24)

**ELECTRONICS TECHNOLOGY**

1. Dr. Hardeep Kaur, Advances and Applications of Artificial Intelligence & Machine Learning Series Title: Lecture Notes in Electrical Engineering 1078, Local mean decomposition based epileptic seizure classification using ensemble machine learning, 2023, 1876-1100/ 1876-1119.
2. Dr Shalini Bahel, Understanding Soils of Mountainous Landscapes - Sustainable Use of Soil Ecosystem Services and Management, Chapter 3 - Integrated remedial and management strategies for sustaining mountainous soil, 2023, 978-0-323-95925-4.
3. Dr Shalini Bahel, Ecophysiology of Tropical Plants, Chapter 19 - An Overview of Emerging Techniques in Ecophysiological Research, 2023, 9781003335054.
4. Kuldeep Singh, Computational Vision and Bio-Inspired Computing, Classification of Epileptic Seizures Using EEMD with Multi-entropy Features Integrating Different Tree Classifiers, 2023, 978-981-19-9818-8.
5. Kuldeep Singh, Lecture Notes in Electrical Engineering, Local Mean Decomposition Based Epileptic Seizure Classification Using Ensemble Machine Learning, 2023, 978-981-99-5973-
6. Dr. Ravinder Singh Sawhney, Cyber Security Using Modern Technologies, Network Forensics, 2023, 9781003267812
7. Manjit Sandhu, Nanmaterials Advances and Applications, Recent Escalations in MXenes: From Fundamental to Applications, 2023, 978-981-19-7962-0.

**MUSIC**

8. Dr. Rajesh Sharma, *Pancham Patshah Sri Guru Arjan Dev JI, Sri Guru Granth Sahib Ji Da Bani Prabandh*, 2023, 979-93-93579-42-3.

**MYAS-GNDU DEPARTMENT OF SPORTS SCIENCES AND MEDICINE**

9. Dr. Amrinder Singh, Recent Developments in Physiotherapy, Correlation between Body Composition and Anaerobic Performance among Athletic Population: An Observational study, 2023, 978-81-961431-9-0.
10. Dr. Anilendu Pramanik, Substance Use Disorder - New Research Perspectives in the Diagnosis, Treatment, and Prognosis, The Physiological Effect of Excessive Indulgence: Its Diagnosis, Treatment, and Prognosis, 2023, 978-1-80356-276-6.

**PSYCHOLOGY**

11. Dr. Rupan Dhillon, Mindfulness and Alternative Healing: A New Normal, Spirituality and Interpersonal Relationships, 2023. 978-81-19006-18-2.
12. Dr. Rupan Dhillon, Psychology and Current Trends, Depression in the Digital World: Building Hardiness and Self Efficacy in Adolescents, 2023, 978-93-95456-84-5.
13. Dr. Rupan Dhillon, Social Media: Digital Footprints on Mental Health, Social Media and Behavioral Addiction, 2023, 978-93-5552-657-1.

14. Dr. Rupan Dhillon, Global Sustainable Development for Quality Living, Promoting Sustainable Societies: A Psychological Perspective, 2023. 978-1-304-78441-4. Dr. Rupan Dhillon, Aging and Mental Health, Promoting Resilience and Psychological well-being in older adults, 2024, 978-81-19462-11-7.
15. Dr. Rupan Dhillon, The Changing Landscape of School Psychology, Indian School Psychology Association, Innovative Ideas in Teacher Education, 2024, 978-93-91690-35-9.
16. Dr. Rupan Dhillon, Mindful Media: Mental Health Challenges in the digital age, Digital detox and mindfulness practices, Mindful Media: Mental Health Challenges in the digital age, 2024, 978-93-6452-363-9.

**SOCIOLOGY**

17. Dr. Jesna Jayachandran, Social Issues, News and Alcohol Issues, 2023.
18. Dr. Rachana Sharma, People, Spaces and Places in Gendered Environments (Advances in Gender Research, Vol. 34) by Vasilikie (Vicky) Demos and Marcia Texler Segal. Emerald: UK, Indoor Sex Workers in Punjab: A Qualitative Enquiry, 2024, 978-1-83797-894-6.
19. Dr. Rachana Sharma, Rawat Publishers: New Delhi, Routes and Roots, 2024.

**COMPUTER SCIENCE**

20. Dr. (Mrs.) Parminder Kaur, Next Generation Systems and Networks, Evaluation of BERT Model for Aspect-Based Sentiment Analysis, 2023, 978-981-99-0482-2.
21. Dr. (Mrs.) Parminder Kaur, Next Generation Systems and Networks, Detecting and Analyzing Malware Using Machine Learning Classifiers, 2023, 978-981-99-0482-2.

# FACULTY ATTENDED CONFERENCE/WORKSHOPS/ ORIENTATION COURSES/REFRESHER COURSES/ TRAINING PROGRAMME

1. Dr. Rupan Dhillon, Assistant Professor, Department of Psychology, Guru Nanak Dev University, Amritsar is attending Nep Orientation and Sensitization Programme (June A) to be organized by UGC MMTTC , GNDU, Amritsar from 03-11 June, 2024 .
2. Ms. Sunaina, Assistant Professor, Department of Foreign Languages, Guru Nanak Dev University, Amritsar is going to attend Refresher course of Languages, Comparative Literature and Cultural Studies to be organised by U.G.C.- Malaviya Mission Teacher Training Centre, GNDU, Asr from 25-06-2024 to 08-07-2024.
3. Dr. Sapna Sharma, Assistant Professor, Department of Hindi, Guru Nanak Dev University, Amritsar is going to attend Online Short Term Course being organized by UGC-MMTTC, Department of Education, Mahatma Gandhi Kashi Vidyapith, Varanasi (U.P.) from 10-15 June, 2024.
4. Dr. Vishal Kumar, Assistant Professor, Department of Punjabi, GNDU College Sujanpur is going to attend Refresher course of Languages, Comparative Literature and Cultural Studies to be organized by U.G.C.- Malaviya Mission Teacher Training Centre, GNDU, Asr from 25-06-2024 to 08-07-2024.
5. Dr. Sana Absar, Assistant Professor, Dept. of Mass Communication, Guru Nanak Dev University, Amritsar is going to attend Online Faculty Induction Programme-11 to be organized by UGC-MMTTC, GNDU, Amritsar from 27 May - 22 June, 2024.
6. Dr. Baljeet Kaur, Assistant Professor, School of Punjabi Studies, Guru Nanak Dev University, Amritsar is going to attend Online Faculty Induction Programme-11 to be organized by UGC-MMTTC, GNDU, Amritsar from 27 May - 22 June, 2024.
7. Dr. Rachna, Assistant Professor, Department of Mathematics is going to attend Online Faculty Induction Programme-11 to be organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 27 May - 22 June, 2024.
8. Ms. Damanpreet Kaur, Assistant Professor, Department of Hotel Management & Tourism, Guru Nanak Dev University, Amritsar is going to attend Four weeks Faculty Induction Programme-11 (Online) to be organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 27 May - 22 June, 2024.
9. Dr. Nitika Kapoor, Assistant Professor, Department of Botanical and Enviornmental Scinces is going to attend One month Faculty Induction Programme-11 to be organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 27 May - 22 June, 2024.
10. Dr. Sunil Kumar, Professor & Head, Department of Hindi, Guru Nanak Dev University, Amritsar is going to deliver a invited lecture in Hindi Workshop at Airports Authority of India, Sri Guru Ram Dass Jee International Airport, Amritsar on May 20, 2024.

11. Dr. Jatinder Vir Singh, Assistant Professor, Department of Pharmaceutical Sciences, Guru Nanak Dev University, Amritsar is going to Online NEP Orientation & Sensitization Programme to be held by UGC-MMTTP from 14-22 May, 2024.
12. Dr. Nitika Kapoor, Assistant Professor, Department of Botanical and Enviornmental Scinces is going to attend One week Short Term Course on NEP Orientation & Sensitization Programme to be organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 14-22 May, 2024.
13. Dheerika Sharma, Assistant Professor, Department of Mass Communication is going to attend NEP Orientation & Sensitization Programme to be organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 14-22 May, 2024.
14. Dr. Jitender Singh, Associate Professor and Head, Department of Mathematics, Guru Nanak Dev University Amritsar is going to deliver 6 talks and 3 tutorials in the two-week Instructional School for Teachers (IST) on Principles of Continuum Mechanics, at JC Bose University of Science and Technology, YMCA Faridabad, which is scheduled to be held during June 3–15, 2024.
15. Dr. Harneet Kaur, Assistant Professor, Department of History is going to deliver a seminar on topic 'Teaching Skills & Strategies & Integrating of ICT as strong component in Teaching Learning Process' at Navodaya Leadership Institute, Village Bhillowal, Lopoke, Amritsar on May 06, 2024.
16. Dr. Paramjit Kaur, Assistant Professor, Department of Physics is going to attend the Online Two-week Interdisciplinary Refresher Course to be organised by MMTTP, Ramanujan College, University of Delhi from 24 April to 7 May, 2024.
17. Dr. Rajinder Kaur, Professor, Environmental Sciences, Department of Guru Nanak Studies, Guru Nanak Dev University, Amritsar has delivered a Guest Lecture on “Biodiversity and its Conservation” at Amritsar Group of Colleges on 24 April, 2024.
18. Dr. Sandeep Kumar, Assistant Professor, Department of Guru Ram Das School of Planning, Guru Nanak Dev University Campus Amritsar is going to attend the Online Two-week Interdisciplinary Refresher Course to be organised by MMTTP, Ramanujan College, University of Delhi from 24 April to 7 May, 2024.
19. Dr. Sandeep Kaur Brar, Astt. Professor, Department of Guru Nanak Studies, Guru Nanak Dev University, Amritsar is going to attend the Online Two-week Refresher Course to be organised by MMTTP, Ramanujan College, Delhi from 24 April to 7 May, 2024.
20. Dr. Rachna, Assistant Professor, Department of Mathematics is going to attend Online Faculty Induction Programme to be organised by UGC HRDC Kumaun University, Nainital from 07 May to 07 June, 2024.
21. Dr. Mandeep Singh, Assistant Professor, Department of Physics is going to attend the Online Two-week Interdisciplinary Refresher Course to be organised by MMTTP, Ramanujan College, University of Delhi from 24 April to 7 May, 2024.
22. Punita Kalia, Research Scholar, Department of Molecular Biology and Biochemistry, Guru Nanak Dev University, Amritsar is going for Poster Presentation in the National

Conference at Gujrat Biotechnology University (G.B.U.), Gandhinagar, Gujrat from 22-23 April, 2024.

23. Dr. Suresh Singh Yadav, Asstt. Professor, Department of Molecular Biology & Biochemistry, Guru Nanak Dev University, Amritsar is going to attend the NEP Orientation & Sensitization Programme (ONLINE MODE) organized by Goa University from 08-17 May,2024.
24. Dr. Vandana Bhalla has been invited by Prof. Tetsutaro Hattori of Department of Biomolecular Engineering, Tohoku University, Sendai, Japan for outsourcing collaborative research for one year from 1.4.2024 to 31.3.2025 under the international collaborative research program with talented female researchers. Dr. Vandana Bhalla will be given the title of Tohoku University Visiting Associate Professor during this period.
25. Kajal Dadwal, Research Scholar, Department of Physics is going for Poster presentation at International Conference on Hydrogen Energy and Advanced materials (ICHEAM 2024) organised by Department of Physics, Institute of Science Banaras Hindu University from 22-24 April, 2024.
26. Kriti, Research Scholar, Department of Physics is going for Poster presentation at International Conference on Hydrogen Energy and Advanced materials (ICHEAM 2024) organised by Department of Physics, Institute of Science Banaras Hindu University from 22-24 April, 2024.
27. Prof. Atul Khanna, Head, Physics department, Guru Nanak Dev University will deliver an invited talk at the Conference on "Innovations in Materials Science and Workshop on Characterization Techniques" to be held at Institute Instrumentation Centre, IIT Roorkee during April 24-27, 2024.
28. Prof. Atul Khanna, Head, Physics department, Guru Nanak Dev University will deliver an invited talk at the " Recent Advances in Fundamental and Applied Sciences (RAFAS)" conference to be held at Lovely Professional University, Phagwara during 19-20, April, 2024.
29. Dr. Sunil, Professor & Head, Department of Hindi, Guru Nanak Dev University, Amritsar is going to deliver a online extension lecture at Kanya Mahavidyalaya, Jalandhar on April 12, 2024.

# OFFICE OF DIRECTORATE OF RESEARCH

**Name of the Department: Directorate of Research**

**Director of Research : Dr. Maninder Lal Singh**

**Brief Introduction**:

Being housed in the Emerging Life Sciences Block of the University, the Directorate of Research deals with matters relating to research activities in the University. It Includes, postgraduate research leading to M.Sc., M. Phil and Ph.D. degrees; submission of new research projects for extramural funding and development of national and international research collaborations. The Directorate deals with developing Memorandum of Understanding with other institutions, award of scholarship and memorial lectures etc. The office also looks after the rate contract with various firms for the purchase of equipments, chemicals, glassware etc. and assists the departments for the purchase of various scientific equipments. Directorate monitors the progress of the research activities under various programs like DST-PURSE scheme of Department of Science and Technology, New Delhi; "University with Potential for Excellence (UPE)" scheme of University Grants Commission. PhD Eligibility test is conducted by the Directorate for admission to Pre-PhD Course every year.

**Following activities had been undertaken in the session 2023-2024:**

1. **Research & Development Cell:**

   Various day to-day activities of Director Research office are a part of R&D Cell.

2. **Supervision of activities under DST-PURSE Scheme:**

   Various projects and other activities relating to DST-PURSE Scheme/Grant are supervised regularly.

3. **Annual Rate Contract for Purchase of Various Items:**

   Following committee to deal with Purchase of Various Items under Annual Rate Contract had been constituted and approved by the competent authority of university:

   i) Director Research
   ii) Dean, Faculty of Life Sciences
   iii) Dean, Faculty of Sciences
   iv) Head, Dept. of Chemistry
   v) Head, Dept. of Biotechnology
   vi) Head, Dept. of Pharmaceutical
   vii) Head, Dept. of Human Genetics

viii) Deputy Registrar (Finance)

ix) Consultant (Finance)

x) Consultant (Colleges)

The committee finalized the ARC for Chemicals, Glasswares and Plasticware upto an amount of Rs.2,00,000/- (Rupees Two Lac only) and got it approved and circulated to the concerned departments.

**4. E-tenders:**

Tenders are uploaded as approved by the authority for purchase of various equipments by various departments for more than 5 lacs.This is to certify that all the proposed IBSC members are currently working in the organization.

**The list of Proposed IBSC members and DBT nominees are as follows**

**5. IBSC Members**

1. Dr. Renu Bharadwaj, Chairman
2. Dr. Bhupinder Singh Chadha, Member Secretary
3. Dr. Gurinderjit Randhawa, Outside Expert
4. Dr. Harpreet Kaur, Biosafety Officer
5. Dr. Harvinder Singh Saini, Internal Member
6. Dr. Subheet Jain, Internal Member
7. Dr. P. K. Pati, Internal Member
8. Dr. Gagandeep Kaur Gahlay, Internal Member

**DBT Nominees**

1. Dr. Vipin Hallan
2. Dr. Inshad Ali Khan
3. Dr. DM Mondhe

**5. Ph.D. Eligibility Test:**

An Eligibility Test for admission to Pre-Ph. D Courses was conducted twice i.e. in August, 2023 and January, 2024.

An Eligibility Test for admission to Pre-Ph. D Courses for "*The permanent employees of State Govt., Govt. of India and employees working on posts aided by the Govt. of Punjab who are registered for Part-Time Ph.D. and allowed to do Course Work in hybrid mode and can attend classes in online mode but have to appear for examinations in physical mode."* **was conducted in April, 2024 (for the 1st time)**

**Candidates admitted to Ph.D courses during 2023-24:**

| Sr. No. | Deptt. | August-2023 | 8. Jan.-2024 |
|---|---|---|---|
| 1. | Architecture | 3 | 0 |
| 2. | Agriculture | 1 | 0 |
| 3. | App. & Textile Tech. | 1 | 3 |

| 35. | University School of Financial Studies | 8 | 2 |
| 36. | Zoology | 3 | |
| | **Total** | **77** | **54** |

**6. Study In India Activities:**

Applications of SII candidates are forwarded to departments for verification of documents and subsequently following admission process by concerned departments.

**7. Research Projects submitted to various National/International Agencies:**

During 2023-24 a total number of 67 research projects were submitted to various National/International Agencies.

**8. Plagiarism Check:**

A standard plagiarism check is mandatorily implemented for submission of Ph.D. Thesis and the requisite 'Drillbit Extreme Plagiarism Detection' software is used in this regard with the assistance of Library.

**9. Post-Doctoral Fellowships:**

The office forwards the applications of candidates of Post-Doctoral Fellowships under various schemes on regular basis.

**10. Recruitment/Upgradation of Research Fellows under various schemes:**

Recruitment/Upgradation of Research Fellows under various schemes is also monitored on regular basis.

**11. DSIR:** Half yearly report on goods purchased by the University is submitted to DSIR.

**12. Direct Recruitments & promotions under CAS:**

Verification of Scores under Category Research and Publications and Academic Contributions of candidates who applied for various posts under direct recruitments and promotions under CAS were verified under Research & Publication & Academic Contributions of their Application Proforma.

# DIRECTORATE OF OPEN & DISTANCE LEARNING AND ONLINE STUDIES

The Open & Distance Learning (ODL) and Online Studies departments of Guru Nanak Dev University, Amritsar (Punjab) were established in the year 2018-19 and 2021-22 with a vision to provide 'quality education to all' and beyond the socio-economic and time/age barriers. These departments reflect both the fact that all or most of the teaching is conducted by someone removed in time and space from the learner and that the mission to include greater dimensions of openness and flexibility, whether in terms of access, curriculum or other elements of structure. Contributing to social and economic development, Open and Distance Learning along with Online studies, is fast becoming an accepted and indispensable part of the mainstream educational systems.

The students are provided with quality study material in Self-Learning Format commonly referred to as Self-Learning Materials (SLMs) available to them in e-format (free of cost) at the Directorate's website and in printed format. The Directorate has a dedicated web platform that facilitates all the processes including application, admission, payment of a fees, e-content availability, submission of internal assignments, issuance of roll numbers, declaration of results, and applications for re-evaluation and issuance of transcripts online.

In addition, to providing SLMs, the Directorate also conducts Personal Contact Programme (referred to as PCP) Classes (on Weekends only) at GNDU main campus by well qualified and dedicated faculty.

The Syllabi of all the courses are designed under Credit Based Semester System (CBSS) pattern as per the latest guidelines of UGC for ODL courses. Further, the Directorate has made provisions of 30% marks as Internal Assessments. Exams are conducted transparently, strictly following the stringent quality control of the University and standards set by it.

Guru Nanak Dev University, Amritsar has become the only University in Punjab to get the "Category-1" status by the University Grants Commission (UGC). Recently, the University was accredited with CGPA of 3.85 out of 4-point scale at the "**A++**" grade, the highest level, as per accreditation framework of NAAC.

As per the UGC notification F. No. 1-8-2017 (CPP-II) "Categorization of Universities (Only) for Grant of Graded Autonomy Regulations, 2018" dated 12th Feb, 2018, Guru Nanak Dev University has been categorized as 'Category-I University'. As a category-I University, GNDU has the privilege to run Open & Distance Programme(s).

4.10 "University may offer courses in the open and distance learning mode, without approval of the commission, provided it satisfies all the conditions laid down under UGC (Open and Distance Learning) and amendments from time to time."

The Directorate has offered twelve courses (approved by UGC vide letter no. F. No. 74-2/2018 (DEB-I) dated 18/10/2018) in session 2023-24 such as (Diploma in Computer Applications (DCA), B. Com., B.C.A., B. Lib., Diploma in Communication skills (DCS), M.B.A., M.C.A., M. Com., M.A. (English), M.A. (Punjabi) in the areas of Arts, Humanities, Business Management, Commerce, Computer Science and Sports Sciences.

All the courses under Category-I autonomy provisions are approved by UGC vide letter no. F. No. 74-2/2018 (DEB-I) dated 18/10/2018, F.No. 2-1/ 2024/(DEB-II) dated 01 Feb 2024. Presently, under this provision the Directorate is offering 8 courses B.Com., B.C.A., B.Lib., B.B.A., B.A., M.Com., M.A. (English), M.A. (Punjabi), in areas of Arts, Humanities, Business Management, Commerce and Computer Science for Academic session 2023-24,

**Some Highlights/Milestones achieved by the Directorate during the Session 2023-24**

Directorate has conducted two Induction programmes for new ODL and Online students

To better facilitate the candidates, the Directorate has successfully conducted the Personal Contact Programme (PCP) classes in both offline and online modes.

The Centre for Internal Quality Assurance (CIQA) (dedicated to programmes being offered under ODL and Online modes) was established and the Directorate successfully submitted the CIQA report for session 2023-24 to the Distance Education Bureau, University Grants Commission, New Delhi.

Directorate has started two new courses BA and BBA under ODL mode and two new courses B.Com and MA (English) under online mode from the session 2023-24 with dual approval from UGC-DEB.

The Directorate conducted a seminar on Success Mantra for Govt. Competitive Exams with the IBT Institute Pvt. Ltd. Amritsar.

The first two batches, started in July-2021 and Jan-2022 under the Directorate of Online studies, successfully completed their degree courses in a time bound manner.

The response from foreign students has been very encouraging.

The overseas students from Canada, UK, Australia, UAE and USA are presently enrolled in the online courses

The University boasts for its World class Learning Management system named ***GNDU ONLINE***

The examination are conducted in AI proctored mode with dedicated web browser ***"Safe Exam Browser"***

Presently the University has approximately 1400 learners pursuing various courses under ODL & ONLINE mode.

# UGC-MALAVIYA MISSION TEACHER TRAINING CENTRE

Malaviya Mission Teacher Training Centre, previously known as 'Human Resource Development Centre', was established Academic Staff College" (ASC) in 1988, following introduction of scheme by University Grants Commission in 1987. Since its inception, it has been attracting teachers from all over India, rather than from a specific region and has become a platform where the Guru Nanak Dev University's academic community shares its knowledge, inside and ideas with larger academic community of the country on a reciprocal basis. On 1St February, 2015, Academic Staff College was transformed to 'Human Resource Development Centre (HRDC)', which achieved high standards of excellence in its working, based on team work of a small but committed, dedicated and competent group of teaching and non-teaching staff. The efforts made by the Staff College are academically and socially relevant. In this globalizing era, teachers are imparted higher learning and are equipped with excellent academic standards and pedagogical tools.

Seminar Room

On 5th September, 2023, the Ministry of Education (MoE) seek to strengthen synergy of HRDCs by aligning it with NEP 2020 objectives. The scheme transformed Human Resource Development Centre to "Malaviya Mission Teacher Training Centre" (MMTTC). This scheme aims to implement NEP recommendations, focusing on quality teaching, equity, online education, technology use, Indian language promotion, vocational education, and multidisciplinary education.

The MMTTC has its own six storeyed building with Sate-of-the-Art Seminar Rooms, Conference Room, Computer Lab, Library, Kitchen & Dining Hall, Guest House, Dormitories, VIP Rooms and Sufficient Parking Place. It has three Air-Conditioned Seminar Rooms equipped with Projector, Interactive Panel and blended mode facilities with 24*7 wifi availability and have total sitting capacity of 50 participants.

**MMTTC Library**

It has a well-equipped air-conditioned Conference Room with Interactive Panel and with sitting capacity of 20 persons at a time. High speed internet and high-definition video conferencing facility is also available in the room to achieve world-wide connectivity.

MMTTC's Library has 5871 multilingual, multidisciplinary books and has stacking capacity of seven thousand books. The participants of different courses can have access to the e-resources of the university.

**Computer Lab**

The Centre is also having a well-equipped Computer Lab with 24*7 internet availability which aims to provide technological excellence to participants during offline courses. The lab has 14 high speed computers powered by Intel processors and GPUs which aid in utilization of resources according to the requirements of the participants of the offline courses.

MMTTC, GNDU has two Air-Conditioned Guest Houses with 70 Rooms, 2 Dormitories and 4 VIP Rooms, which aims to provide accommodation to about 130 participants and a proper parking space for their vehicles.

**Number of Courses Undertaken by MMTTC**

| Sr. No. | Type of Programmes/Courses (01-07-2023 to 30-06-2024) | No. of Programmes | No. of Participants |
|---|---|---|---|
| **1** | NEP 2020 Orientation & Sensitization programme | 8 | 600 |
| **2** | Faculty Induction Programme | 2 | 73 |
| **3** | Short Term Courses | 4 | 138 |
| **4** | Refresher Courses | 5 | 113 |
| **5** | Webinars on NEP-2020 Themes | 7 | 1136 |
| | **Total** | **26** | **2060** |

The Centre has conducted 26 courses from 01.07.2023 to 30.06.2024 in which 2060 candidates participated from different states of India. The maximum participation of 1136 candidates, about 55% the total participation, was in Webinars conducted on different themes of NEP 2020. It is followed by NEP Orientation and Sensitization Programme of the Centre, which is approximately 30% of the total participation.

The Centre has successfully conducted Faculty Induction Programmes, Short Term Courses and Refresher Courses during the session in question, in which 324 candidates participated. The participants actively took part in deliberations on the lectures/talks delivered by the expert speakers. To make them more attentive in the sessions, MCQ test on the lectures delivered is introduced as per UGC guidelines. Apart from MCQs, projects, seminars/ presentations, overall responses are also included to evaluate the participants towards the end of each course. The entire process of evaluation of the participants is carried out by the examiners appointed by the Worthy Vice-Chancellor of the University. The participants are empowered to evaluate the Resource Persons of each course as well through a specially designed google form. The evaluation of the Resource Person is kept strictly confidential and only the Director of the Centre is privy to it. The projects/seminars presented by the participants are properly documented and housed in the library of the MMTTC. An ambience conducive to the free and frank interactions of the participants with the Resource Persons during the formal academic sessions as well as during informal talks is highly appreciated by our participants. Apart from the inaugural and valedictory sessions of each course, an informal interactive session is conducted with the Director/ Deputy Director, in which candid, free, frank and critical comments of the participants regarding the overall conduct of a course are solicited. The feedback from the participants is given due weightage and corrective measures are taken, wherever needed. To sum up, it can be said that MMTTC has been persistently working hard to meet the aspirations of the participants to uplift and augment the standard of higher education.

**Detail of the Programs Conducted from 01.07.2023 - 30.06.2024**

AISCCE has made collaboration with *Nishan-E-Sikhi* for session 2019-20 and 202-21 in order to promote the student from rural background to prepare for Civil Services and UGC. Nishan-E-Sikhi provided infrastructure whereas GNDU will provide for the faculty and space as agreed in MOU. The collaboration is committed towards fruitful results as students of rural area are having exposure to the books and material as well as guidance for preparations.

AISCCE admits students for imparting them pre-examination teaching for preliminary as well as main examination for UPSC for full Academic session, to run for about 10 months and Punjab Civil Services Examination and UGC (NET) twice a year that is in the month of July-August and December –January, each to run for about six months. During 2023-24 session Centre enrolled for UPSC/PCS, 59 Student, and for UGC (NET) 12 Students.

# DEPARTMENT OF LIFELONG LEARNING

The Department was established in 1985 with an objective of providing quality vocational education to the youth. The main focus of providing vocational education is to make the youth self-reliant especially the women coming from weaker sections of society. Over a period of time, the Department has been making efforts to upgrade the different syllabi to keep pace with changing times. These skill-based courses have brought very encouraging results as many students have been able to start their own ventures and have got placements in various government and private organizations. It has always been an endeavour of the Department to provide latest training and conducive environment to the students, so as to develop their talent in the best possible ways. In order to encourage the student to become entrepreneurs, the department organizes an exhibition every year to showcase the artifacts prepared by them.

**Director (Addl. Charge):** Prof. (Dr.) Anupam, Department of Human Genetics, Guru Nanak Dev University, Amritsar.

**Programme Assistant**: Mrs. Tejpal Kaur

**Sr. Assistant:** Mrs. Neena

- **Talent channelization Programmes:** Personality development through short term training programmes in order to develop all round abilities & talent of the students.
- **Exposure through industrial visit: W**are Houses, Fashion Houses, Salon, Textile Mills etc. are organized.

# DEAN COLLEGE DEVELOPMENT COUNCIL

## Structure of Dean, College Development Council

# ACTIVITIES OF DEAN, COLLEGE DEVELOPMENT COUNCIL

**Dean: Prof. Saroj Arora**

The College Development Council consists of two offices – Office of Dean, College Development Council and College Branch. Both these offices collectively perform the following activities :-

1. To function as a policy making body in regard to proper planning and integrated development of Colleges.
2. To conduct survey of all affiliated colleges for reviewing the existing facilities and indentifying the needs for development of colleges.
3. To prepare a perspective plan for the development and opening of new colleges and to introduce new courses in colleges.
4. To ensure the implementation of the University decisions by the affiliated colleges.
5. To keep close contact with the colleges with a view to help them in various matters.
6. To aware the colleges regarding various schemes of Grants of UGC.
7. To review the inspection reports of the colleges and suggest remedies for the defects and irregularities.
8. To send proposals of the colleges to the UGC for award of college with Potential for Excellence.
9. To forward proposals of colleges to the UGC for grant under various plans of UGC.
10. To forward the lists of teachers appointed by the colleges through duly constituted committee to NCTE.
11. To arrange CDC meetings twice in a year to discuss the problem of colleges.
12. To arrange meetings of Principals every year.
13. To arrange Seminar/Workshop for Principals with the collaboration of Director, UGC-Human Resource Development Centre.
14. To collect college development fees from the colleges.
15. To grant approval of the appointment to the teaching staff appointed by the colleges through duly constituted selection committee.
16. To facilitate the teaching staff of the colleges regarding the matters relating to their promotions
17. To scrutinize the applications of the candidates received for the post of Principals/Professors/Associate Professors/Assistant Professors in affiliated colleges of the University.

# CENTRE FOR CAPACITY ENHANCEMENT PROGRAMME

**DIRECTOR: PROF. NAVDEEP SINGH SODHI**

Under Capacity Enhancement Programme during the Session 2023-24, the number of Associate Institutes was 42 with student enrolment of 4004. The quality, in delivery of educational instructions, is ensured by way of regular inspections and supervisions of Associate Institutes. In this session only old institutions were given continuation and no new institute was setup.

**Purpose of CEP:**

To impart technical, professional, arts, commerce education to the remote, rural and border areas of Punjab, which run parallel to courses offered in the regular mode of education.

**Merits of CEP:**

1. The ordinances, syllabi, examinations, evaluation, etc. of this programme are the same as of regular programme.
2. Unrestricted mobility of students between this programme and conventional modes of education is the merit of this programme.
3. Same eligibility criteria for admission in these Programmes as for regular students.
4. Course of study, duration, medium of instructions & examination are same as for students in affiliated colleges.
5. Candidates admitted in these programmes are required to attend regular classes.

# ASSOCIATE INSTITUTES IN SESSION 2023-24

1. Sri Guru Teg Bahadur College for Women, Dharamshalla Sardar Mahna Singh, Near Mahna Singh Road, Amritsar.
2. Baba Kharak Singh Baba Darshan Singh Girls College, Chatiwind Gate, Amritsar.
3. Sarswati College of Management and Technology, G.T. Road, Jandiala Guru, Distt-Amritsar.
4. S.S.S.S. College of Arts for Women, Makbulpura Chowk, G.T. Road, Amritsar.
5. Guru Nanak College of Arts and Science, Chogawan, Distt-Amritsar.

# CENTRE ON STUDIES IN SRI GURU GRANTH SAHIB

Sri Guru Granth Sahib occupies a unique place among the world scriptures. On the occasion of the 400th anniversary of its Instalation on September 1, 2004, the then Honourable Prime Minister, Dr. Manmohan Singh had announced the establishment of Centre on Studies in Sri Guru Granth Sahib. This Centre was inaugurated in Guru Nanak Dev University, Amritsar on April 1, 2011. The building of Sri Guru Granth Sahib Bhawan has been built in Sikh Architecture over 82,000 square feet.

This Centre undertakes research work on the following aspects of Sri Guru Granth Sahib :

I. Interfaith Understanding Studies

II. Philosophical and Theological Studies

III. Musicological Studies

IV. Hermeneutic and Linguistic Studies

V. Social and Cultural Studies

VI. Scriptural Translations

To conduct research in these fields, provision is made for Six Professor, Six Visiting Professors and 18 research fellows. Our focus is on the development of research tools which may be useful for doing studies on Sri Guru Granth Sahib. Besides supplementing the sources of Sikh religion, history and literature we are working on those areas which are very crucial for the Sikh Studies but have remained ignored so far.

**Head of the Department**: Amarjit Singh, Ph.D (Professor)

**Detail of Faculty :**

1. Professor Amarjit Singh
2. Professor Amar Singh

**Books Published: Centre on Studies in Sri Guru Granth Sahib**

1. Sri Guru Granth Sahib Vich Paudiyan da Zikar, ISBN 978-81-7770-237-8, (2024) (pp. 272)

## Prof. Amarjit Singh

**Papers/Articles published in books**

1. ***'Sikh Sarokaran te Chanautiyan Prati Bhai Vir Singh da Hungara'*** **Bhai Vir Singh: Life, Literature and Legacy (Vol.II),** Dr. Harjodh Singh (ed.), European Punjabi Sath, 2024, (539-544)
2. ***Nidharak Sikh Jarnail Akali Phula Singh*****, Singh Sahib Akali Baba Phula Singh Ji**

**Shaheed,** Daljeet Singh Bedi (ed.), Baba Balbir Singh Jathedar Budhha Dal, 2023 (55-61)

**Articles Published**

1. Pothi Sahib ton Adi Sri Guru Granth Sahib da Safar, Khalsa Advocte, September 2023

**Papers Presented International**

2. Delivered a special lecture '*Hath Likhat Biran Vich Chitarkari*' organized by Gurdwara Sahib Dashmesh Cultural Centre, Calgery, Canada on 15 October, 2023
3. Delivered a special lecture '*Singh Sabha Lehar de Phechokarhh Dian Sathithian*' organized by Arpan Likhari Sabha, Calgery, Canada on 14 October, 2023

**Papers Presented National/State Seminars**

1. Presented a paper ***'Sri Guru Arjan Dev Ji di Shahadat: Sikh Sarotan di Punar Samekhya'*** Three Day International Conference Shahadat da Sikh Sankalap' organized by Guru Nanak Studies Department, Punjab University, Chandigarh on 16-18 February, 2024
2. Presented a paper ***'Sikh Dharam de Parchar -Parsar Vich Sewa te Langar da Yogdan'*** in Seminar organised by Baba Nidhan Singh International Society at Mata Sahib Kaur Girls College, Hehal Kalan, Barnala, 1, August, 2023.

**Seminar/Conference/Workshops Organised/Presided**:

1. Organised Prin. Iqbal Singh Memorial lecture 'Nashyan de Samasya te Smadhan' delivered by Dr. Manmohan Singh IPS on 19 March, 2024.
2. Organized a special lecture 'Gurpurab di Rwaiyat' delivered by Prof. Gurinder Singh Mann, USA, on 5March, 2024
3. Delivered a special lecture '*Varatmaan Haltan te Sadi Zumebari'* at Boparai Kalan, Ludhiana on 21 January, 2024.
4. Director Seminar ***'Sri Guru Nanak Dev ji di Bani da Mul Vidhan: Sidhantak te Aadunik Sandarav'*** organised by Guru Nanak Studies Department, Guru Nanak Dev University, Amritsar, 21 November, 2023

# CENTRE FOR AGRICULTURAL RESEARCH AND INNOVATION (CARI)

The Centre for Agricultural Research and Innovation (CARI) has been established in the university with a vision to integrate research and outreach education in agriculture, food systems and the environment to establish ecologically and economically sustainable models of agriculture. The centre alsoaims to build a world-class ecosystem for promoting research and finding innovative and meaningful solutions in the field of agriculture for the benefit of society.

Recently, the centreis actively involved for development of *in vitro* propagation system of highly valued non-traditional crops, such as low-chilled apples, banana, saffron, black turmeric, and elite varieties of sweet potato enriched with beta carotene and anthocyanin at the experimental farm and their successful *in vitro* propagation protocols in the lab. The centre is also making sincere efforts to establish a synergistic relationship with various stakeholders like farmers, researchers, entrepreneurs and investors to create an ecosystem of entrepreneurship and innovation.

**1. Black turmeric**

- Black turmeric rhizome is rich in curcumin content and essential oil.
- The root has been used medicinally for centuries to treat arthritis, asthma and bronchitis, and epilepsy, migraine, sprains and bruises. cold, fever, dysentery, worm infection, etc.
- Black Turmeric are claimed to have a property of acting against leukoderma, cancer and HIV/AIDS.
- The center is engaged to develop in vitro propagation of black turmeric to produce large number of plants.

**Micropropagation of Black turmeric in CARI Tissue Culture Lab**

**Black turmeric**

## 2. Sweet potato

- Sweet Potatoes are a nutritious food rich in carbohydrates, very low fat content, and antioxidants. The Food and Agriculture Organization (FAO) has reported that sweet potato leaves and shoots are good sources of vitamins A, B, and C, as well as lutein.
- This plant possesses several therapeutic activities, such as antimicrobial, antioxidant, anticancer, anticoagulant, anti-inflammatory, and antiulcer.
- Its tuber is used as raw materials in the preparation of curry, mixture, chips, bread, buns, cakes, biscuits, fish pasties, chapatti, jam, ketchup, juices, and other value added products such as β-carotene rich.
- Conventional propagation methods are not able to supply sufficient disease-free planting materials to farmers to sustain steady tuber production.
- Our center is working on the production of good quality disease free nutritional rich sweet potato through tissue culture techniques and developing agro-technology for its cultivation.

**Orange colour sweet potato**

- Orange-fleshed sweet potato, which contains high content ofβ-carotene (14.0 mg/100g) which is a precursor of Vitamin A.

**Purple colour Sweet potato**

- Purple-fleshed sweet potato. The anthocyanin-rich sweet potato variety Bhu Krishna has anthocyanin content (85-90 mg/100g) with the ability to grow in medium stress and salinity stress condition.
- These anthocyanins are naturally soluble pigments having a variety of medicinal and pharmaceutical properties

**Orange colour and purple colour Sweet potato tuber**

**Micropropagation of purple colour sweet potato nodal explant:**

**Different variety of Sweet potato growing in the field of GNDU**

### 3. Saffron

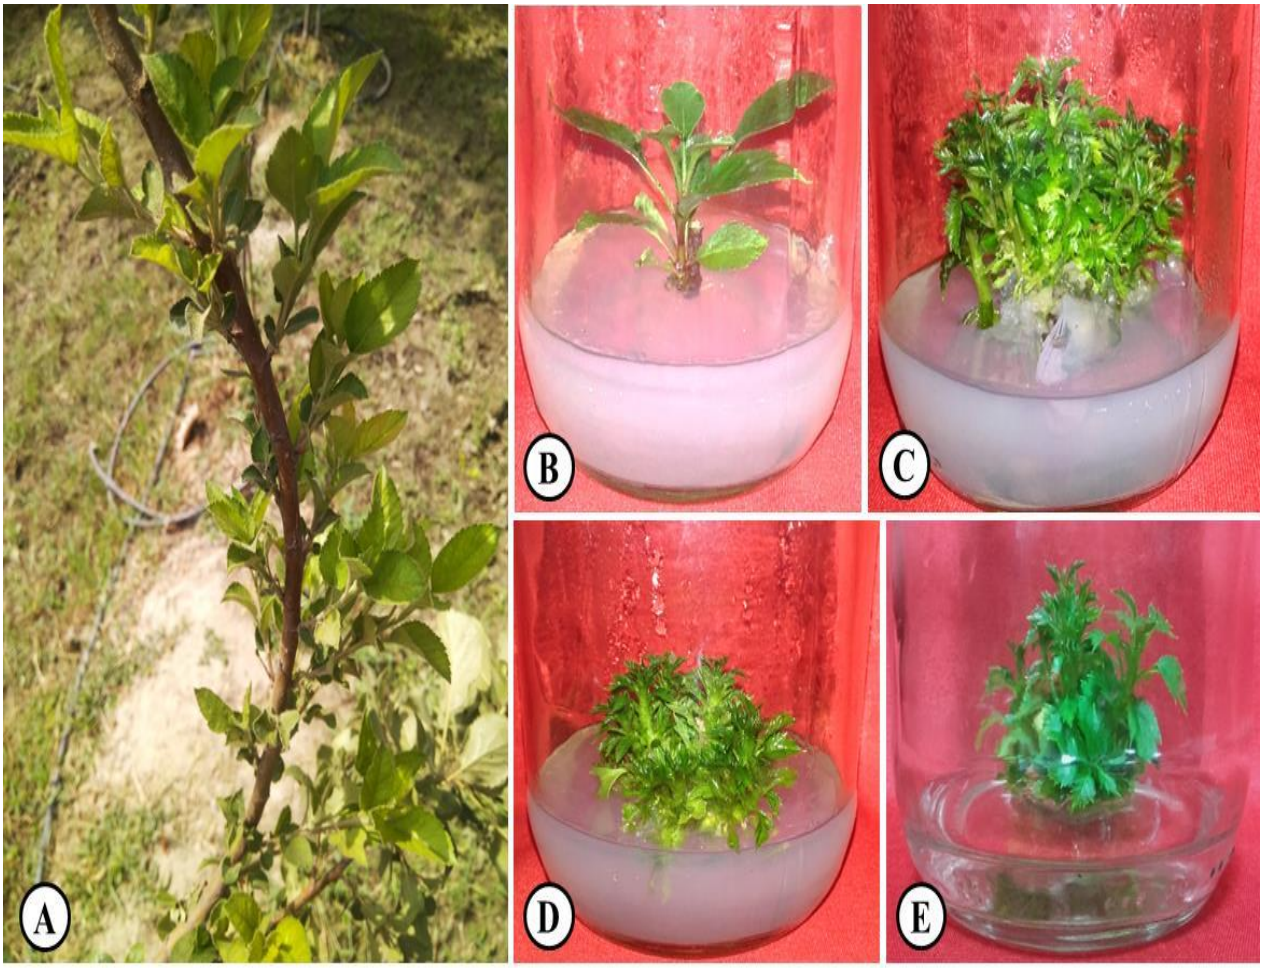

- ❖ Saffron is one of the costliest spices, traditionally grown in the Kashmir valley and part of Himachal Pradesh.
- ❖ The lack of good quality, disease-free, flowering size saffron corm and their propagation techniques are the major bottleneck in saffron cultivation.
- ❖ To enhance the production of saffron and its cultivation in non-traditional areas is a huge challenge. Through innovation-driven research, the centre is engaged in the propagation and cultivation of saffron.

**Micropropagation of Saffron**

## 2. Low chilled apple

- In order to broaden the crop diversity of the state, the centre is involved in the introduction of apple varieties suitable for the region
- The centre is developing *in vitro* propagation protocols for mass multiplication of desired rootstocks of apple and agro-technologies for the cultivation of low-chilled apple varieties.

**Micropropagation of Low-chilled apple rootstock**

## 3. Banana

- Banana is an important cash crop and plays a vital role in global food security.
- The major constraint in the cultivation of banana is attributed to the lack of suitable planting material (sucker), its susceptibility to diseases and environmental conditions.
- The centre aims at *in vitro* propagation of commercial banana and their establishment under field conditions

**Micropropagation of G9 Banana in CARI Plant Tissue Culture Lab**

**Banana**

**4. Pineapple**

- Queen variety of pineapple has golden yellow flesh, crisp texture and delicate mild flavour.
- The flesh and juice of pineapples are used in the cuisines around the world. Crushed pineapple is used in yoghurt, jam, sweets and ice cream.The juice of pineapple is served as a beverage and is also the main ingredient in cocktails.
- It contains plenty of nutrients and beneficial compounds such as vitamin C , manganese and enzymes to help aid digestion.

**Piniapple Queen cultivated in the field of GNDU**

**Mango ginger**

1. Its flavor is similar to that of raw mango.
2. It is used as a crucial ingredient for the preparation of pickles, candies, sauces, curries, and salads.
3. Its rhizome is used as a flavoring agent for preparation of different food items like vada, dahivada, chutney, curd water rice, raita, chat, lassi.
4. It is used in Ayurveda and Unani to cure several diseases, such as tumor, cancer, alexiteric, bronchitis, asthma, antipyretic, diuretic, skin diseases, hiccough, and inflammation due to injuries, cold and cough, healing of wounds, cut and itching, and purification of blood, contusions and sprains, and piles.
5. It helps to improve blood platelets count in the body.
6. This plant possessed a number of therapeutic activities including antimicrobial, anti-inflammatory, analgesic, anticancer, anti-hyperglyceridemic, and antioxidant activity.
7. It plant have diverse secondary metabolites, such as curcumin, demethoxycurcumin, bis-demethoxycurcumin, phenol, terpenoids, and β-mycerene.

**Mango ginger**

To promote skill education and training, from the current academic year, various new courses such as B.Sc. (Hons.) Dietetics and Nutrition, M.Sc. (Sports Nutrition), Bachelor of Buissness Administration in (Agri Storage and Supply Chain) in collaboration with the Logistics Sector

Skill Council (Govt. of India) and One year PG Diploma (Artificial Intelligence in Agriculture) have been introduced.

A state of the art infrastructure has been developed to support various courses offered by the centre. Eight labs have been completely furnished in the department of agriculture for teaching, training and research. An Agri Innovation and Extension Centre has also been set up by the centre to promote outreach activities and Agripreneurship.

# DEAN STUDENTS' WELFARE

The office of Dean Students' Welfare is located on the ground floor of Sahibzada Ajit Singh Student Bhawan, and looks after the welfare of students and their overall wellbeing in the university campus. Matters related to discipline in the university campus & hostel premises are also coordinated by the Dean Students' Welfare office.

The office coordinates and monitors various student activities like campus sports, cultural activities and Youth festivals. The operation of mess & canteen services and hostel admissions are also monitored by the office.

Various students' activity clubs viz., Literary Club, Music Club, G.N.D.U. Talkies, Science Club, Dance Club, Fine Arts Club, Fitness Club, Drama Club, Go Green club and Photography Club are also working under the guidance of the Dean Students' Welfare. Election Literacy Clubs are also working under the guidance of Dean Students' Welfare. The Dean Students' Welfare is Nodal Officer for Post Matric Scholarship to SC/OBC students and have been coordinating the above cited activities all year long.

# INTERNAL QUALITY ASSURANCE CELL

| | | |
|---|---|---|
| Director | : | Prof. Ashwani Luthra |
| Assistant Directors | : | Dr. Gagandeep Kaur Gahlay, Dr. Prabhsimran Singh, Dr. Aditya Sunkaria, Dr. Nirmala Devi |
| Assistant System Analysts | : | Mr. Bhupinder Singh Thakur, Mr. Harpreet Singh |
| CCJDEO | : | Mr. Sandeep Chhabra |

In pursuance of the National Assessment and Accreditation Council's (NAAC) Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education an Internal Quality Assurance Cell (IQAC) is established as a post-accreditation quality sustenance measure. As per NAAC's "Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions", the Office of IQAC is to work with specified objectives and strategies to perform expected functions as per the following.

❖ **Objectives: -**

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through Internalization of quality culture and institutionalization of best practices.

❖ **IQAC shall evolve mechanisms and procedures for: -**

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

❖ **Some of the functions of the IQAC are: -**

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in the institution and Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

❖ **Rankings/Ratings of the University in 2023-24:**

- Maulana Abul Kalam Azad (MAKA) Trophy; The members were apprised about the performance of the university, the country's top-performing university in sports, on wining

the prestigious Maulana Abul Kalam Azad (MAKA) Trophy for a record 25th time, January10, 2024.

- India Today -MDRA Best University Ranking; The members were apprised of the India Today -MDRA Best University Ranking 2023. The University has scored 14th rank in Top General (Govt.) Universities in India 2023. The University has retained its last year (2022) ranking. In same row, the University has achieved an overall 11th rank among the top government universities in India in India Today -MDRA Best University Ranking 2024, the all-time high-ranking since its participation.
- The WEEK-HANSA Research Survey 2024; University has been adjudged among the top 15 Best Universities in the country. It has improved its all India ranking from 23rd in 2017 to 15th in 2024 in the said survey. It is the only state funded multidisciplinary university to have jumped to 7th position in 2024 from 14th position in 2017 in the State of Punjab.
- University achieved h-index of 150 in the end of academic session; h-index is a metric used to measure the productivity and citation impact of a scholar's published work. The h-index aims to balance the number of publications with the number of citations, giving a measure of both productivity and impact.
- The Center for World University Rankings (CWUR); University ranks in the top 9.3 percent (at 1975 out of 20966 universities) worldwide according to the 2024 edition of the outcome-based Global Top 2000 universities of world. CWUR is a leading consulting organization providing policy advice, strategic insights, and consulting services to governments and universities to improve educational and research outcomes. It publishing the only academic ranking of global universities that assesses the quality of education, employability, quality of faculty, and research without relying on surveys and university data submissions.
- Study Abroad Aide (South Korea) university database; A service provider with the most comprehensive database of universities globally. In its ranking of 2024, GNDU among 8032 institutes worldwide stands as 27% in Best University Ranking 2024 and 23% in Best Value University Ranking 2024.
- Scholar GPS Institutional Rankings 2022: Institutional Rankings in Fields, Disciplines, and Specialties are based on the quality and quantity of active scholars in each institution who are highly productive (number of publications) and have generated outstanding work of meaningful impact (citations) and excellent quality (h-index). GNDU ranks 2836 in Global Overall Worldwide and 60 in National Overall India.

❖ **Participation in Webinars/Conclave**

- Online Consultative Workshop on "Reforms in Assessment Accreditation and Ranking of Higher Educational Institutions" was organized by IIT, Gandhinagar on July 7, 2023.

- Two-day online National Workshop on "Ensuring Quality Sustenance of HEIs through the Strategic Implementation of Best Practices" organised by Swami Vivekanand Subharti University, Meerut's IQAC in association with Faculty of Science and sponsored by NAAC, on July 21-22, 2023.
- AISHE Conference on the topic "Learnings from the AISHE 2021-22 Survey and the proposed improvements in the Web DCF including a few additional fields in the AISHE 2022-23 Survey" at Conference Hall of M/o Law and Justice, 2nd Floor, C Wing, Shastri Bhawan, New Delhi. on September 2, 2023.
- Online meeting regarding *"Ek Tareekh Ek Ghanta"* UGC organised events for HEIs on the *Swacchta hi Seva*, SHS Portal on September 27, 2023.
- Online Webinar on the theme "Understanding Authentic Certification for ISO 9001 & Green Practices" organised by Association of Indian Universities on November 9, 2023.
- Online workshop on the theme "Ranking Improvement of Higher Education Institutions in Quacquarelli Symonds (QS) Ranking" organised by NIRF Secretariat on December 8, 2023.
- Attended Virtual interaction regarding UGC UTSAH Portal, its working & feedback and for future ventures on January 16, 2024.
- Webinar on "Strategic Guidance on Benchmarking, Accreditation, National & International Ranking for Making Your University Future Ready & Globally Competitive." Dr. Anil Sahasrabudhe, Chairman of EC National Assessment and Accreditation Council (NAAC), Chairman NBA, Chairman of National Educational Technology Forum (NETF) was the key speaker, held on February 1, 2024.
- Online workshop on "Ranking Improvement of Higher Education Institutions in QS and data submission on QS Hub for World University Ranking" under the Chairmanship of Secretary (HE), Government of India, held on February 2, 2024.
- Attended, 25th Quarterly Meeting of IQAC, Central University of Punjab (hybrid mode) as an external expert on June 6, 2024.

# BHAI GURDAS LIBRARY

| | | |
|---|---|---|
| **Librarian** | **:** | **Professor (Dr.) Sandeep Sharma, Professor Incharge** |
| **System Administrator** | : | S. Sarabjit Singh |
| **Assistant Librarian** | **:** | Dr**.** Surinder Singh Ghuman |
| | : | Dr. Sarita Rani |
| | : | Sh. Satish Kumar |
| | : | Dr. Jatinder Singh |
| | : | Mrs. Nishi Handa |

University Library was established in March 1970. In 1979, it was shifted to the present building of five storied, inverted pyramid shaped magnificent building, directly visible from the main gate of the University on the grand trunk road. It is centrally located with teaching departments all around. University Library has been named after the great Sikh Scholar Bhai Gurdas and is popularly known as Bhai Gurdas Library. Bhai Gurdas had a rare privilege of taking dictation from the fifth Sikh Guru, Guru Arjan Dev Ji for the compilation of the holy scripture of the Sikhs, the Adi Granth.

The library remains open on all days of the year except on two National Holidays i.e. 26th January and 15th August.

**Library Timings**

| | |
|---|---|
| Monday – Friday | 9 AM – 9 PM |
| Saturdays, Sundays and other holidays | 9 AM – 5 PM |
| Air-conditioned Reading Hall | 24 hours open |

Currently, University library has a collection of 5, 42,748 books and other documents. During this academic session, the library has purchased 2424 books of different subjects.

**Acquisition Section**

During this year, 2424 books and other reading materials has purchased except 318 gifted books.

| | |
|---|---|
| English | 1881 |
| Punjabi + Punjabi Reference Library | 463 |
| Hindi | 58 |
| Sanskrit | 10 |
| Urdu & Persian | 12 |
| Gifted Books | 318 |

**Technical Section**

Books purchased by the library and received as gift are classified and catalogued by this section, so that they can be placed and arranged properly on racks. Dewey decimal classification system

is used for classification to arrange the books in proper order on the shelf, so that books can be easily located by the users. Integrated library management software KOHA is used for cataloguing and further this data is uploaded on OPAC (Online Public Access Catalogue) for issue/return purpose.

**Circulation Section**

During 2023 - 2024, a total of 15,263 members were enrolled under different categories such as:-

| | |
|---|---|
| Undergraduate | 7441 |
| Postgraduate | 7002 |
| Research Scholars | 332 |
| Other Members (Teachers & Employees) | 488 |

| No. of Books Issued/Returned | |
|---|---|
| **Total No. of Issued books** | **9304** |
| **Total No. of Returned books** | **9047** |

**Periodical Section**

For the academic year 2023 - 2024 library has subscribed 169 printed research journals (52 Foreign Journals and 134 Indian journals). Bibliographic online databases "SCOPUS" has also been subscribed by the library. Section has subscribed 2014 E-journals of various publishers such as Elsevier, Wiley & Royal Society of Chemistry. Online access to 7032 Journals and 06 Bibliographic Databases is available through E-ShodhSindhu. In addition to these 183 backsets of the Journals were also processed.

**Manuscripts & Rare Books**

This section is a treasure house of old manuscripts, rare books, photographs, historical letters, coins and paintings. This section is regularly visited by students from schools, universities and institutions of national importance. Scholars from abroad and other states of the country also visit this section. This section also includes Professor Pritam Singh section, Nanak Singh Centre and Dr. Gurnam Singh Teer section.

**Theses/Dissertations section**

In this academic session 118 Food Science & Technology and 158 Architecture reports were processed by the section. 65 theses were also uploaded on Shodhganga.

**Circulation - II**

In order to serve the students, scholars and faculty members, university library has also established 23 departmental libraries in different buildings. Circulation section - II has transferred 1657 books to departmental libraries during this academic session. Record of accession registers, transferred books, withdrawal and weed Out/write off are kept by this section. This section also undertakes the process of replace & payment of lost books.

**Binding Unit**

Binding of 268 books, 04 Thesis, 192 Newspaper and 36 journals were done by this section.

**DELNET**

University library is a member of DELNET (Developing Library Network, New Delhi). It helps the faculty members and researchers to procure those books, articles and documents from other educational institutions which are not available in our library.

**Computer Section**

The library has its own computer section. RFID based system with LMS has been installed in University Library. Now teachers, research scholars and students can use this system for issue and return of same independently. For this purpose, RFID tagging of all books is being done at a rapid speed in order to make the access to books for circulation. Students, research scholars and faculty members are constantly kept aware of the latest information/books/journals/e-journals through e-mail by this section.

INFLIBNET Centre provides access to anti plagiarism software namely **'DrillBit'.**

**Automation and Digitization**

A fully Integrated LMS(KOHA) has been implemented in the library with complete RFID Integration which automates data collection and vastly reduces human effort and error. This facilitates automated access to faculty, research scholars and students. In this system, once students/ faculty members enter in the library, his/her entry is automatically recorded by tapping RFID Smart ID cards issued to them on Access Control Flap barriers. OPAC Kiosks are available for searching the books on every floor through Koha and users can locate the books easily as floor number rack number is already given in the system. Students/Faculty/ members scan independently issue/return books using RFID Equipment without any human intervention. All users (PATRONS) can track their account on KOHA system where they can see the details of books issued to them and their due date and fine imposed in case of delay etc. Users can also hold the book which is already issued and intimation will be sent to the user once it is available for issuance. All the books in the library are tagged with RFID tags and thus any kind of theft is also being prevented with the installation of RFID security gates.

**Digital Lounge**

Keeping in view of the optimum and effective usage of e-resources subscribed by Bhai Gurdas Library, a new dedicated computer Lab (Digital Lounge) consisting of 100 high end systems with latest configuration and internet facility has recently been established with the help of RUSA 2.0 grant. This lab is being used for faculty and students for accessing e resources (E-journals and E-Books)

**E-books**

Library has also purchased about 15618+ E-books from publishers like Elsevier, Springer Nature, Taylor & Francis, Sage, Cambridge University Press and Oxford University Press. Now teachers, research scholars and students can access E books from anywhere inside campus.

**Website**

University library has its own web page. The address of this website is http://library.gndu.ac.in.The library web page can also be accessed from Guru Nanak Dev University website www.gndu.ac.in. This website contains useful information about library services.

**OPAC (Online Public Access Catalogue)**

University library has prepared database of books in English, Hindi & Punjabi Languages. As soon as new books are purchased and processed, their bibliographic description is added to OPAC. Web OPAC is also available at http://library.gndu.ac.in.

**Digital Lab.**

Soft copies of M. Phil dissertations, Ph. D theses, books, census reports and gazetteers are available in this section. 19 CDs of books have been added during this year. Electronic journals can be accessed from this section and students are trained how to access e-journals and e-databases. Wifi Facilities is also available in personal reading hall from 5.00 PM to 9.00 AM all the days.

**Seminar cum Orientation Hall**

A Seminar cum Orientation Hall has also been established with multimedia facilities and smart digital podium to organize orientation programme for a batch of students and faculty.

**CCTV Surveillance**

64 High-Definition Cameras (Sixteen Cameras at each floor) have been installed in the Bhai Gurdas Library For better CCTV surveillance.

**Library Orientation Programme**

Bhai Gurdas Library has huge collection of print and electronic resources which are scattered on various floors and sections. Every year at the start of the academic session the reference section organizes a series of orientation programme for new students and outside visitors. These programmes facilitate the access to the services & resources of the library. During this year 1134 university students, 8937 government Senior & high schools' students (Including teachers) and 83 research scholars from other universities/institutions has been introduced to the library services and resources.

# CENTRE FOR IT SOLUTIONS

**Introduction and Functions of the Office**

The "Centre for IT Solutions" established with the vision for uplifting the computerization of various processes by providing IT related services like Software Development, Consultancy Services and Website Designing & Management etc. to enhance the efficiency and transparency in the University. The Centre is providing IT related services to different departments of University as well as outside of university. The Centre has three computer laboratories equipped with desirable configuration of hardware and software. The staff of Centre is primarily involved in Software Development and Maintenance to cater the IT related requirements of the University. In addition to Software Development, centre has also started two job-oriented courses PGDCA and DCA from the session 2019-20 to spread professional education in the border area belt of region. The staff of centre is fully equipped to teach these courses. The students are also given practical exposure of software development and maintenance with related examples and case studies.

The technical expertise of centre is utilized during online centralized state level admissions to B.Ed. and Law (Five Year Integrated and Three year) courses in different Universities/Institutes/Colleges throughout the Punjab state. The centre also provided technical consultancy for recruitment of staff in the different departments of Government of Punjab. The database of Multi- Disciplinary (MD) Courses for various departments of the University campus is being prepared and managed by the centre in every semester which facilitates the students to fill their choices online for MD-courses using online software application. The centre imparts computer training to the employees of the University as per requirements of university. The laboratories of centre are also used for computer proficiency test for recruitment as well as promotion of employees. The staff of centre has played an important role in revamping university websites. The centre also maintains the official websites of university on regular basis.

The infrastructure support available in the centre is provided for conducting practical classes and practical examinations of students from different departments. The online tests are also conducted in the laboratories of centre for placement of students. The internet facility is available in computer laboratories, rooms of officers and office of the centre. The help desk facility is established in one of the computer laboratories for helping the students to fill their admission/examination forms through online process. The results of entrance tests during admission process in the university campus and its regional campuses are also compiled in the centre.

**Staff Details**

Mr. Tirath Singh, System Administrator & Incharge

Mr. Vishal Malhotra, System Administrator

Mr. Sandeep Sood, System Manager

**Activities in the Current Session**

- Software Development and Maintenance.

- Running PGDCA and DCA full time courses with enhanced strength.
- Conducted Centralized Online Counselling of 3-Year and 5-Year Law courses for admission to different institutes situated throughout the Punjab state for session 2023-24.
- Conducted Centralized Online Counselling of B.Ed. course for admission to different education colleges situated throughout the Punjab state for session 2023-24.
- Conducted "Computer Proficiency Test" for recruitment and promotion of employees as per requirement of university.
- Maintenance of University website www.gndu.ac.in .
- "Help Desk facility" for handling Online Admission, Centralized Counselling and recruitment related queries to facilitate the candidates.
- Provided computing facilities to the Students, Research Scholars and Faculty for work involving statistical analysis of data and scientific calculations.
- Result Preparation of Entrance Tests during admission to various courses in the University campuses.
- Data management and processing for online MD-Courses registration.
- Provided technical expertise and consultancy for development of Software Solutions for Punjab Government projects.

**Achievements in the Current Session**

- Developed web-based portal for Youth Welfare department to receive online entries of participants for participation the "Jashan" youth festival.
- Developed web-based portal for conduct branch to acquire information online from different departments, regional campuses, constituent colleges and affiliated colleges of university to maintain the record of answer sheets.
- Developed dedicated website for Placement department with information about different companies visiting campus for placement and students placed in different companies with respectable salary packagers.
- Developed web-based portal for All India Services Centre of Preparation for Competitive Examinations (AISCCE) to invite online applications from candidates for preparation of all India level competitive examinations.
- Developed Internship portal to facilitate Placement Department for online registration from students registered in different organizations.
- As per orders of Punjab Government, an admission portal with end-to-end online feature has revamped with additional features for conducting "Centralized Online Counselling" for

admission to 3-Year and 5-Year Law courses in different institutes situated throughout the state for session 2023-24.

- As per orders of Punjab Government, an admission portal with end-to-end online feature has revamped with additional features for conducting "Common Entrance Test & Centralized Online Counselling" for admission to B.Ed. course in different education colleges situated throughout the Punjab state for session 2023-24.
- Revamped University Admission portal with new features to facilitate the students and staff of university for generation of different types of reports and management of data through interactive methods.
- Enhanced features of web-based portal for Sports department to receive online entries of participants from different colleges for participation of their players in the sports related activities.
- Enhanced the features of "Open Distance Learning (ODL)" Portal for registration, approval, fee management and study learning material (SLM) for students under ODL mode.
- Enhanced & Upgraded features of "Online Centralized Stock register (OCSR)" portal to store information about all the permanent stock items purchased by different departments/offices/branches of university.
- Enhanced and upgraded features of "Outsource Workers Payment Portal" portal for generation of payment bills for workers on outsourcing & speedy processing of their bills.
- Enhanced the features of "Lecture Basis (Part Time) Teacher's Payment Portal" to facilitate the part time teachers for online submission & speedy processing of their salary bills.
- Enhanced the features in "Recruitment Portal" to facilitate the candidates for online submission of application form.
- Enhanced the features of web-based software application for inviting applications from the teachers for attending Refresher Courses, General Orientation Courses and Short-Term Courses at Human Resource Development Centre (HRDC) of the University.
- Enhanced the features of web Portal of Life Long Learning Department for admission of students and inviting applications for recruitment of staff.

**Innovations and Best Practices**

- To keep the surroundings clean and green.
- To maintain the discipline in the centre.
- To motivate and support staff to work in a team and synchronization.
- To add, upgrade and maintain the infrastructure in the computer laboratories of centre.

- To support poor, needy and deserving students for their education.

**Plans of Department for Next Session Year**

- To Enhance the hardware configuration of Dedicated Server supporting university websites and online software applications.
- To enhance the features of "Admission Portal" to facilitate the students and staff of teaching and non-teaching departments for uplifting the admission to different courses in the University.
- To enhance the features of "Employee Portal" by including different types of reports to facilitate the staff of establishment branch.
- To enhance the features of **"**Guest House Portal" by integrating online/offline payment facility for online booking of rooms in the University Guest House.
- To develop a separate portal for online booking with payment through online/offline mode in the Teacher Holiday Home of University situated at Dalhousie.
- To add more static & dynamic features in the University website.

# DIRECTORATE OF PLACEMENT & CAREER ENHANCEMENT

**Dr. Amit Chopra**

**Director**

The Placement Department in Guru Nanak Dev University was established in March 1998 to cater the needs of university students for their placements in various institutions/organizations - both Govt. and Private having National/International reputation. In year 2022, the department was renamed as "Directorate of Placement & Career Enhancement". The Department acts as a bridge between Industry and the Academia. The Department is a centralized facility to assist the placement of the students in the main campus, all the regional campuses and constituent colleges of GNDU. It looks after academic and career counselling of students and organizes seminars, workshops and industrial training related to job openings in various sectors, skill development and entrepreneurship. Directorate of Placement & Career Enhancement establishes advance communication with prospective employers and arranging their visit to the campus for placements of university students of various courses from following faculties:

Agriculture & Forestry, Arts & Social Sciences, Economics & Business, Education, Engineering & Technology, Humanities & Religious Studies, Languages, Laws, Life Sciences, Physical Education, Physical Planning & Architecture, Sciences, Sports Medicine & Physiotherapy, Visual Arts & Performing Arts

## HIGHLIGHTS:

### Highest Packages

GNDU students have been placed at high packages in multinational companies. Few of the highest salary package of Rs. 19.57 Lakhs per annum has been offered by Walmart company. Guidewire offered Rs. 18.43 Lakhs per annum, Thapar Institute – Rs. 15.00 LPA, Stylumia - Rs. 13.00 Lakhs per annum and Bharat Electronics Ltd. – Rs. 12.45 Lakhs per annum (detailed profile attached).

### Average Package

The average package for Batch 2023-24 is Rs. 6.40 Lakh per annum for various courses.

### Internships

GNDU students were offered internships by various national and multinational companies with highest stipend of Rs. 50,000 per month.

### Skill Training Programs:

Directorate of Placement & Career Enhancement in coordination with Mahindra Pride Classroom conducted a free course on Employability Skills (Soft Skills, Life Skills, Communication Skills, Presentation Skills and Interview Skills) for female students to enhance their employability. *Naandi* Foundation has sponsored this program as part of CSR from the Mahindra & Mahindra Group. The course is of the duration of 36 hours. Female students of various faculties like Sciences, Life Sciences, Engineering, Business & Economics are getting benefitted from this course in enhancing their employability skills.

**MoU with Airport Authority of India**

GNDU signed an MoU with Airport Authority of India for different types of internships of students of this university. Under this MoU, Airport Authority of India will provide Airport Visits, Round the year familiarization programmes of 2-5 days and many internship programs to GNDU students in coordination with Directorate of Placement & Career Enhancement. This will help in all round personality and skill development of the GNDU students.

**Internship Portal**

Industry Internship is an integral part of the academic curricula. Its satisfactory completion is a mandatory requirement for the degree to be awarded by the University. An internship portal has been developed to keep track of the internships being undertaken by the GNDU students in various national and multinational organizations across India.

**Regular Meetings with District Bureau of Employment and Enterprises (DBEE), Govt. of Punjab**

Directorate of Placement & Career Enhancement keeps on participating in the meetings with senior officials from District Bureau of Employment and Enterprises, Govt. of Punjab, Amritsar in connection with various activities to be conducted under Model Career Centre established at GNDU, Amritsar. Every year, the students of GNDU are registered on National Career Service portal www.ncs.gov.in by the Model Career Centre established at of Placement & Career Enhancement.

**Major Recruiters**

TCS, Capgemini, Amdocs, Accenture, KPMG, Nagarro, Wipro, Amazon, Nucleus Software, LEA Associates, Axtria, Zomato, SRF, Hexaware Technologies, Axis Bank, Bandhan Bank, Aakash Institute, HDFC Life, ICICI Securities, ICICI Bank, ICICI Prudential, IOL Chemicals, Gujarat Gas, Copperpod IP, Walmart, ITC Food, Nestle, Jaro Education, Indiamart, Fidelity International, Panacea Biotec, Ravenbhel, Haldiram's, Infosys, Kochartech and many more. These companies hired Graduates / Post Graduate students from different faculties of university main campus and regional campuses.

**Campus Placements**

Following is the list of companies that visited from 01.07.2023 to 30.06.2024 for the campus placements of students of passing out batch 2023 and 2024 and **selected 678 students** :

**BATCH 2023:**

| Sr. No | Company Name | No. of Students | | Course | Annual Pay Package |
|---|---|---|---|---|---|
| 1. | Kwality Pharmaceuticals | 01 | 01 | M.Sc. Micro | Internship with Stipend Rs. 13,500 PM |

# ALUMNI ASSOCIATION

**Prof. Atul Khanna**

**Dean Alumni**

Alumni Association Guru Nanak Dev University (AAGNDU) endeavour to bring together the old students who have passed from university campuses & its constituent and affiliated colleges to promote the GNDU-perception, provide them a common platform and strengthen bonds between Guru Nanak Dev University and its alumni. The students and alumni of the university continue to excel in diverse fields of sciences, engineering, software development, sports, arts, management and public administration and defense forces. GNDU today ranks among the top universities of the country. The AAGNDU supports activities of different alumni groups in India and abroad and provides a meeting ground to our alumni community spread throughout the world

The office of AAGNDU is situated at the Arts Block (ground-floor) in GNDU Main Campus and remains open on all working days from 09:00 am to 05:00 pm. The alumni can become member of AAGNDU by registering on the website ***http://alumni.gndu.ac.in*** and can update their information on the AAGNDU website. As of now, about 28,442 alumni have registered themselves on the website.

The Executive Council of AAGNDU was established in the year 2015 for the smooth working of the Association and new Executive Members of the council are elected for a period of 3 years by nominations. Prof. Jaspal Singh Sandhu, the Vice-Chancellor of the university is the president of AAGNDU, Prof. Atul Khanna, Department of Physics, is the Dean Alumni. Dr. Karanjeet Singh Kahlon, Registrar GNDU is the financial secretary, Dr. Kunwar Vijay Pratap Singh is the first Vice-President (alumnus living in India) and Dr. Vijay Kumar Babbar is the Second Vice-President (alumnus living abroad). At present the Executive council has full strength of 21 members.

The Association has created several GNDU Alumni Chapters abroad in US, UK & Europe, Canada and Australia to promote its activities in foreign countries.

The main objectives of AAGNDU are:

1. To connect alumni, current students, faculty associated with GNDU.
2. To encourage and support a spirit of community amongst members and to promote opportunities for the members to retain association with each other and the university.
3. To maintain, develop and foster loyalty towards the university amongst the members and potential members.
4. To strengthen and support the effectiveness, membership and activities of the recognized alumni groups and promote activities amongst them and to offer advice and assistance in appropriate circumstances to the members and the University.
5. To make our alumni community vibrant & socially responsible and to assist GNDU to be visible at world map.

As a graduate of GNDU, the alumni are entitled to an amazing selection of benefits being provided by the University. These include campus-based facilities of state-of-the-art Gym,

Swimming Pool, Health Centre/diagnostics tests and Guest House at discounted rates. To be able to take advantage of all the above benefits and services, the AAGNDU members can become a proud owner of an Alumni Life Membership Card, with a one-time life membership fee of Rs. 5,000/- from the members living in India and Rs. 15,000 from the members living abroad. The alumni can submit the Alumni Card Form to the Office of the Dean, Alumni Association, GNDU, Amritsar. Presently, the one-time membership fee can be deposited with the University Cashier or in the bank account Number 02881000052760, Punjab & Sind Bank, GNDU, Amritsar with the intimation to the office of Dean Alumni Association, GNDU, Amritsar. So far 105 alumni have enrolled in the Life Member Card Scheme. AAGNDU has been organizing seminars in which the alumni are invited to give presentations on their work and several notable alumni have given talks in the online and physical mode during last one year and the association welcomes interaction meetings with its alumni.

Alumni Association GNDU is continuously working on its outreach programs to establish strong bonds between the alumni and university. Alumni Association GNDU & Physics Students' Society organised a talk on CHANDRAYAAN-3 mission on 20 October, 2023, Celebrated National on 28 February, 2024, and sponsored a Physics Quiz in April, 2024.

The annual alumni meet was organized at Sri Guru Granth Sahib Bhawan of the University on 2nd February, 2024. The annual meet was a grand success and attended by a approximately 400 alumni of the university from wide range of spheres such as judiciary, civil services, defense forces, industrialists, banking and academic institutes and senior managers from various private organizations. The Chief Guest, Dr. Harinder Pal Singh, Director of Fortis Escort Hospital & Research Centre, Amritsar, and GNDU alumnus chaired the meeting and Vice- Chancellor and President of the association, Prof. Jaspal Singh Sandhu presided over the meeting. In his address, Prof. Sandhu mentioned that the GNDU is one of the top ranked universities in India and amongst top 10 universities according to MHRDC ranking. He further mentioned that GNDU is drug-free and has the second-cleanest campus in India. Furthermore, discussed by Dr. Singh were the intellectual and athletic accomplishments of universities. He emphasized that the NAAC score of GNDU is 3.85 out of 4 the H-index stands at 148. Additionally, he emphasized that GNDU has won the MAAKA trophy for a record 25 times, shedding attention on the commitment and dependability of athletes. Furthermore, out of 108 medals, GNDU is the only campus to win 13 medals at the last Asian Games. Prof. Sandhu said that the alumni of the university have risen to great heights in diverse fields. The alumni were holding key positions in the academics, judiciary, IFS, IAS, PCS, PCS judicial, Indian Police Services, Federal Services, Corporate Sector, Political Parties, Public/Pharma Sector and Punjab Civil Services etc. He provided details about the achievements of the University in academics, student enrollment, research, patents, sports, and honest financial policies of the university during recent years which has put the university in good health.

In his address, the Vice-President, Dr. Kunwar Vijay Partap Singh appreciated the efforts of Vice Chancellor, faculty, staff and students to uplift this university at an international level, and said that the GNDU will be an international level university, shortly.

Prof. Atul Khanna, Dean of the Alumni Association, greeted the university's alumni and spoke on the value of a strong community among faculty and alumni, which is crucial for pushing the university's academic program to new heights. Prof. Khanna also gave a report on the aims and operations of the GNDU Alumni Association, as well as updates on the initiatives being taken to

connect the university with alumni and the academic community. Additionally, he emphasized that GNDU has advanced phenomenonally since the Vice Chancellor, Dr. Jaspal Singh Sandu Singh took charge in 2017, particularly in the areas of sports and research.

The chief guest of the day Dr. Harinder Pal Singh congratulated Prof. Jaspal Singh Sandhu, Vice Chancellor for uplifting GNDU and taking it to new heights. He said he was glad to be back at the campus as he himself is an alumnus of Guru Nanak Dev University. Furthermore, he highlighted that donation from alumni can further uplift the campus.

The purpose of the alumni meets 2024 was to recognize the outstanding accomplishments of its alumni in their separate disciplines, therefore it was truly unique. The association honored three alumni at the University's Sri Guru Granth Sahib Bhawan with "Outstanding Alumnus Awards" in the fields of sports, sciences and laws. Brig. Harcharan Singh (VSM, Retd.), a hockey Olympian, 1975 World Cup Hockey champion, and recipient of the Arjuna Award, was the first recipient of the award. He is among the university's oldest and most senior alumni. Dr. Vinay Kumar, an Outstanding Scientist and Head (Retd.), Radiation Biology and Health Sciences Division, Bhabha Atomic Research Centre, Mumbai, was the second recipient of the award for his exceptional contributions in sciences. Sh. Vikram Chaudhri, a highly distinguished lawyer in the Supreme Court and High Courts of India was the third recipient of the Outstanding Alumnus Award in the field of laws.

The other distinguished alumni who were felicitated by the association were Dr. Suman Sharma, Former International Basketball player and First Vice Chairman of the Indian Basketball Players Association and Arjuna Awardee and Retd. Professor of Physical Education, Dr. Navpreet Kaur, Co-Founder/Vice-President, The Laxmi Foundation, Chandigarh, Mr. Sandeep Mehra, Director, Chand Engineering Company, Amritsar, Mr. Anil Khanna, Assistant Customs Officer, Preventative Commissionerate, Amritsar, Mr. Jasneet Singh, Director, National Rubber Corporation, Amritsar, Dr. Premjot Singh Girgla, Consultant Dermatologist, Dr. Girgla's Skin & STD Clinic, Amritsar, Dr. Harpreet Singh Grewal, Director, Grewal Hospital & Trauma Centre, Amritsar., Mr. Davinder Pal Singh, Founder &Managing Director, IK Rubber Industries Pvt. Ltd., Amritsar and owner of Bakes & Beans, Amritsar, Dr. Raman Chatrath, Anesthesiologist, Mr. Sandeep Bajwa, Additional Session Judge, Ludhiana, Mr. Daljit Singh, Music Director, and Mr. Parminder Sandhu, Director, Fine Plastics, Amritsar, Mr. Rajesh Seth, Director, Seth Industries, Amritsar and Dr. Rakesh Chauhan, Senior Radiologist, Dhillon Scanning Centre, Amritsar.

The G.N.D.U. Alumni Society recently got itself registered under section 12A and donors to the society can avail of tax benefits under section 80G of the income tax act. An online portal has been created to accept donations from persons/organizations based in India. The approval under Foreign Contribution Regulation Act for receiving donations from abroad is under process. For donations to G.N.D.U. Alumni Society, kindly visit here: ***http://eservices.gndu.ac.in/donations/***

The alumni association wishes to establish strong bonds with its alumni and continuously work for their wellbeing.

# DIRECTORATE OF SPORTS

**Dr. Kanwar Mandeep Singh**
**Incharge Sports**

Guru Nanak Dev University was established at Amritsar on November 24, 1969 to mark the 500th birth anniversary of Sri Guru Nanak Dev Ji.

The Department of Physical Education (Allied Teaching) was set up in 1970. The Department started organizing Inter-College tournaments from 1970 itself and sent teams for the Inter-Varsity tournaments for the first time in 1971. From the very beginning, Sports Committees for men and women were formed to guide and coordinate the sports activities and to organize games and sports in the affiliated colleges to raise the university teams for Inter-University and other tournaments.

Each year, Department of Physical Education (Allied Teaching) organizes more than 90 Guru Nanak Dev University Inter-College (Men and Women) Championships and sends more than 70 Universities teams (Men and Women) for participation in All India Inter-University Championships. Sports Authority of India has set up Khelo India Centres in Sports disciplines Hockey and Handball and Khelo India Academies in Sports disciplines Fencing and Archery in the University Campus.

It is proud to say that Guru Nanak Dev University has won India's prestigious Maulana Abul Kalam Azad Trophy 25th time of the year 2022-2023. Prof. (Dr.) Jaspal Singh Sandhu, Vice-Chancellor and Dr. Kanwar Mandeep Singh, Incharge Sports received this coveted award from Smt. Droupadi Murmu, Hon'ble President of India at Rastrapati Bhavan, New Delhi.

We are proud of our gems in the following games who have been bestowed upon with India's highest award in sports which is awarded by the President of India at Ashoka Hall, Rashtrapati Bhawan, New Delhi on National Sports Day i.e. 29, August every year :-

# CAMPUS SPORTS

**Teacher In-charge Campus Sports**
**Dr. Amandeep Singh**

***"A Sound Mind Lives in a Sound Body"***

Campus Sports Department situated in student centre, is working under Dean Student's Welfare, Guru Nanak Dev University, Amritsar. In order to develop the physical, mental and overall fitness as well as to develop the interest of campus students in sports, Campus Sports Department provides facilities for various outdoor and indoor games. An ultra-modern Gym "The Golden Jubilee Fitness Centre" equipped with the modern machines has also been established for faculty and students.

Sports equipments and other necessary items are provided to the students throughout the year. Four Badminton courts are available near the student centre which remains open day and night. Other playfields like Basketball, Volleyball, Handball, Tennis, Football and International Standard Swimming Pool, Indoor Multipurpose Gymnasium, International Standard Shooting Range, International Standard Hockey Turf and International Standard Velodrome are available to the campus students throughout the year.

Each year, Campus Sports Department organizes Inter-department competitions in different games viz. Table Tennis, Chess, Carom, Basketball, Volleyball, Handball, Tennis, Football, Kabaddi, Cricket, Swimming, Arm Wrestling, Best Physique, Tug of War and Hockey etc. Annual Sports Meet has also been organized every year and sports persons are honored with incentives and mementos. The students both boys and girls from different departments participate in these competitions. The position holder team's upto third positions are awarded with Mementoes, Overall Trophies and Merit Certificates.

The campus students also take part in GNDU Inter-college sports competitions/North Zone/All India Inter-University/ World University games/National and Inter-National Championships. The campus sports persons who secure first positions in All India Inter-university or National Championships are entitled to 100% fee & funds refund, financial Assistant and honored with Blazer and University Color. Similarly, Second or Third position holders in All India Inter-university or National Championships are awarded with refund of 100% fees & funds, financial Assistance and Track Suits. The players who participate in All India Inter-university championships are awarded with refund of 50% of tuition fee & funds with financial Assistance to campus students.

Few students of GNDU actually participated in the under mentioned competitions and also got the respective positions:

## Sports achievements by GNDU Campus Students

GNDU Campus Students actually participated in ISSF Shooting World Cup, Fencing & Cycling, Championship during session 2023-24 and secure positions as mentioned below:-

About 10 newspaper and 12 magazines in Punjabi, Hindi and English are subscribed on a regular basis for the benefit of students. Badminton court is provided in the premises. The premises is also utilized for celebrations during festive occasion.

# UNIVERSITY HEALTH CENTRE

The University Health Centre was established in 1973 as a primary health care facility. The mission of the Health Centre is to enhance the health and wellness of University students, faculty and staff by providing access to quality health services and ensuring their wellbeing. Health Centre provides clinical (supporting health and wellbeing through care for acute and ongoing diseases and injuries) as well as ancillary services like laboratory, radiology and pharmacy services to the University community apart from supporting educational and research activities as well.

The University Health Centre provides services for Medical, Dental as well as Ayurvedic O.P.D. There is also a specialized sports dentistry clinic which provides custom made mouth guards to all the university/college sports persons for prevention of dental injuries. Attached to the Health Centre is a well-equipped Physiotherapy Centre having trained physiotherapist. These facilities remain open Monday to Saturday and even on gazzetted/declared holidays. Emergency services including ambulance services are available 24x7. The doctors at Health Centre provide primary health care to students, staff, pensioners & their dependants. For services not covered at Health Centre, referral services to Government and Multispecialty hospitals for specialized treatment/hospitalization are available. 42 hospitals are on empanelment with the University at CGHS rates.

**Other in-house facilities available at Health Centre are:**

- Fully computerized digital Electrocardiograph (ECG)
- Digital X-ray
- Bone mineral density scan (DEXA Scan)
- Mammography
- Dental X-ray (RVG)
- Orthopantomogram
- Vacuum thermoforming machine (for making mouth guards)

A Medical Board has been constituted at the Health Centre (with two outside experts) for issuing chronic complicated disease certificates to eligible University patients. In addition a Medical Committee is also constituted to assess the working of Health Centre and recommend programs for the benefit of University patients.

In order to manage any casualty among girl students, Health Centre has set up a medical room in the Girls' Hostel and a staff nurse is available at the hostel from 8 pm to 8 am daily including on Sundays & holidays. The medical officers of Health Centre regularly inspect the messes and

Canteens in Boys & Girls Hostels. The mess & canteens workers are periodically examined and screened for any communicable diseases.

The University Health Centre has set up a sample collection unit in collaboration with NABL accredited laboratory for providing quality lab facilities at special subsidised rates. Ultrasonography facility has been provided to the university patients at discounted/CGHS rates in collaboration with three leading diagnostic centres of the city.

An isolation room has been set up at Health Centre to separate and restrict movement of persons who have been exposed to communicable diseases for the purpose of preventing the transmission of the diseases.

**The medical and Para Medical staff of Health Centre participated in the following activities :-**

1. Free health check-up camps in the fields of Cardiology & Orthopedics were organized in June, 2023 in collaboration with Medanta-The Medicity hospital, Gurugram.
2. On the occasion of World Heart Day a health talk & health camp was organized in collaboration with Fortis Escorts Hospital, Amritsar in September, 2023.

# ENGINEERING DEPARTMENT

Guru Nanak Dev University came into existence in the year 1969 and deptt. of Engineering was set up in the year 1972 with following objectives: -

1. Upkeep of Buildings, Hostels and Residences
2. To regulate services of Water Supply
3. To regulate services of electricity
4. To regulate services of Sewerage
5. Construction, Repair & maintenance of Buildings/Roads at its Main Campus Amritsar,

Regional Campuses & Colleges at Jalandhar, Gurdaspur, Sathiala, Fatudhinga, Verka, Niari, Kalanaur, Pathankot, Mukandpur, Philaur, Patti, Chung, Narot Jaimal Singh and Holiday home Dalhoussie.

The Master Plan of the University Campus was prepared by the renowned architect firm M/s Sachdev Eggleston, New Delhi.

Presently Department of Engineering is headed by Dr. Karanjit Singh Kahlon, Incharge, Engineering Department with the following staff:

1. Sh. Balbir Singh, Assistant Engineer., (Designated)
2. S. Simerjit Singh, Junior Engineer
3. Sh. Rohin Kaushik, Junior Engineer
4. Sh. Anmol Rampal, Junior Engineer

**Correspondence Branch**

1. S. Hardip Singh, Supdtt.

**Drawing Branch**

1. S. Simerjit Singh, Junior Engineer (Additional Charge of HDM) from 08-06-2022)

**Electrical wing**

1. Sh. Balbir Singh, Assistant Engineer (Civil) (Designated),
2. Additional charge of Electrical Wing Sh. Jasbir Singh, Junior Engineer (Elect.)

**Accounts Branch**

S. Harpreet Singh, Senior Assistant

The Department looks after the repair and maintenance of buildings and attends day to day complaints of residences/offices etc. The work includes the upkeep of above 430 houses, 3 Boys

Hostels, 4 Girls' Hostels, Two Guest Houses, College Bhawan, Sports Stadium, Sports Hostel (Boys), Sports Hostel (Girls), Hockey Ground, Swimming Pool, Auditoriums, Meeting Halls and about 105 teaching and non-teaching departments.

University Campus has a beautiful network of roads which has been well maintained. University has given 24 hours uninterrupted water supply to the campus which is maintained with 10 tubewells. University also maintains two STP and disposal besides network of water supply lines and sewerage lines, has separate system of storm water and Sewage Sullage.

It also looks after the repair of furniture, addition/alteration of various buildings and construction of various projects.

**Department has taken a number of projects during the period of 01.07.2023 to 30.06.2024 as mentioned below:**

| | |
|---|---|
| 1. | Construction of New Shooting Range (25 to 50 Mtr.) within Guru Nanak Dev University Campus, Amritsar. |
| 2. | Renovation of existing boundary wall (Increasing the height of boundary wall & fixing barbed wire) within GNDU Campus, Amritsar. |
| 3. | Construction of Second floor at Department of Hotel Management and Tourism within GNDU Campus, Amritsar. |
| 4. | Providing Acoustic Treatment for Mass Communication Deptt. within GNDU Campus, Amritsar. |
| 5. | SITC of 1 No.15 Passengers (5 stops) Machine Room Less Gear Less Elevator for HRDC Building (Under Faculty Development Plan RUSA-2.0) within Guru Nanak Dev University Campus, Amritsar. |
| 6. | Upgradation of Ram Tirath Road Gate and Security Post within Guru Nanak Dev University Campus, Amritsar. |
| 7. | Construction and Renovation of Existing Boundary Wall within Guru Nanak Dev University College, Mukandpur. |
| 8. | Providing & Installing kitchen furniture for Boys Hostel (200 bedded) (Under Khelo India Scheme) within Guru Nanak Dev University Campus, Amritsar. |
| 9. | Providing & Installing kitchen furniture for Girls Hostel (200 bedded) (Under Khelo India Scheme) within Guru Nanak Dev University Campus, Amritsar. |
| 10. | Providing & laying cable for regular electric supply to Boys Hostel from Sub Station No.3 within GNDU Campus, Amritsar. |
| 11. | Construction of underground Water Tank & Pump Room for Fire Fighting System at Guru Nanak Bhawan Auditorium within GNDU Campus, Amritsar. |
| 12. | Renovation of All toilets at Guru Nanak Dev University College, Mithra Kapurthala. |
| 13. | Addition Alteration in Security Check Posts (4 Nos.) near Boom Barriers within GNDU Campus, Amritsar. |
| 14. | External paint work at Guru Nanak Dev University College, Verka. |
| 15. | Construction of Boundary Wall and white wash of building at Nakodar College, Jalandhar. |

| | |
|---|---|
| 16. | White wash painting in Girls Hostel No.2 within Guru Nanak Dev University Campus, Amritsar. |
| 17. | White wash painting in Boys Hostel No.1 within Guru Nanak Dev University Campus, Amritsar. |
| 18. | Providing & Fixing Interlocking Paving Blocks Path and Parking Area in Girls Hostel No.2 within GNDU Campus, Amritsar. |
| 19. | Construction of New Parking at University Business School within GNDU Campus, Amritsar |
| 20. | Renovation of Reading Hall in Library Building within GNDU Campus, Amritsar. |
| 21. | White Wash & Enamel Paint work at Swimming Pool Building within GNDU campus, Amritsar. |
| 22. | Renovation of Main Gate Check Post at GNDU Campus, Amritsar. |
| 23. | Raising Height of boundary Wall at Village Kale Ghanupur side within GNDU Campus, Amritsar |
| 24. | Paint & Distemper work in Boys Hostel No.3 within GNDU Campus, Amritsar. |
| 25. | Renovation of Studio 3rd Floor Generalism & Mass Communication within GNDU Regional Campus, Jalandhar. |
| 26. | Construction of Badminton Court and Volleyball Court within GNDU College Pathankot. |

**Construction works in progress:**

| | |
|---|---|
| 1. | Construction of New Girls Hostel within GNDU Campus, Amritsar. |
| 2. | Construction of International Boys Hostel & Mess (Phase-I) near Nursery &Proposed CIFS Site within Guru Nanak Dev University Campus, Amritsar. |
| 3. | Construction of Food Court Near MYAS Department & opposite Boys Hostel-III (Sports) within GNDU Campus, Amritsar. |
| 4. | Renovation of Guru Nanak Dev University College, Chungh, Tarn Taran. |
| 5. | Construction of RCC Plate form for generator set/Panel And interlocking paver block path near UIT Building within GNDU Campus, Amritsar. |
| 6. | Construction of Fencing work for Agriculture Department within Guru Nanak Dev University, Amritsar. |
| 7. | Shifting & service of Genset 250 KVA capacity from Guru Tegh Bahadur College Sathiala to GNDU Campus Amritsar |
| 8. | Paint & Distemper work in Boys Hostel No.3 within GNDU Campus, Amritsar |

**Plans for the next year**

| | |
|---|---|
| 1. | Renovation of Indoor Gymnasium Hall Roof within Guru Nanak Dev University Campus, Amritsar. |
| 2. | Construction of New Toilet Block for Girls & Construction of Student Parking within Guru Gobind Singh University College Jandiala , Jalandhar. |
| 3. | Purchase of Electrical Material (Desert Cooler and Pedestal Fans) for Administrative Block within Guru Nanak Dev University Campus, Amritsar. |

| | |
|---|---|
| 4. | New Boring Borewell at Tubewell No.6 with 50 HP New Motor within GNDU Campus, Amritsar. |
| 5. | Repair & Renovation of False Ceiling at Existing Shooting Range (10 mtr.) within GNDU Campus, Amritsar. |
| 6. | Providing and Fixing Turbo Ventilators on Roof at Existing Shooting Range (10Mtr) within Guru Nanak Dev University Campus Amritsar. |
| 7. | Renovation of Electrical Work of Old Shooting Range (10 Mtr) within Guru Nanak Dev University Campus Amritsar. |
| 8. | Renovation of Canteen in Mata Nanaki Girls Hostel No. 2 within Guru Nanak Dev University Campus Amritsar. |
| 9. | Repair of Slab with Tile Terracing and other work within Guru Nanak Dev University College Patti. |
| 10. | Replacement of Old Fluorescent Street Lights with LED Street Lights in Guru Nanak Dev University College, Verka |
| 11. | Renovation of Boys Hostel Toilets First Floor Punjabi Department within Guru Nanak Dev University Campus Amritsar. |
| 12. | Electrical work for firefighting system at Golden Jubilee Convention Centre Guru Nanak Bhawan within Guru Nanak Dev University Campus, Amritsar. |
| 13. | Panel fixing M.S. Fencing from entry of Indoor Stadium to old Shooting Range (10Mtr) entry within Guru Nanak Dev University Campus, Amritsar. |
| 14. | Construction of Boundary wall at Shri Guru Teg Bahadur College Sathiala. (PART-A) & Construction of Boundary Wall of Auditorium at Shri Guru Teg Bahadur College Sathiala. Baba Balaka (PART-B) |

# PUBLICATION BUREAU

**Professor Incharge:** Balmeet Singh Gill

The Department of Publication was set up in 1972 with a view to cater to the needs of the university and to highlight its academic achievements through research journals, books and to provide appropriate text books to the students. The Bureau during the year under report, continued to publish and sell text-books, general books and research journals and also printed a variety of time-bound assignments relating to **examinations, administrative, departmental works, forms, degrees, certificates, citations, calendar, result gazette titles, invitation cards, registers, letter pads, bill books, posters, receipt books, question paper envelopes, DMC, Annual Report etc.**

**Text-books, General Books and Research Journals were Published During the year 2023-24**

**TEXT-BOOKS**

# PUBLIC RELATIONS DEPARTMENT

The Public Relations Department of the Guru Nanak Dev University, since its inception has been making its dedicated and earnest efforts to publicize the policies, achievements in academics, sports, cultural and other allied fields of the University in print as well as on electronic media along with updating social media at the International, National and Regional levels. The Department releases press notes along with photographs in English, Punjabi and Hindi concerning these activities (Online/Offline). The Department also arranges Press Conferences on special occasions and issues special write-ups highlighting the achievements of the University.

During last tenure, the Department arranged a special online coverage of International, National, State and Regional level Conferences, Symposia, Workshops, Talks, Convocation, Foundation Day Celebrations, Memorial Lectures, Refresher Courses, General Orientation Courses by releasing more than six hundred press notes and around thousands of photographs of different events online.

The publication of advertisements, admission notices, general notices and tender and e-tender notices regarding the University in various newspapers for information of the public / students were also coordinated by the department. This year, as many as 272 advertisements, admission notices, e-tender notices etc. were published in various newspapers by the department.

The Department has also been assigned the duty to prepare and issue smart & simple identity cards to the members of the Senate, Syndicate, Academic Council, teaching & non-teaching employees, Alumnus, Research Scholars and retirees of the University Campus, Regional Campuses and Constituent Colleges of the University. The Department conducts the visits of visitors/guests to various University departments and historical and religious sites of Amritsar. It also arranges their visits for Retreat Ceremony at Wagha Border.

Public Relations Department has published a magnificent coffee table book on Amritsar & Guru Nanak Dev University: The Contours of Inheritance along with Information Booklet, Saga of Progress, Telephone Directory, Wall Calendar, Desk Calendar etc. Besides this the department prints invitation/greetings cards and other related material. The department also organises photography and videography of special events. The department also releases the visual documentaries on achievements of the University and about the campus life & environment.

# SECURITY DEPARTMENT

**Col Amarbir Singh Chahal (Retd.)**

**Security Officer.**

Security Wing of the University was raised in Feb 1979 to meet security requirements of the University. The security environment plays an important role in the development of an Academic Institution especially in education field by creating and maintaining congenial and peaceful environment. All out efforts were made by the security staff of the University to provide effective security cover as a result the year 2023 remained free from any major mishappening/security violation. However, isolated incidents of petty theft cases and indiscipline were reported.

Strict Security arrangements were made to prevent internal quarrels amongst the students and residents.

The security staff was also made responsive to the calls of campus residents and to provide them every possible help/assistance.

During the year 2023, apart from routine security duties such as security to vital points, property, protection, maintain of law and order, traffic control, additional special security duties were performed as under :-

(a) Examinations- Annual, Semesters, Supplementary

(b) Annual Convocation, Syndicate, Senate meeting

(c) Annual prize distributions

(d) Cultural Programs

(e) Issue of passes

(f) General Body meetings of the Associations

(g) Religious/Gurudawara functions

(h) University raising day

(i) Counselings

(j) Placement/Interviews

(k) Sports competitions

(l) 26 January & 15 August celebrations

(m) VIP duties.

For better performance of Security Staff, Two Motor-Cycles and four bicycles for the purpose of 24 hours patrolling in the University Campus were sanctioned by Worthy Vice-Chancellor.

A Mobile phone No 73411-14130 has also been provided to Security Supervisor Incharge Shift for better communication. Number of this Mobile phone has been circulated to all departments Teaching/Non-Teaching of University so that they can make call to Security Supervisors on duty at any time round the clock.

Wireless System has also been introduced within GNDU Campus for quick and better communication of security staff. Ten Walkie-Talkie sets have been purchased which are distributed as mentioned below:-

| | | | |
|---|---|---|---|
| (a) | Registrar | (b) | Security Officer |
| (c) | Security Supervisor on duty | (d) | Main Gate |
| (e) | Ram Tirath Road Gate | (f) | C-Type Gate |
| (g) | Girls Hostel No 1 | (h) | Girls Hostel No 4 |
| (i) | Boys Hostel No 1 | (j) | Boys Hostel No 2 |

Two sizeable parking stands have been constructed in campus. One at Main Gate towards GT Road side, second at Ram Tirath Road Gate side for parking of four wheelers of students & visitors. To check the entry of vehicles, seven Boom Barriers have also been installed in campus, one on entry from main Gate side, second on entry from Ram Tirath Road Gate side, third opposite physics block, fourth near girls hostel Naka No 1, fifth one near girls hostel Naka No 4, sixth near D-type quarters and seventh near UIT Building for better traffic control.

At present 30 CCTV cameras have been installed for security purpose at various locations of university campus. These cameras have helped the departments to keep a vigil on unauthorized entries into the campus.

**Deployment of Security Staff**

Through Out-Sourcing

1. Supervisor: 01 2. Security Guards: 165

# UNIVERSITY SOCIAL MEDIA CHAMPION

Guru Nanak Dev University (GNDU) has harnessed the power of social media to connect with its global community, showcasing its rich history and latest achievements. The University's strategic approach to social media aims to transcend geographical boundaries and provide a platform for sharing its academic & research excellence, cultural diversity, and sports triumphs.

At the core of GNDU's social media strategy lies a commitment to universal exposure. By sharing multimedia content such as info-graphics, videos, and images, the university effectively communicates its vibrant campus life, outstanding facilities, academic prowess, and student success stories. Every post is meticulously crafted to capture the essence of GNDU's thriving ecosystem

Moreover, GNDU's social media serve as windows into the plethora of facilities, academic prowess co-curricular endeavors, cultural richness, and sporting triumphs that define the university experience.

Furthermore, Guru Nanak Dev University seeks to foster a sense of community among students, faculty, and alumni by encouraging participation through dedicated groups, #hashtags, and initiatives that promote interaction amongst the online community.

In short, Guru Nank Dev University effectively utilizes social media channel as powerful tools for showcasing its offerings and achievements while engaging the audience in a meaning full way. The University's vibrant online presence aligns with its objectives and values while fostering community engagement and support.

# DEPARTMENT OF LANDSCAPING

**Landscape Officer: Mr. Gurwinder Singh**

Commemorating Guru Nanak Dev's birth quincentenary celebrations Guru Nanak Dev University Amritsar was established on 24th November 1969. Hence a high-powered committee was constituted with S. Bishan Singh Samundari the then founder Vice Chancellor Guru Nanak Dev University, Dr. M. S. Randhawa the then Vice Chancellor Punjab Agricultural University Ludhiana, the then Vice Chancellor Punjab university Chandigarh, Chief Architect U.T. Chandigarh, Architect PAU Ludhiana and some prominent personalities in the subject for planning, designing and development of the new campus of university. Accordingly, the department of Landscaping was also established for the proper planning and development of landscaping through selection and collection of different types of plants in trees, shrubs, climbers, indoor plants, ground covers and grasses as well as their plantation and maintenance for beautiful campus Landscaping. The committee did extensive survey of the campus for intensive planning by selecting the promising and beautiful plants and planted them to make the campus of Guru Nanak Dev University evergreen, colorful, fragrant and pleasant. This department had been looked after by Mr. H. S. Dhindsa as the founder Landscape Officer (Dec. 1971 – July 1978) who was followed by Mr. G. S. Pannu from August 1978 to April 30th 2009 in his superannuation.

The department of Landscaping was activated by Prof. (Dr.) Jaspal Singh Sandhu the worthy Vice Chancellor after a big gap when he joined Guru Nanak Dev University Amritsar (16th August 2017). He appointed Dr. J. S. Bilga previously working at Central University of Punjab Bathinda as Consultant Horticulture. Later, Mr. Gurwinder Singh joined as Landscape Officer (22.12.2020) against permanent post. Dr. Bilga did surveyed and planted large number of plants to the complete saturation of GNDU campus. He retired on 19th march 2022. Post retirement Dr. Bilga was re-appointed as Advisor Horticulture by competent authority for his valuable advice in the field of Landscaping/Horticulture. Mr. Gurwinder Singh Landscape Officer assisted by, 5 head Malis, a small number of 12 Malis and 34 workers for a vast campus of 500 acres of Guru Nanak Dev University including 25 acres of Botanical Garden is maintaining the beauty of the

campus and bringing diversity to campus by adding new species of plants. Also, Mrs. Mandeep Kaur is working as Data Entry Operator.

Department of Landscaping is assigned the responsibilities of planning, plantation, transplanting and maintenance of gardening all over the campus including, nursery production, hoeing, irrigation, pruning, training & trimming, replacement of plants, fertilization, and plant protection along with overall greening and cleaning of lawns. Apart from these day-to-day duties, department of landscaping also manages auction of agricultural land which includes Pear orchard with approval of competent authority.

**During the reporting year 2023 - 24 the department of Landscaping has performed the following activities:**

**New landscaping and plantation works:**

New planning and development of Landscaping around the following departments have been done during the current year:

- University Business School
- Department of Physiotherapy
- Department of USFS
- Department of Sports Sciences and Medicine
- Different species of ground covers have been planted in front of Bhai Gurdas Library and Chemistry department for its beautification.
- Plantation of indigenous trees along boundary wall adjoining to Khalsa College

**Procurement of plants and seeds:**

Guru Nanak Dev University Procured plants free of cost from the

- DFO Amritsar
- NGO's
- All flowering seeds are also received complimentary from Mr. Avtar Singh, Beauscape Farm Ludhiana that saves lot of revenue of GNDU.
- The department of Landscaping has purchased plants from local nurseries for the beautification of campus, in accordance with their needs.

**Fountain chowk:**

Main road fountain chowk landscaping maintained by department which has developed last year using different varieties of plants i.e. Bismarkia, Furcaria, Selection No. 1 along with Pop up sprinkler installed for irrigation.

**Landscaping of university back gate:**

The landscaping of the campus back gate has been completed by the department, utilizing a variety of palms, shrubs, and ground covers to enhance its beauty.

**Propagation:**

Landscape nursery being maintained by department is doing various activities like propagation of different varieties of Bougainvillea's, climbers, shrubs, trees, chrysanthemum, and annual flowers.

**Gap filling** :

- Gap filling has been done plantation along road starting from Main gate to Back gate of university.
- Enrichment of flora in the Botanical Garden continued with additional species in medicinal, fruits and other plants continued.
- Gap filling of different fruit and flowering trees have been planted previous year backside of Education and Agriculture department building for the beautification and source of nutrition for students.
- In continuation with the previous plantation of Shisham trees (the state tree of Punjab) area backside of UIT workshop along the wall of Sadda Pind has been replanted with shisham gap filling.
- Gap filling of Bougainvillea's around Sports complex

**Golden Jubilee Rose Park**

Dream project conceived by the worthy Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu developed during the Golden Jubilee year with 50 named varieties of Roses matching with Golden Jubilee celebrations of the university is being maintained properly.

**The 49th sacred jungle**

Developed in the campus of GNDU with the co-operation of Baba Sewa Singh, Kar Sewa Sri Khadoor Sahib with 1800 plants is being looked after by this department.

**Mechanization of landscaping department:**

- Manual lawn mower machine has been purchased by department for grass mowing at fountain chowk.
- Gardening tools including khurpas, Grass cutting equipment and secateurs is also added to the nursery.
- Two brush cutter machines of Stihl Company added to the department for grass cutting in the campus.

**Awareness agenda:**

To aware & educate the students about the importance of green and beautiful environment and growing of different plants for their surrounding Guru Nanak Dev University organized Flower shows:

- Bhai Vir Singh Flower Show was organized on 5th, 6th and 7th December 2023 continued in the chain of awareness and educational activities.Where large number of educational institutes and individuals participated with full enthusiasm. This Flower show and Rangoli was inaugurated by Prof. Dr. Jaspal Singh Sandhu, Vice Chancellor and prizes were distributed by Dr. Bikramjit Singh Bajwa, Dean Academic Affair.

**Botanical garden:**

Botanical Garden of Guru Nanak Dev University has been put under the supervision of Landscape department. Accordingly, Department of Landscaping during the year 2024 has taken the following activities:

- To make the Botanical Garden more colorful and pleasant like previous year different varieties of seasonal flowers have been planted at different locations.
- Mulching of plants was continued for the conservation of soil and water both along with suppressing weeds and gradual addition of organic matter to the plants besides protecting the plants from extreme summer as well as winter.
- New varieties of RET species, ferns, aromatic plants, medicinal plants, spices and fruit plants from different sources including many local and distant nurseries.

**Continuation of rejuvenation of campus:**

Due to poor quality of soil in the campus of Guru Nanak Dev University the growth of trees had been retarded even trees started drying up from top. Hence rejuvenation of campus soil has been continued. Accordingly large quantities of leaves shed were ploughed in the soil that made the soil fertile, aerated and improved its absorption of water. Due to this technique all the lawns have been completely regrassed and the tree tops which were drying up before have been rejuvenated resulting good growth and flowering of plants.

**Maintenance works:**

- Frequent cutting of grass and wild growth all over the campus
- Training, pruning, and trimming of plants
- Irrigation, hoeing, weeding, and staking of plants whenever required
- Protection of plants from weather, insects, and disease
- Collection of broken, dry, and dead twigs
- General cleaning of lawns & removal of dead and broken plant parts
- To make the campus more attractive, hanging baskets were installed throughout the campus with different varieties of plants added during 2018 have been enriched with more varieties
- Flowering and shady trees gap filling and staking along the roads of university

**Next year programmes (2024-2025):**

- Awareness and Educational agenda i.e. Flower shows
- Establishment of Guru Nanak Bhagicha'sin the campus
- Further mechanization of landscaping department
- Shisham plantation on vacant land as a pollution barrier
- Landscaping of newly established departments

# NATIONAL YOUTH PARLIAMENT SCHEME (NYPS)

**Dr. Nirmal Singh, Nodal Officer**

**NYPS**

Ministry of Parliamentary Affairs has been implementing the Youth Parliament programme since 1966 in Schools under the Directorate of Education, Government of NCT of Delhi and NDMC, Kendriya Vidyalaya, Jawahar Navodaya Vidyalayas, and Universities/ Colleges. At special function on the occasion to commemorate 70th Anniversary of adoption of the Constitution of India, - "Samvidhan Diwas", organized in the Central Hall of Parliament, the Hon'ble President Shri Ram Nath Kovind launched the Web-Portal of "National Youth Parliament Scheme".

**Aims of the NYPS**

- All recognized educational institutions of the country are eligible to participate in this programme.
- The registration for participation will be done by the education institutions through the web-portal.
- E-training modules, videos, photographs, and scripts are available on the portal for online self-learning of the participants.
- After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
- Each student taking part in the sitting will get a Digital 'Certificate of Participation' and each Teacher-in-charge and Head of Institution will get a 'Certificate of Appreciation' through the web portal.
- The programme envisages Kishore Sabha for the students of Class IX to Class XII and Tarun Sabha for the students of the Under Graduate/ Post Graduate level.
- To ensure effective implementation of the scheme, the participating institutions may invite an MP/ex-MP/ MLA/ Ex-MLA/ MLC/ Ex-MLC or a Person of eminence as the Chief Guest who would oversee the performance of the Youth Parliament sitting of the institution.
- The institutions shall upload the reports and photos/ videos of Youth Parliament conducted by them on the web portal for scrutiny and verification by the Ministry.
- If reports and photos/ videos of Youth Parliament are found to be in order after scrutiny and verification, participating students will get digital "Certificate of Participation" and teachers-in-charge / head of institutions will get digital "Certificate of Appreciation" for the programme.

**Activities**

In Guru Nanak Dev University the scheme was opted in year 2020 and I was assigned the duty of Nodal officer on 20 February 2020. So there is no past record for this scheme available to me.

- Enrollment drive for students to be participant in National Youth Parliament Scheme was initiated and time to time meetings were called for making prospective participants aware about the activities to be done.
- Online lecture on the "Language in Indian Parliament" was delivered by Dr Surjeet Kaur, Associate Professor, Khalsa College, Amritsar on 10 October 2023.
- Another Online lecture on "How to enact Youth Parliament" was delivered by Dr Atma Singh, Assistant Professor, Baba Ajay Singh Khalsa College, Gurdaspur on 23 January 2024.
- The students were encouraged to take part in the National Youth Parliament Activities to make it a success.

# NATIONAL ACADEMIC DEPOSITORY (NAD)

Indian Higher Education system is a large and growing system with approximately 65 school boards, 416 state universities, 125 deemed universities, 54 central universities and 361 private universities. Apart from these, there are 107 other institutions such as IISc/IITs/IIMs/NITs/ IISERs/IIITs/NITIE and 12 other centrally funded institutions. These institutions issue academic awards to students including degrees, diplomas and certificates along with mark sheets and evaluation reports. Apart from these, institutions under various Ministries/Departments and other skill based institutions also dispense certificates, diplomas and advanced diploma. Those who are entering into employment or pursuing higher studies require a credible, authentic and convenient mechanism for access, retrieval and validation of such academic awards. Retrieval of old academic records maintained in paper form is cumbersome. Academic records maintained in paper form are susceptible to hazards such as spoilage and forgery. Students often face difficulties in obtaining copies of their certificates/mark-sheets whenever they are lost or destroyed.

Maintaining academic awards in an electronic depository would provide benefit to educational institutions, students and employers by enabling online access of academic awards which will eliminate the need for persons to approach educational institutions for obtaining transcripts of such awards or marks-sheets for verification. It would also eliminate fraudulent practices such as forging of certificates and mark-sheets, by facilitating online verifications thereof.

The National Academic Depository aims at ensuring a credible and convenient mechanism for online lodging, verification and authentication of the academic awards issued by various educational institutions. The vision of National Academic Depository (NAD) is born out of an initiative to provide an online store house of all academic awards. National Academic Depository (NAD) is a 24X7 online store house of all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. duly digitised and lodged by academic institutions / boards / eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.

Digi Locker is a provider of NAD services and aims at ‘Digital Empowerment’ of citizen by providing access to authentic digital documents to citizen’s digital document wallet. Maintaining academic awards in an electronic depository would provide benefit to educational institutions, students and employers by enabling online access of academic awards which will eliminate the need for persons to approach educational institutions for obtaining transcripts of such awards for verification. It would also eliminate fraudulent practices such as forging of awards, by facilitating online verification thereof and maintains the authenticity, integrity and confidentiality of the award. It aspires to make the vision of Digital Academic awards for every Indian a reality.

Guru Nanak Dev University has joined the Digi locker platform to provide digital access to its degree certificates. Students who graduated in the years 2015 to 2023 can find their degree data on the portal. The university has uploaded more than 370,000 records including Degree and DMC so far. The university is also part of the Academic Bank of credits scheme, which allows transfer of student’s credits across institutions. The university departments and colleges are encouraging students to create their ABC-IDs, and more than 86,000 IDs have been created already.

# STUDENT ACTIVITY CLUBS

## Details of Incharge and Mentors

Overall Students Club Incharge: Prof. Preet Mohinder Singh Bedi, Dean Students' Welfare

| Sr. No. | Club Name | Mentor/s | Mobile No. | Email Id |
|---|---|---|---|---|
| 1. | Fitness Club ("Food and Fitness Club" is to be named as "Fitness Club") | **1. Dr. Amrinder Singh** H.O.D, MYAS, Dept.of Sports Sciences and Medicine<br>**2. Mr. Srinivasa Rao** Assistant Professor, MYAS, Dept. of Sports Sciences and Medicine | 9501114474<br><br>9393413323 | amrindersportsmed@gndu.ac.in<br><br>srinivasa.myas@gndu.ac.in |
| 2. | Science Club | **Dr. Jatinder Kaur** Professor, Dept. of Botanical & Env. Sciences | 9501012458 | jatinder.botenv@gndu.ac.in |
| 3. | Fine Arts Club | **Mrs. Ashvind Kaur** Senior Artist, Dept. of Architecture | 9855562930 | ashookaur@gmail.com |
| 4. | Dance Club | **Dr. P.S. Malhi** Assistant Professor, Dept. of **Apparel and Textile Technology** | 9780580753 | parambirmalhi@gmail.com |
| 5. | G.N.D.U. Talkies | **Dr. Bindiya Arora** Assistant Professor, Dept. of Physics (till **Dr. Venus Mithu** joins back) | 9988077677 | bindiya.phy@gndu.ac.in |
| 6. | Music Club | **1. Dr. Rajesh Sharma** H.O.D, Dept. of Music | 8847031253 | drrajeshsharma76@gmail.com |
| 7. | Literary Club | **1. Dr. Sumneet Kaur** Assistant Professor, Dept. of English<br>**2. Dr Ujjal Jeet** Assistant Professor, Dept. of English | 9855533328<br>9464978199 | sumneet.eng@gndu.ac.in<br>ujjal.eng@gndu.ac.in |
| 8. | Drama Club | **Dr. Sunil** Professor, Dept. of Hindi | 9878550034 | drsunilgndu@gmail.com |
| 9. | Go Green Club | **1. Sh. Gurwinder Singh** Landscape Officer<br>2. **Dr. Mahinder Singh,** Dept. of Laws | 9646837020<br>9501068700 | gurwindersingjo@gmail.com<br>mahinder23eng@gmail.com |

# EQUAL OPPORTUNITY CELL-PWD'S

The Equal Opportunity Cell-PWD's was established in the year 2020 as per UGC guidelines. The Equal Opportunity Cell for PWD's is therefore set up to address these and other urgent issues concerning people with disabilities. As per the time-to-time directions received from the Honorable Supreme Court, Honorable High Court, Govt. of India, UGC, Chief Commissioner for Person's with disabilities, Govt. of Punjab and in the able guidance of Honorable Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu, Guru Nanak Dev University is committed to provide various facilities and friendly environment to the differently-abled persons. The university has also set up a specially designed optimized computer lab and disabled friendly facilities like special Learning and assistive devices for the all type of disabled students and faculty in Bhai Gurdas Library. We follow the Govt. reservation policy in admissions and recruitments. We have the facility of volunteers to help the differently abled students. University is organizing no. of lectures, seminars, conferences and workshop for mental and physical well being of the faculty and students regularly. All possible help is given to persons with disabilities to prepare for competitive Examinations, employment, placement and to encourage them to participate in Paralympics games.

We believe, 'besides the infrastructural help, society must change the in different attitude towards PWD's as People with disabilities come under the 'world's largest minority.' The feeling of discrimination between the common man and the physically disabled people living in society has to be eliminated. PWD's have to be made aware of their rights. Inferiority has to be removed from the mind and serious efforts are necessary to connect with the main stream of society.'

**AIMS & OBJECTIVES - EQUAL OPPORTUNITY CELL - PWD**

- To implement, monitor, and evaluate continuously the Reservation Policies of the States, Central Governments in consonance with the University Grants Commission regulations. The RPWD Act 2016 implementation in the Guru Nanak Dev University, Amritsar.
- To establish helpdesk in equal opportunity cell for assisting differently abled students in getting admissions and other facilities for their studies.
- To provide counselling to PWD students on the types of courses they could study at the higher education institutions.
- To ensure admission to all PWD students, so that all gets opportunity to higher education, through awareness regarding the open quota and through various reservation policies.
- To gather and get implemented the orders dealing with fee-concessions, examination procedures, reservation policies, etc., pertaining to PWD.
- To assess the educational needs of PWD enrolled in the higher education programmes to determine the types of assistive devices to be procured.
- To conduct awareness programmes for teachers of the institute about the approaches to teaching, evaluation procedures etc. that they should address in the case of PWD students.

- To study the aptitude of PWD students by various program and assist them in getting appropriate employment, when desired by them after their studies.
- To provide information regarding the various available fellowship / scholarship schemes for PWD students and to provide guidance for availing them.
- To provide infrastructural needs to enable them to easily access classrooms, laboratories, toilets, etc. for barrier free learning environment as per the guidelines of Ministry of Urban Development.
- To continuously monitor, evaluate and implement the guidelines for conducting written examination for Persons with Disabilities issued by CCPD and Department of empowerment of person with disabilities under the aegis of Ministry of Social Justice & Empowerment, Government of India and ratified by UGC and MHRD.
- To organize skill development training programme for PWDs to sensitize and help them regarding carrier opportunities according to their interest, qualifications and nature of disability.
- To organize training programs, cultural & Sports activity, conferences, lectures seminars, workshops, symposia etc. for Differently abled people.
- To undertake celebration of World disabled day and other historical days related to differently abled people.
- To explore the full participation and equality as well as suitable placement opportunities for educated disabled graduates in public as well as private sector enterprises as per the Acts, Rules & Regulations and Policies of the Department of Social Justice & Empowerment, Ministry of Social Justice & Empowerment, Government of India
- To continuously monitor evaluate and implement the guidelines for House allotment, promotions and other issues of the disabled employees issued by CCPD and Department of empowerment of person with disabilities under the aegis of Ministry of Social Justice & Empowerment, Government of India.
- To promote and strengthen voluntary effort; for the guidance and assistance of Differently abled people for providing voluntary service to the differently abled people to help them in their study related problems like providing writers for writing the exams, recording and scanning of the books, notes etc.
- To organize programmes, conferences, lectures, workshops etc. for employees, individuals and other section of the society for sensitizing about the problems of the PWDs.
- To encourage students and employees of the university to come forward for the help of differently abled people for making them independent.

# FOREIGN STUDENT CELL

Guru Nanak Dev University has established an International Student Cell to promote admission of foreign student and address their routine matter. The University offer admission to foreign students sponsored by ICCR and Study in India program. Many self-sponsored students also take admission in the University. At present 57 students are studying at Guru Nanak Dev University campus in various departments. These students are from Bangladesh, Kenya, Iran, Nepal, South Sudan, Afghanistan, Sudan, Tanzania, Sierra Leone, etc. The courses which are in demand include Agriculture, Civil Engineering, Pharmaceutical Sciences, Microbiology, Electronics Technology, Social Science, Computer Science, Computer Science & Engineering, Molecular Biology & Biochemistry, University Business School (UBS), University School of Financial Studies (USFS), Mechanical Engineering and Biotechnology. This year the University has received 869 applications through ICCR for admission to different courses. The international student cell is trying to offer an international ambiance to these students to effectively integrate with our society. Guru Nanak Dev University is constructing an international hostel to accommodate foreign students studying at the university. This facility aims to provide comfortable and convenient housing for international students, enhancing their overall experience at the university.

**Foreign Students Meet With Prof. (Dr.) Pratap Kumar Pati, Chairman International Student Cell after Completion his/her course at GNDU**

**Shivang Dutta**

**B.Tech (CSE)**

- Youngest Country Director for 4 Years of Global Peace Chain, USA (International Organization Spreader in more than 80 Countries)
- International Awardee in Turkey-2020
- Youngest Project Manager of Young Professional Fellowship'2024 6th Cohort held in Kathmandu (3-day international residential conference)
- ICRR Scholarship Holder
- Career Counselor and Speaker (Taken more than dozens of career counseling sessions)

**Eshan Sengupta**

**B.Tech (CSE)**

**Publications:**

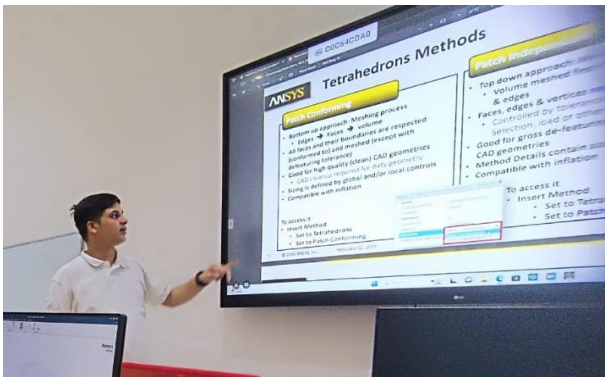

1. Artificial intelligence assisted IoT-fog based framework for emergency fire response in smart buildings (Cluster Computing | 2024)
2. An intelligent machine learning-enabled cattle reclining risk mitigation technique using surveillance videos (Neural Computing and Applications | 2023)
3. Artificial intelligence inspired IoT-fog-based framework for generating early alerts while train passengers traveling in dangerous states using surveillance videos (Multimedia Tools and Applications | 2023)
4. Artificial intelligence inspired framework for preventing sexual violence at public toilets of educational institutions with the improvisation of gender recognition from gait sequences (Soft Computing, Springer | 2023)
5. Sustainable Development Goal for Quality Education (SDG 4): A study on SDG 4 to extract the pattern of association among the indicators of SDG 4 employing a genetic algorithm. (Education and Information Technology, Springer | 2022)
7. 6. An Exploration into Artificial intelligence based advancement in education field. ICACITE, IEEE | 2022

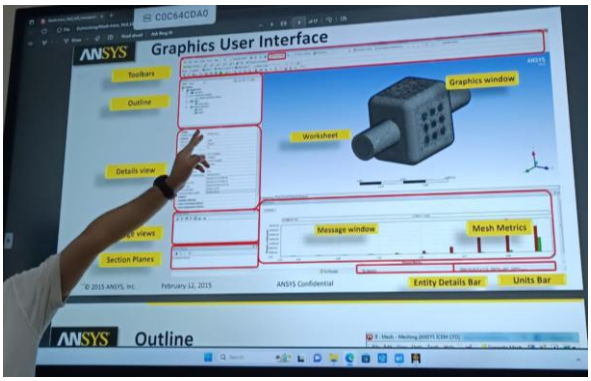

| | |
|---|---|
| | **Projects:**<br>1. Inventory Management and GST Billing System: Developed an inventory management system, in which products can be managed and a customisable GST bill (PHP, MySQL, HTML, CSS, JavaScript).<br>2. Object Detection with Custom Dataset: Developed an object detection system using YOLOv8s, in which the model is trained using a custom dataset and can detect a specific class of objects in real-time (Yolo, Tensorflow, Python).<br>3. Multiple Disease Prediction Model: Developed a system that can detect possible heart diseases, Parkinson's disease and diabetes based on the input received from the user (Python, Streamlit). |

# GOLDEN JUBILEE CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (GJCEI)

1. **Training Program on ANSYS software organized by Department of Mechanical Engineering in collaboration with Golden Jubilee Centre for Entrepreneurship and Innovation GNDU, Amritsar from September 25, 2023 to September 29, 2023.**

Under the esteemed leadership of Prof. (Dr.) Jaspal Singh Sandhu, Vice Chancellor, a five-day training program on ANSYS software was organized at GJCEI, GNDU from September 25, 2023 to September 29, 2023. Training included Modelling, Meshing, FEA (Finite Element Analysis) which covered structural analysis (linear and nonlinear) and Computational fluid Dynamics. Dr. P K Pati inaugurated the training program at the Golden Jubilee Centre for Entrepreneurship and Innovation. Dr. Harminder Singh, head of the mechanical engineering department welcomed the trainer of the session, Mr. Rohit Sangwan who briefed that ANSYS as a tool provides a complete set of elements behaviour, material behaviour and equation solvers for diverse mechanical problems.

2. **One Week International Workshop on "Unlocking Agriculture Potential through Remote Sensing" (16-10-2023 to 20-10-2023)**

Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) organized One Week International Workshop on "Unlocking Agriculture Potential through Remote Sensing" from October 16, 2023 to October 20, 2023. The aim of this workshop was to teach students and faculty about modern farming techniques on how to use remote sensing tools to study important agricultural factors like crop diversity, soil conditions, and weather patterns. A senior expert Dr. Sugandh Chauhan, from PUM Netherlands provided hands-on training to students and faculty members from the different departments of the University on latest remote sensing technology and software, different types of crops and how to monitor and check soil conditions using these

tools. She also gave knowledge about how to interpret weather data to improve crop management to the participants.

3. **Training Program on CNC Simulation and Programming from November 01, 2023 to November 07, 2023.**

Under the esteemed leadership of Prof. (Dr.) Jaspal Singh Sandhu, Vice Chancellor, a five-day training program on CNC Simulation and programming was organized by Department of mechanical Engineering in collaboration with Golden Jubilee Centre for Entrepreneurship and Innovation GNDU, Amritsar from November 01, 2023 to November 07, 2023. Professor Dr. P. K. Pati inaugurated the training program at the Golden Jubilee Centre for Entrepreneurship and Innovation. He emphasized that this kind of seminar can bridge the gap between academics and industrial requirements. Dr. Harminder Singh, head of the mechanical engineering department, further added that students will get an opportunity to learn about CNC programming techniques and real-world case studies during the workshop. Mr. Rajendra Nayak, a renowned expert from Precision Engineering Company, Delhi brought his extensive experience and expertise to guide the students. Around 200 students from mechanical engineering and other departments took part in this training program.

4. **Training Program on Factory Automation and Robotics Programming using FluidSim Software and CIROS Software of Germany based FESTO Company organized by Department of Mechanical Engineering in collaboration with Golden Jubilee Centre for Entrepreneurship and Innovation GNDU, Amritsar from January 22, 2024 to January 26, 2024.**

Under the esteemed leadership of Prof. (Dr.) Jaspal Singh Sandhu, Vice Chancellor, a five-day Training Programme was conducted on "Factory Automation and Robotics Programming using FluidSim Software and CIROS Software of Germany based **FESTO** Company. Professor Dr. P. K. Pati inaugurated the training program and emphasized that this kind of training can bridge the gap between academics and latest technologies used in the industry. Dr. Harminder Singh, Head, Department of Mechanical Engineering welcomed the Resource Person, Er. Chandrashekhar V. Varerkar, Manager Didactic at Festo India Pvt. Ltd. Er. Varerkar completed Mechatronics Trainer Level 1 & Level 2 Certification from Siemens Technik Academy, Berlin, Germany. He has 15 Years' experience in core manufacturing industry at TATA Steel Wire Division in Electrical Maintenance Dept. and 9 Years core training experience in a Indo-German JV company, ChristianiSharpline Technical Training Pvt. Ltd as a AGM Training with specialization in Mechatronics. He started the training session by imparting basic knowledge of Pneumatics and Hydraulics from industrial revolution point of view. Further, he dived deep the professional use of Fluid Sim, CIROS, CODESYS and PLC software throughout the training. Approximately 150 students along with faculty members participated in the training programme.

5. **One day Start-up Awareness Program in association with Innovation Mission Punjab on January 16, 2024**

The Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) at Guru Nanak Dev University, Amritsar, organized a Start-up Awareness Program in partnership with Innovation Mission Punjab on January 16, 2024. The event aimed to boost entrepreneurship and innovation in the region. 40 participants including 19 registered startups and other aspiring entrepreneurs attend this event. In this program, guest speakers from Innovation Mission Punjab and Start-up Punjab shared valuable insights on the startup ecosystem and government initiatives supporting entrepreneurship in Punjab. Prof. (Dr.) Pratap Kumar Pati welcomed the speakers warmly, while the university's vice chancellor, Prof. (Dr.) Jaspal Singh Sandhu, and registrar, Prof. (Dr.) Karanjeet Singh Kahlon, engaged with the startups and distributed identity cards to GJCEI startups for offering them various university facilities.

The session provided a platform for aspiring entrepreneurs, industry leaders, and academics to exchange ideas and insights, highlighting GJCEI's commitment to fostering a supportive environment for innovation and entrepreneurship. Faculty members from various departments of the University also attend this valuable session.

6. **FINILOOP Start-up Meetup (19-01-2024)**

Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) in association with Aspire Lab, Noida hosted the "FINILOOP Startup Meetup" On January 19, 2024. The aim of this meet was to create plastic waste-free cities by enhancing solid and plastic waste management, improving livelihood opportunities for informal waste workers, and encouraging innovation in plastic waste enterprises. Around 30 participate attend this meet.

7. **One day Tech Startup Connect & Grow Workshop in association with Punjab State Council for Science and Technology, Chandigarh on February 01, 2024**

Under the guidance of Honorable Vice Chancellor Dr. Jaspal Singh Sandhu, Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) in collaboration with Punjab State Council for Science and Technology, Chandigarh organized a workshop on Tech Startup Connect & Grow on February 1, 2024. Around 300 young women entrepreneurs/startups from various sectors participated in this SHE (Startup, Handholding, and Empowerment) Group 2.0 workshop. Dr. Dapinder Bakshi, Joint Director, Startup Facilitation, PSCST, Chandigarh, provided a comprehensive introduction of this workshop with her inspiring talks. Further, Ms.

Himani Arora, Chairperson of FICCI FLO Amritsar, Ms. Muskaan Kapoor from Angel Paradise School shared their life experiences and wisdom on how to become a successful entrepreneur among the participants. Mr. Adin Pnagotra from NEDC, New Delhi presented a zealous presentation on the importance of the incubation centres, providing the students with a business-oriented guidance on their next steps forwards, giving them a new and secure outlook regarding their budding business plans under the MSME programs. Mr. Mick Walvisch, created an informative dialogue, debating the expansion of Indian entrepreneurs in the Western markets and the untapped potential in the young business women and investors in India. He also encouraged more women to come forward in the investment environment. In this workshop, S. Manvinder Singh, the director of Novelty groups awarded the winners of Idea Pitching competition for their impressive and exhilarating ideas.

8. **An Interactive Meet with PUM Country Coordinator Mr. Edwin Witlox Dr. Leon Husson, & PUM Senior Expert Incubators, Netherlands on March 06, 2024**

Under the dynamic leadership of Honorable Vice-Chancellor of Guru Nanak Dev University, Amritsar, Golden Jubilee Centre for Entrepreneurship and Innovation hosted an insightful interactive meet with Mr. Edwin Witlox (PUM Country Coordinator), Dr. Leon Husson (Expert Incubators) and with Mr. K. R. Jain, Representative of India from PUM Netherlands on March 6, 2024. The aim of this meet was to bring together experts from various backgrounds to discuss bridging the gap between industry and academia for the welfare of the country. The experts from various fields, including industry, academia, technology, and local farmers engaged in this meeting. These experienced professionals collaborated with small and medium-sized enterprises (SMEs) to offer valuable insights and assistance in business development and sustainable growth.

**Innovation-driven Projects**

Innovation-driven 7 projects of Rs. 68.91 lakhs were awarded to different faculty members of various departments of the University and were completed on November, 2022. The progress review presentations after completion of the projects were presented to external and internal expert members from different institutions/ Industry of national repute and the progress of the projects were reviewed. The meeting started with the welcome note by Prof. (Dr.) P.K.Pati, Coordinator, Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) and the session was handed over to Chairman of the evaluation committee Dr. Shirshendu Mukherjee, Mission Director**,** Program Management Unit Biotechnology Industry Research Assistance Council (BIRAC). After that, the online PPT presentations of the projects were started. All the 7 PI's (Principal Investigators) presented their project work for 5 minutes followed by 10 minutes discussion with the members of the expert committee. These projects were through evaluated by each expert committee member. Overall, the committee members unanimously appreciated the work presented by various PI's of different fields. Out of these Innovation Projects 7 research papers (published), 2 research papers (communicated) and 1patent got filed.

# SOLID LIQUID WASTE MANAGEMENT PROGRESS REPORT

Human activity generates different types of wastes which need to be managed in a scientific way to create a pleasant atmosphere. Guru Nanak Dev University is a 'Category A++' University by the UGC because of its outstanding performance in academics, sports and cultural accomplishments. The University is equally concerned about the health and wellbeing of students and staff. It has taken several measures to provide clean and green environment. The University has resolved to make the campus a 'Zero Waste Campus'. In order to achieve this goal, Solid Liquid Resource Management (SLRM)Centre was established in 2016. SLRM committee was constituted to manage the activities of this centre consisting of Prof Dalbir Singh Sogi as convener and Prof Arvinder Kaur, Prof Manpreet Singh Bhatti, Dr Kiran Sandhu, Dr Vikram Sandhu, Sanitary Inspector as members. SLRM Committee has taken many steps to manage different types of solid wastes.

**Solid waste generation points:**

The main campus is spread over 500 acres land and situated towards the west side of the Amritsar city. It can be divided into academic and residential areas. Academic area consists of teaching and non-teaching departments. There are 35 academic departments housed in seventeen buildings. The University has over 5000 students and more than 350 faculty members teaching different courses. Non-teaching departments are functioning from six buildings. The residential area includes 409 houses of teaching and non-teaching employees, four Girl hostels, four boy hostels, one sports hostel, one faculty house, one working women hostel, two Guest Houses, ten canteens and cafeterias. All these buildings produce solid waste which is collected on daily basis.

**Solid waste collection system**:

Solid waste is collected in different types of the bins with colour code green, red and black. Green colored bins are used to collect biodegradable waste; red bins are used to collect non-biodegradable waste; whereas black colored bins were used for the collection of used masks. One tractor-trolley with driver and helper collects the solid waste from the campus whereas one e-rickshaw with two employees collects biodegradable waste from door to door. The Non-biodegradable or dry solid wastes are collected from teaching, non-teaching and residential area and taken to the SLRM centre where this waste is segregated and all the recyclable material are separated and send to the recycling units for further processing. Biodegradable or wet solid waste is collected by a dedicated team separately and is utilized to convert it into compost, biogas or animal feed. Cooked biodegradable waste is generated mainly from the messes where students leave a small part of their meal which is collected in a drum and is collected by dairy farmers to feed their animals. Uncooked waste mainly peels of the vegetables and fruits are collected by SLRM persons from door to door. This waste is converted into vermicompost and microbial compost. This waste is also utilized for the production of biogas.

**Quantification of the waste generation**:

The average solid waste collection on daily basis is as follows:

- Cooked waste 110kg per day
- Uncooked Waste 31 kg per day
- Recyclable dry waste 35 kg per day
- Non-recyclable waste 40 kg per day
- Biomedical Waste 1 kg per day [Collected from Health Center and Teaching Departments by Amritsar Envirocare Systems, Ibbankalan Amritsar]
- Sanitary waste generation NIL [Incineration units Installed in all the girl Hostels]
- Garden waste: University has adopted on-site-decomposing method in which the garden waste is crushed and mixed with the soil for natural composting.

**Utilization of the Solid waste**: SLRM Centre was created to utilize the solid waste generated in the campus and it has taken many steps to maximize the extraction of useful products from the waste.

**Non-Biodegradable or dry waste collection and utilization:** Bins have been provided in the entire campus at all the suitable places. The dry waste is dumped into these bins. This dry waste collection system is working well. One tractor-trolley along with one driver and one helper collects the non-biodegradable waste from these bins. The collected waste is taken to SLRM Centre where it is segregated into white paper, newspaper, corrugated fiber board boxes, glass bottles, plastic bottles, metal, plastic film etc. These items are sent to the recycling industry through a contractor.

**Cooked waste utilization:** It is a biodegradable waste which is produced mainly in Boys and Girls hostels. The leftover food is collected in a plastic drum. Dairy farmers visit the mess every day in the early morning and take away the waste to feed the dairy animals.

**Organic waste collection:** University has procured two E-rickshaws for the collection of the organic waste from residential area, hostel messes and canteens. The workers move regularly from door to door to collect organic waste from residential areas, hostel messes and canteens. The organic waste is taken to the SLRM Centres and utilized for preparation of vermin/microbial compost and biogas.

**Vermicomposting:** One vermicomposting unit is being run at the SLRM Centre in a shed. Cow dung is procured from the local vendors and used to rear the earthworms. Once the earth worms become active, the uncooked waste collected from the hostel messes, canteens and residential area is crushed in a grinder to reduce the particle size. The ground waste is fed to the earth worms by opening the raw and transferring the waste into the rows followed by covering with

the composting material. The ground waste takes about 8-10 days in summer to get completely decomposed.

**Microbial Composting:** The garden waste and uncooked waste are decomposed under aerobic condition following Bengalore Model. Three layer system has been adopted in which the first layer is of leaves from garden waste, second layer is of ground uncooked waste and the third layer is of cow dung. Two pits are constructed having dimensions of 10ft x 12ft x 4ft. Once the first pit is filled then the composting matter is transferred to the second pit. The compost is allowed to decompose in second pit for one month. The compost is kept moist by sprinkling water regularly all the time. The final compost is of dark brown colour without any off odour.

**Biogas unit:** One biogas plant was designed to utilize the uncooked waste to produce energy. The design was developed by calculating the amount of biogas required by a family of four persons. The biogas plant is under trial for the production of biogas.

**Pre-composting Unit:** The pre-composting unit is designed to partially degrade the garden waste. The volume of waste generation varies due to vacations and academic or other events organised in the campus. The pre-composting unit ensures a regular supply of the partially composed waste for vermicomposting, microbial composting and biogas generation. The pre-composting unit is being used to decompose primarily the dry leaves.

**Future Plans**

**Leaf Shredder:**

The campus produces lot of garden waste which gets dried and become resistant to composting. There is a requirement of one lead shredder to reduce the particle size to facilitate composting. SLRM Centre will make efforts to procure one lead shredder to manage the garden waste effectively.

**Organic waste Composter**

One organic waste converter has been sanctioned under RUSA-II scheme. This organic waste converter will be used to convert the biodegradable waste into high quality compost under aerobic conditions. It will use specially designed microbial culture along with controlled temperature and aeration to facilitate the microbes to degrade the organic waste.

SLRM centre is successful in managing the all the recyclable and biodegradable wastes being produced in the campus. These efforts have contributed to make our campus clean and green.
